1. The Department of Consumer Affairs (“DCA” or “the Department”) and Executive Attorney Service, Inc. (“Respondent”) enter into this Consent Order (“CO”) to resolve charges that Respondent violated of the following rule: Title 6 of the Rules of the City of New York (“6 RCNY”), Section 2-236(c)(2).
2. This CO shall apply to Respondent and any other directors, officers, employees, agents, assignees, successors, or other business entities, whose acts, practices, or policies are directed, formulated, or controlled by Respondent.
3. Respondent enters into this CO to resolve these charges without the necessity of a Notice of Violation or a hearing.
4. The acceptance of this Consent Order by the Department shall not be deemed approval by the Department of any of Respondent’s business practices, and Respondent shall make no representations to the contrary.
5. Nothing in this Consent Order reduces any of Respondent’s obligations pursuant to any other Consent Order Respondent has entered into with the Department.

INJUNCTIVE RELIEF

6. Whenever Respondent receives any type of notice, including an oral communication, that a court has scheduled a hearing to determine whether service of process assigned by Respondent to an individual process server was effective, Respondent shall, within two (2) business days, inform in writing the individual process server whose service is being challenged of the scheduling of the hearing, the date and time of the hearing,

the title and index number of the action, and the court and judge before whom the hearing is scheduled.

7. Whenever Respondent receives any type of notice, including an oral communication, that a court has scheduled a hearing to determine whether service of process made or assigned by such licensee was effective, Respondent shall submit a report to the Department, within ten (10) days of receiving such notice, using the "Traverse Report Form for Process Servers/Agencies Who Signed a Consent Order" available at <http://nyc.gov/processserver> ("the DCA Process Server Website"). Respondent shall submit the completed traverse report form by e-mail to TraverseReports@dca.nyc.gov. Respondent shall include a copy of all written communications made pursuant to this paragraph with the traverse reports it submits to the Department, as well as all responses received from the individual process server.
8. Respondent shall ensure that the agency and the individual process server submit separate traverse reports to the Department for each hearing in which process assigned by Respondent to the individual process server was challenged.
9. Respondent shall learn the final result of each scheduled hearing in which process assigned by Respondent to the individual process server was challenged, including any judicial order, waiver of the hearing or voluntary settlement resolving the challenge to service of process, and obtain a copy of the court's decision on the matter. "Decision reserved" is not a final result.
10. If Respondent fails to learn the final result of the hearing and obtain a copy of the court's decision within 30 days of the scheduled hearing date, Respondent shall send a written inquiry to the plaintiff/petitioner or the plaintiff/petitioner's attorney to learn the final result and for a copy of the court's decision. If Respondent fails to receive a response to that inquiry within 60 days of the scheduled hearing date, Respondent shall search the court records. If Respondent is unable to learn the final result and obtain a copy of the court's decision within 90 days of the scheduled hearing date, Respondent shall (1) within 100 days of the scheduled hearing date, provide a written explanation to DCA that it was unable to learn the final result or obtain a copy of the court's decision and (2) continue to search the court records every 30 days until it learns the final result of the traverse hearing and is able to obtain a copy of the court's decision.
11. Respondent shall submit a report to the Department by email, to TraverseReports@dca.nyc.gov, using the "Traverse Report Form for Process Servers/Agencies Who Signed a Consent Order". Respondent shall submit the report within ten (10) days of learning the result and shall **attach a copy of the court's decision on the matter**, except that if the written decision is not available when Respondent learns of the court's ruling, Respondent shall submit its report to the

Department first and follow the procedures specified in the previous paragraph to obtain a copy of the court's decision. Respondent shall submit a copy of the court's decision to the Department within ten (10) days of obtaining it.

12. For every traverse hearing scheduled in the future relating to process that was distributed by Respondent for service in New York City, Respondent shall complete an entry on a "Service Investigation Report" form (available on the DCA Process Server Website) within ten (10) days of learning about the traverse hearing. Respondent shall follow every instruction contained in the Service Investigation Report and shall complete the report, including all subsequent updates to the report, truthfully, accurately and completely. Respondent shall maintain all entries on a single report form for at least seven (7) years.
13. Respondent shall maintain all records that it is required to maintain pursuant to the Department's rules and this Consent Order at the address where Respondent is licensed to conduct business as a process serving agency.
14. Respondent shall make all records that it is required to maintain pursuant to the Department's rules and this Consent Order immediately available to the Department's inspectors, upon request, between the hours of 9 a.m. and 5 p.m., Monday through Friday, excluding holidays.
15. Upon written demand or subpoena by the Department, Respondent shall:

 - (ii) provide a written response to each specific demand for records, including the identification of the records produced in response to each numbered demand and, if no records are submitted in response to a particular numbered demand, a detailed explanation of why such records are not being produced.
