■ INTENT TO AWARD

Goods and Services

SUNY G-2-G - Government to Government - PIN#R1751040 - Due 3-14-24 at 4:00 P.M.

Service(s): The Office of Student Pathways is requesting to enter into contract with the State University of New York (SUNY) to provide Student Pathways Initiatives. This partnership with the State University of New York (SUNY) will allow students a head start on college and career pathways by providing early college credits for students citywide, increase capacity for work-based learning coordinators, teachers, and college and career advisors to implement career-connected learning and support data sharing protocols between the two agencies.

The Adams-Banks administration has put forward a bold vision to reimagine the educational experience for New York City Public School (NYCPS) students and activate their passion and purpose by connecting to the real world of careers. The goal is to put students on a path to a rewarding career, long-term economic security, and a choice-filled life. Grounded in career-connected learning, the Student Pathways Initiative, and its signature program FutureReadyNYC seeks to ensure NYCPS students graduate with real world skills, a strong plan, and a head start on college and careers. Career-connected learning is an educational model that brings together high schools, postsecondary institutions, and employers to combine classroom instruction with relevant, real-world experiences to prepare students to succeed in a rapidly changing economy.

NYCPS is developing a strategic partnership with SUNY to strengthen college and career pathways given 12% of NYCPS graduates enroll at a SUNY campus each year. NYCPS and SUNY have envisioned multiple initiatives to increase student awareness, access, transition, and completion of 2- and 4-year degrees aligned with in-demand career pathways. NYCPS is prioritizing partnership with institutions of higher education that enroll large numbers of graduates to strengthen advising and accelerated pathways to degrees for students, as well as educator credentialing opportunities in career-connected learning. NYCPS and City University of New York (CUNY) have a longstanding partnership aligned with these goals. As the institution enrolling NYCPS graduates at a rate second only to CUNY, SUNY is a critical partner to support the school system's vision to support students' pathways to long-term economic security.

NYCPS is partnering with SUNY Old Westbury, Oswego and New Paltz institutions with a goal to amplify a shared vision to drive transformative career-connected learning that blurs the lines between high school, college, and career. SUNY and NYCPS will continue to build partnerships with other SUNY institutions such as SUNY Farmingdale. The expanded partnership will increase equitable opportunities for NYCPS students to access career-connected dual-credit courses in high growth pathways while still in high school. These opportunities will allow 200 - 300 students to participate in dual credit course work that is rigorous, and career connected. Additionally, educators will gain upskilling opportunities to learn how to facilitate work-based learning and to strengthen college and career advising.

This partnership will support FutureReadyNYC, a Student Pathways Initiative that integrates the best of college and career preparation, to successfully launch students into strong careers in high-wage, high-demand sectors. NYCPS students will attend schools participating in the FutureReadyNYC program. Each school may have its own process for engaging and recruiting students. The FutureReadyNYC program has an overarching focus on equitable enrollment. The purpose of career-connected learning is that students graduate with academic excellence which is blended with real world skills and experience to have a head start on college and career, and a strong plan towards long-term economic security.

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids

must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established six (6) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting, Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis), Plumbing and Electrical.

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>

STATEMENT OF BASIS AND PURPOSE

Board Rules § 1-02 defines which public servants are charged with “substantial policy discretion” (also known as “policymakers”) for the purposes of City Charter § 2604(b)(12), which prohibits policymakers

from fundraising for the campaigns of City elected officials or candidates for City elected offices; Charter § 2604(b)(15), which prohibits policymakers from holding certain political party positions; Administrative Code § 3-1102(e)(6), which prohibits policymakers from fundraising for legal defense trusts except their own; and Administrative Code § 12-110(b)(3)(a), which requires policymakers to file an annual disclosure report with the Conflicts of Interest Board (the "Board"). Board Rules § 1-02 requires each City agency to make its list of policymakers available to the public, to report that list annually to the Board, and to notify policymakers of the additional restrictions on their political activities found in Charter §§ 2604(b)(12) and 2604(b)(15).

The Board proposes to amend Board Rules § 1-02 for four purposes: first, to make non-substantive improvements to the readability of the definition of policymakers; second, to change the date by which City agencies must report their lists of policymakers to the Board and to add a second reporting date; third, to establish a mechanism by which an agency head can dispute a Board determination to add or remove a policymaker from that agency's list; and, fourth, to codify the current practice that the Board, and not City agencies, notifies policymakers of the additional restrictions on their political activities.

Proposed Board Rules § 1-02(a) would make formatting and other non-substantive changes to the text of the existing definition of who is a policymaker to improve its readability, including by separating into individual subcategories the general definition and the specific positions identified in the Rule.

In proposed Board Rules § 1-02(b), the Board would move the deadline for City agencies to provide their policymakers lists to the Board each year from February 28 to February 7 to coordinate with the administrative need for agencies to identify their required filers in advance of the annual filing period under the Annual Disclosure Law. Additionally, the Board would add a second date (August 7) for City agencies to provide their lists of policymakers. In 1997, the Board amended a prior version of this Rule to change the then real-time reporting requirement to an annual requirement, after finding that the real-time requirement was overly burdensome. The Board has found annual reporting to be too infrequent, resulting in delays in the identification and notification of public servants who are policymakers. Thus, the Board proposes a middle ground by requiring reporting and notification semiannually. Additionally, the Board would add to proposed Board Rules § 1-02(b) a mechanism by which an agency head can dispute a Board determination to add or remove a policymaker from that agency's list, which is missing from existing Board Rules § 1-02.

In proposed Board Rules § 1-02(c), the Board would codify its existing practice of itself, and not City agencies, notifying policymakers of their status under the Rule; the Board has assumed this obligation from City agencies to ensure that the educational purpose of this requirement is fulfilled. Proposed Board Rules § 1-02(b)(2) would codify the Board's current practice of making agencies' policymakers lists public by posting them on the Board's website; the Board has created a centralized place for the public to obtain this information.

Finally, the Board proposes repealing Board Rules § 4-03 because it is redundant to City Administrative Code § 12-110(a)(12), and proposed Board Rules § 1-02 makes clear that its definition applies for the purposes of the Annual Disclosure Law.

- (3) notify these public servants in writing of the restrictions set forth in Charter § 2604(b)(12) and § 2604(b)(15) to which they are subject. If the Conflicts of Interest Board determines that the title, position, or name of any public servant should be added to or deleted from the list supplied by an agency, the Board shall notify the head of the agency involved of that addition or deletion; the agency shall in turn promptly notify the affected public servant of the change.]

(b) [Each agency may make available for public inspection a copy of the most recent list filed by the agency, with any additions or deletions made by the Board pursuant to subdivision (a) of this section.] Reporting. By February 7 and August 7 each year, agency heads must provide to the Board a list of the public servants at their agencies charged with substantial policy discretion. The list must include a current agency organizational chart and the name; office title; agency office, division, or unit; and email address of each public servant charged with substantial policy discretion.

- (1) If the Board determines that a public servant should be added to or removed from this list, the Board shall notify the agency head of that determination. Within 30 days of receipt of the Board determination, an agency head may submit to the Board a written request for reconsideration of the Board's determination.
- (2) Within 30 days of receipt of an agency's list, the Board will post on its website the name; office title; agency; and office, division, or unit of those public servants charged with substantial policy discretion.

(c) Notification. Within 30 days of receipt of an agency's list, the Board will notify in writing those public servants charged with substantial policy discretion that they are subject to the restrictions set forth in Charter § 2604(b)(12) and § 2604(b)(15).
