PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● **Win More Contracts at nyc.gov/competetowin**

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

■ VENDOR LIST

Construction / Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;
- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has begun the Certification process.

Statement of Basis and Purpose

ECB is proposing a rule to modify the Buildings Penalty Schedule, in order to adequately enforce existing laws and rules and reflect changes brought about by Local Law 141 (LL 141), which went into effect on December 31, 2014. LL 141 amended the Administrative Code of the City of New York ("Administrative Code"), the New York City Plumbing Code, the New York City Building Code, the New York City Mechanical Code and the New York City Fuel Gas Code. LL 141 amended existing requirements, added new requirements, and renumbered existing sections of the affected codes. In addition, unrelated to LL 141, ECB proposes to modify the Buildings Penalty Schedule to reflect efforts by the Department of Buildings (DOB) to update existing violations in DOB rules by amending their sections of law and violation descriptions.

The proposed rule includes twelve changes or additions to the Buildings Penalty Schedule, related to:

- obtaining the relevant service equipment Certificate of Compliance prior to operation;
- operating, maintaining, testing, and inspecting elevators and conveying systems (e.g., escalators, moving walkways, chair lifts and amusement devices);
- providing notice when an elevator will be out of service due to repair work;
- tampering, removing, or defacing a Stop Work Order or Vacate Order prior to its rescission by the Commissioner of Buildings;
- failing to obey a Vacate Order;
- failing to conduct or file a final inspection of permitted work with the DOB; and
- damaging or removing trees in a Special Natural Area District without certification, authorization or special permit from the Department of City Planning.

The penalties for these violations fall within the guidelines for their respective classes of violations, as set forth in Section 28-202.1 of the Administrative Code. The statutory maximum for each class of violation is:

- Class 3 (lesser violations) - \$500,
- Class 2 (major violations) - \$10,000, and
- Class 1 (immediately hazardous violations) - \$25,000.

Subject to these statutory maximums, the penalties in the Buildings Penalty Schedule are calculated as follows:

- Where there is no default by a respondent, an Aggravated I Penalty is 2 ½ times the Standard Penalty and an Aggravated II Penalty is five times the Standard Penalty.

- In the case of a default by a respondent, an Aggravated I Default Penalty is ten times the Standard Penalty and an Aggravated II Default Penalty is set at the statutory maximum prescribed under law.
- The Default Penalty is five times the Standard Penalty.

New violations that are not Class 1 (immediately hazardous violations) may be indicated as curable in the penalty schedule.

This proposed rule was not included in ECB's regulatory agenda for this Fiscal Year because it was not contemplated when ECB published the agenda.

Statement of Basis and Purpose

ECB is proposing to amend its Sanitation Penalty Schedule to create penalties for violations of Local Law 67 of 2014 ("Local Law 67"), which relates to publicly accessible collection bins (typically used for clothing donations). ECB is also proposing to create a penalty for violations of 16 RCNY 1-04.2 which prohibits the placement of electronic waste out for solid waste or recycling collection.

Publicly Accessible Collection Bins

On December 14, 2014, Intro. Number 409-A of 2014 became a law, designated as Local Law 67, which will become effective on March 14, 2015. Local Law 67 relates to the regulation of publicly accessible collection bins, which are prohibited from being placed on City property, property maintained by the City, or any public sidewalk or roadway. Bins may be placed on private property if the property owner or the property owner's designated agent provides written permission to the bin owner. Owners of publicly accessible collection bins that operate lawfully on private property are required to place their names, addresses, and telephone numbers on their bins.

When Local Law 67 takes effect on March 14, 2015, DSNY will be authorized to immediately remove any publicly accessible collection bin placed on public property and to issue violations against owners of illegally placed collection bins. Further, owners of bins that are lawfully placed on private property will be required to register and file an annual report with DSNY. Additionally, the bin owner and the private property owner will each be responsible for maintaining the bin in a clean and neat condition. Bin owners who fail to comply with these requirements will be liable for civil penalties.

The new law defines a subsequent offense as a violation issued to the same respondent within any eighteen-month period. The proposed rule reflects this definition.

Electronic Waste

As of January 1, 2015, the New York State Electronic Equipment Recycling and Reuse Act (Chapter 99 of the laws of 2010, codified as Title 26 of Article 27 of the Environmental Conservation Law) prohibits disposal of electronic waste as solid waste in the State of New York. This act prohibits electronic waste from being placed or disposed of in any solid waste management facility, or being placed out for collection for disposal at a solid waste management facility or hazardous waste management facility in the State of New York. Specifically, the law means that residents and businesses may no longer place electronic waste, such as computers and cell phones, for example, out for collection with either regular waste or with recyclables.

Pursuant to section 753 of the New York City Charter, DSNY is responsible for the functions and operations of waste disposal within the City, and has authority under sections 16-118 and 16-120 of the New York City Administrative Code to issue violations to persons who improperly dispose of solid waste. In response to the new law, DSNY promulgated a new rule, 16 RCNY 1-04.2, to prohibit electronic waste from being set out for solid waste or recycling collection in New York City.

ECB's authority for these rules is found in Sections 1043(a) and 1049-a of the New York City Charter and Sections 10-169, 16-118, and 16-120 of the New York City Administrative Code.

