EXPERT WITNESS VALIDATION - Negotiated Acquisition - Other - PIN# 06824N0005001 - AMT: \$300,000.00 - TO: Anne H Meltzer PSY

D PC, 15 Leatherstocking Lane, Scarsdale, NY 10583.

ACS seeks authorization to enter into a non-competitive Negotiated Acquisition process with Dr. Anne Meltzer. Family Court Legal Services at ACS utilizes expert validation witnesses to litigate child abuse and neglect cases brought pursuant to Article X of the New York State Family Court Act.

The expertise to validate abuse, as well as to qualify for expert testimony in court, is an extremely limited field. The pool for this particular expertise is particularly small, further magnifying the need to contract. Many experts cannot afford to put in the proper amount of time to review ACS’ cases and come up with a determination that needs to be brought before a court, and Dr. Meltzer is the only validator currently working with ACS who has the specialized expertise, experience, and qualifications to continue to provide this service.

PRE-QUALIFIED LIST (PQL) PROGRAM FOR VARIOUS TRADES

NYCHA is currently accepting applications for Pre-Qualified List (PQL) program for various trades.

A PQL is a tool that NYCHA will use to qualify vendors and contract goods or services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish contracting opportunities, and the PQL will predominantly be used to procure goods or services for those contracts. Vendors who apply to those bids must pre-qualify according to specific criteria, and vendors who are admitted to the PQL can bid on contracts.

Currently NYCHA has established six (6) PQL lists for the Closed-Circuit Television (CCTV), Carpentry, Painting, Lead Based Paint (Assessment and Abatement, Inspection and Assessment & Lab Analysis), Plumbing and Electrical.

All vendors interested in NYCHA's PQLs must follow two (2) important steps:

First, vendors must prepare and submit applications to the PQL: To pre-qualify, vendors must meet the minimum requirements listed on the Request for Qualification of the select PQL. Applications will be evaluated by NYCHA on a rolling basis.

Second, vendors who are admitted to the PQL can then bid on solicitations for services on the PQL: Vendors must bid on each contract award, as these are not guaranteed.

For more information regarding PQLs and to obtain applications, please visit NYCHA's website at: <https://www.nycha.gov/site/nycha/business/nycha-pql.page>

Pursuant to Section 3.05 of the PPB rules, the Mayor's Office of Criminal Justice is requesting a Sole Source Contract with University of Cincinnati Research Institute (hereinafter "UCRI") through its authorized subcontractor, the University of Cincinnati Corrections Institute (hereinafter "UCCI"), for the Supervised Release Program (hereinafter "SRP") for the contract term of July 1, 2023 through June 30, 2025 for a total contract value of \$94,575.00. The Mayor's Office of Criminal Justice (MOCJ) intends to enter into a sole source contract with UCCI to conduct Effective Practices in Community Supervision (hereinafter "EPICS") trainings in furtherance of SRP's upcoming Intensive Case Management Pilot Program (hereinafter the "ICM Pilot Program"). One core component of the ICM Pilot Program is UCCI's EPICS training. Using the EPICS model, UCCI teaches case managers how to apply the principles of effective intervention and core correctional practices to community supervision practices and client

sessions. In doing so, the EPICS model helps people such as parole and probation officers improve their targeting of criminogenic needs of medium to high-risk clients using cognitive-behavioral interventions. With this knowledge, case managers will be better equipped to handle the high needs of the ICM Pilot Program participants so that these participants can better work through their behaviors and choose healthier ones that lead to long-term change.

This is a Sole Source Contract because vendor is the sole owner and proprietor of the copyright in the EPICS model, UC's associated manuals, trainings, and E-learning programs. If you have any questions, please email to twilliams2@mocj.nyc.gov with the subject line "00224Y0203 – EPICS Sole Source" no later than 3/26/24.

Statement of Basis and Purpose of Proposed Rule

Section 19-107.1 of the Administrative Code, as added by Local Law 55 of 2021, requires the Department of Transportation (DOT) to promulgate rules for the Open Streets Program. Pursuant to its rules, DOT has authorized the Mayor’s Office of Citywide Event Coordination and Management (CECM), which oversees the Street Activity Permit Office (SAPO), to promulgate rules relating to the issuance of an Open Streets event permit for activities taking place on a designated Open Street.

Open Street Event

The permanent Open Street Program allows for various activities on Open Streets designated by DOT and encourages local businesses and schools to embrace these new public spaces. These proposed SAPO rules would maximize opportunities for the public to hold events on Open Street locations while also ensuring that the City has advance notice of all Open Street activity so that events may happen in an orderly fashion while also ensuring that the Open Streets remain available for everyday use and enjoyment by the public. In addition, these proposed rules would govern the issuance of permits to hold events on Open Streets, including rules regarding submission and processing of event applications, approval or denial of event applications, appeals of denials of Open Street event permits and fees for the use of Open Streets.

CECM's authority for these rules is found in section 1043 of the New York City Charter, Local Law 8 of 2021, and Executive Order Nos. 100 and 105 of 2007, which established and conferred rulemaking authority upon the Coordinator of Citywide Special Events.

Statement of Basis and Purpose of Proposed Rule

The Commissioner of the New York City Department of Transportation (DOT) is authorized to issue rules regarding parking and traffic operations in the City pursuant to Section 2903(a) of the New York City Charter.

Local Law 55 of 2021 and section 19-107.1 of the Administrative Code of the City of New York authorizes the New York City Department of Transportation (DOT) to issue rules governing the operation and management of open streets, that is, streets or segments of streets within DOT's jurisdiction and designated by DOT where motor vehicle access is restricted or prohibited during certain days and times of the year. This limitation on motor vehicle traffic, in addition to allowing the free circulation of pedestrians, bicyclists and other non-vehicular street users, makes these streets or street segments suitable for various types of events and programming as permitted by the Mayor's Office of Citywide Event Coordination and Management (CECM). DOT has recently issued rules, set forth in section 4-21 of Title 34 of the Rules of the City of New York, generally governing the designation and operation of open streets. DOT now proposes in this proposed rule to authorize CECM through its Street Activity Permit Office (SAPO), which has extensive experience in the management of events and programming on streets within the City, to establish requirements and issue permits for events and activities held on open streets.

Specifically, the amendments being proposed are as follows:

- Amend Section 4-21 to add a new subdivision specifically authorizing CECM to promulgate rules governing the issuance of permits for events and activities on open streets

New material is underlined.

Section 1. Section 4-21 of Title 34 of the Rules of the City of New York is amended by adding a new subdivision (f), to read as follows:

(f) The Mayor's Office of Citywide Event Coordination and Management is hereby authorized to promulgate rules governing the issuance of permits for events and activities taking place on open streets.

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov; and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH), Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
