2. Respondent enters into this Consent Order (“CO”) with the Department to resolve these charges without the necessity of a hearing.

DEFINITIONS

5. A “contest to service of process” means a challenge to the service of process effectuated by a process server alleged in an answer, motion, or other pleading submitted in a judicial, administrative or other legal proceeding on the ground that the service did not comply with the requirements of New York State or other applicable law, including a hearing commonly known as a “traverse hearing,” regardless of whether such challenge is waived, settled by stipulation or decided by court order after a hearing.
6. “Person” shall mean any individual, firm, company, partnership, corporation, association or other organization.

7. "Process" means a summons, notice of petition, order to show cause, subpoena, notice, citation or other legal paper issued under the laws of the State of New York directing an appearance or response to a legal action, legal proceeding or administrative proceeding; provided, however, that if under the laws of the State of New York the mailing of such legal paper is sufficient to effect service, such legal paper shall not be process for the purpose of this Agreement.
8. "Serve" or "service" shall mean the delivery of process in a manner prescribed by the laws of the State of New York.
9. Other terms are defined in 6 RCNY § 2-231.