DEPARTMENT OF HOUSING PRESERVATION &
DEVELOPMENT (HPD)
OFFICE OF MANAGEMENT AND BUDGET (OMB)
COMMUNITY DEVELOPMENT BLOCK GRANT –
DISASTER RECOVERY PROGRAM

EARLY NOTICE AND PUBLIC REVIEW OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN AND WETLANDS

To: All Interested Agencies, Groups, and Individuals:

This is to give notice that the City of New York ("City") is proposing to undertake activities within a 100-year floodplain relating to the United States Department of Housing and Urban Development's ("HUD") Community Development Block Grant-Disaster Recovery ("CDBG-DR") program. President Obama signed the "Disaster Relief Appropriations Act, 2013" (Public Law 113-2) into law on January 29, 2013. Among other appropriations, the Act included \$16 billion in CDBG-DR funds "for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from Hurricane Sandy". This notice is required by Section 2(a)(4) of Executive Order 11988 for Floodplain Management and is implemented by HUD Regulations found at 24 CFR 55.20(b) for the HUD action that is within and/or affects a floodplain. Under 24 CFR Part 58, the City, as the Recipient of the grant funds, has identified its Office of Management and Budget (OMB) as the Responsible Entity (RE) for maintaining the CDBG-DR Environmental Review Record (ERR).

Projects funded with CDBG-DR would be located in areas of impact from Hurricane Sandy throughout the five Boroughs of New York City. The City anticipates that most of the grant would be targeted toward rehabilitation or reconstruction activities designed to help victims of Hurricane Sandy, including homeowners and tenants of rental properties to achieve permanent, sustainable housing solutions that allow them to remain in New York City, and return to their neighborhoods where possible.

The City's initial allocation of CDBG-DR funds is \$1,772,820,000. Of this total, the City has allocated \$648 million in funding for assistance to address the various unmet housing needs it has identified so far. The focus of this notice is the Multi-family Building Rehabilitation Program, which will be administered by the Department of Housing Preservation & Development ("HPD"). Of the initial \$648 million of CDBG-DR allocated to housing, \$225 million would be provided to HPD for the rehabilitation of multifamily buildings (5+ units) and 3-4 unit buildings that are not owner-occupied. The properties shown below are subject to this public notice:

This public notice and the associated maps for the affected properties listed above are available for viewing using the following link www.nyc.gov/builditback <http://www.nyc.gov/builditback> and then clicking on "Reports and Public Notices".

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information about floodplains can facilitate and enhance Federal efforts to reduce the risks associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk. The 8-Step Decision Making Process includes public notices and the examination of practicable alternatives to building in the floodplain as well as potential mitigation measures. Applicants receiving CDBG-DR construction assistance for residential properties partially or wholly situated within the 100-year floodplain will be required to participate in the National Flood Insurance Program.

HPD is interested in alternatives and public perceptions of possible adverse impacts that could result from these projects as well as potential mitigation measures. The activities will occur in areas served by existing infrastructure. All interested persons, groups and agencies are invited to submit comments regarding the proposed use of federal funds to support a project located in a floodplain. Written comments should be sent to HPD at 100 Gold Street, New York, NY 10038, Attn: Patrick Blanchfield, Director of Environmental Planning, Office of Development, Room 9I-7. Comments may also be submitted electronically to nepa_env@hpd.nyc.gov. All comments must be received on or before the 15th day following the date of this notice.

NOTICE OF CONCEPT PAPER

In advance of the release of the RFP, HRA is issuing a concept paper for the forthcoming Increased Access to Federal Disability Benefits Project RFP as part of an enhancement of HRA's Customized Assistance Services (CAS) Program. CAS is a highly specialized division that helps HRA clients with health and/or mental health or substance use challenges reach their highest attainable level of functioning and self-sufficiency by providing comprehensive, integrated, individualized clinical and support services. As part of the WeCare program, clients receive a continuum of services, including assistance with applications for Federal disability benefits. For those applications that are denied, CAS's Disability Service Program files initial appeals. In the event those appeals are unsuccessful, applicants may request review by the Social Security Administration (SSA) by obtaining legal representatives to pursue an Appeals Council Review (ACR); however, due to insufficient resources and expertise within HRA, representation during the ACR process is currently not provided. The project consists of two program components: the Appeals Council Review and Federal Court services (ACRS) and the Home-based Application Support Services (HASS). In the first component, HRA is seeking one or more qualified legal services providers with the relevant experience and expertise to effectively represent a high volume of clients who have been denied Federal disability benefits. In the second component, HRA is seeking one or more qualified services providers

with experience and expertise in preparing successful SSI applications. Each component will have up to five providers to ensure that clients in each of the five boroughs are adequately served. The informational session will be held on March 25, 2015 from 2:00 - 4:00 P.M. at HRA, 150 Greenwich Street (4WTC), 37th Floor Bid Room, New York N.Y. 10007. The concept paper has been posted on the Agency's website at www.nyc.gov/hra/contracts.

Statement of Basis and Purpose of Proposed Rule

This proposed rule will allow members of the public to use "body boards" at authorized bathing beaches under the Department's jurisdiction.

The proposed rule will:

- Define body boards as being semi-curved rectangular objects made of closed-cell foam designed to be used lying down on the stomach (not for standing on) that are no longer than 46" in length and 24" in width. In addition, body boards must not have rigid or semi-rigid attachments or protrusions that serve as rudders and are used to aid in steering, commonly referred to as "skegs".
- Permit the use of body boards at authorized bathing beaches when bathing is permitted.
- Provide Department personnel discretion to restrict the use of body boards due to on-site conditions.

The Parks Department's authority for these rules is found in sections 389, 533(a)(9) and 1043 of the New York City Charter.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
