

Mizajou enpòtan sou Renouvèlman Lisans

Yon Pwogram Sekou COVID-19 ke Majistra Bill de Blasio siyen nan lalwa, pwolonje dat ekspirasyon lisans yo ak dat limit demand renouvèlman ki kouvri pa Dekrè Egzekitif Ijans (EEO) 107 ak 110 la.

An jeneral, **ekstansyon an aplikab pou lisans ke dat ekspirasyon YO SE 12 mas 2020 oswa aprè**, lè Majistra a te deklare eta dijans la pou premye fwa.

Kikote pou jwenn dat ekspirasyon lisans ou an:

- Dat ekspirasyon lisans lan ekri sou lisans ou an.
 - Pou biznis oswa antrepriz yo, gade kote ki ekri "Expires" sou dokiman lisans ou an.
 - Pou moun, gade kote ki ekri "Expiration Date" ("Dat ekspirasyon") sou lisans ou an (kat ID ou a).
- Ou ka al gade tou nan nyc.gov/BusinessToolbox epi klike sou "Renew" ("Renouvle") pou lis lisans ak dat ekspirasyon yo pou wè si EEO a kouvri sektè oswa endistri ou a.

Sektè ki gen eksepsyon:

- EEO pa kouvri Lisans pou **Ajans Travay** ak **Scrap Metal Processor (Tretè Debri Metalik)**; se lalwa Eta a ki fikse dat ekspirasyon lisans sa yo:
 - Dat ekspirasyon lisans Ajans Travay yo te 1 me 2020.
 - Dat ekspirasyon lisans Scrap Metal Processor yo te 30 jen 2020.
- Si lisans ou an ekspire — sa vle di, dat ekspirasyon an *pa* pwolonje — ou pa ka fonksyone jiskaske ou jwenn lisans ou an renouvle. Anplis de Ajans Travay ak Scrap Metal Processor, endistri oswa sektè ki pa ka fonksyone san yon lisans ki renouvle se:
 - **Huisye Lajistis (Process Server Individual)**
 - **Ajans ki Livre Dokiman Ofisyèl (Process Serving Agency)**
 - **Vandè/Reparatè Ekipman pou Peze oswa Mezire**
- Dat ekspirasyon lisans pou endistri oswa sektè sa yo te 28 fevriye 2020.

Rete enfòmè:

- Siveye nyc.gov oswa nyc.gov/dca pou jwenn mizajou. Yon fwa Vil la bay yon nouvo EEO ki soti kot majistra a ak enstriksyon pou renouvle lisans ou an, lisans ki pwolonje ou an ap ekspire nan 45 jou apre dat EEO majistra a.

Important Update about License Renewal

A COVID-19 Relief Package, signed into law by Mayor Bill de Blasio, extends the license expiration dates and renewal application deadlines covered by Emergency Executive Orders (EEO) 107 and 110.

In general, **the extension applies to licenses with expiration dates ON OR AFTER March 12, 2020** when the Mayor first declared a state of emergency.

Where to Find Your License Expiration Date:

- License expiration date is on your license.
 - For businesses, see “Expires” field on your license document.
 - For individuals, see “Expiration Date” field on your license ID (card).
- You can also visit nyc.gov/BusinessToolbox and click “Renew” for the list of licenses and their expiration dates to see if the EEO covers your industry.

Exception Industries:

- **Employment Agency** and **Scrap Metal Processor** licenses are *not* covered by EEO; these license expiration dates are set by State law:
 - Employment Agency license expiration date was May 1, 2020.
 - Scrap Metal Processor license expiration date was June 30, 2020.
- If your license is expired—that is, the expiration date is *not* extended—you may not operate until you get your renewed license. In addition to Employment Agency and Scrap Metal Processor, industries that may not operate without a renewed license are:
 - **Process Server Individual**
 - **Process Serving Agency**
 - **Scale Dealer Repairer**
- License expiration date for these industries was February 28, 2020.

Stay Informed:

- Monitor nyc.gov or nyc.gov/dca for updates. Once the City issues a new Mayoral EEO with guidance for renewing your license, your extended license will expire 45 days from the date of the Mayoral EEO.
