"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first

complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

ENERGY COUNSEL LEGAL SERVICES STATEMENT OF QUALIFICATIONS - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# 02516X100002 - Due 6-15-16 at 5:00 P.M.

The New York City Law Department (the "Department") seeks proposals from law firms with expertise in energy, utility and rate matters, to provide legal representation, counsel and expertise to the City on these matters, including those related to the implementation of OneNYC, the City's long term vision for a sustainable City. OneNYC lays out certain sustainability goals in many areas, including energy. The proposals must be submitted in the form of responses to the Statement of Qualifications ("SOQ") available from the New York City Law Department.

The Department intends to enter into negotiations with one or more law firms and anticipates awarding one contract for these services in order to insure that the Department's need for experienced and qualified legal services will be met in a timely and cost effective manner. It is anticipated that the term of the contract(s) will be five years, commencing no later than July 1, 2016. All attorneys in the employ of the selected law firm assigned to perform services under this contract shall be members in good standing of the Bar of the jurisdiction in which all relevant proceedings are conducted and, if necessary, shall be admitted to practice before the relevant Federal judicial or administrative body and shall be considered to be key personnel for the purpose of this agreement. Changes or substitutions in key personnel must be approved by the Department. All work performed by associates or paralegals of the firm shall be appropriately supervised under the direction of a member of the firm.

■ VENDOR LIST

Construction/Construction Services

PREQUALIFIED VENDOR LIST: GENERAL CONSTRUCTION - NON-COMPLEX GENERAL CONSTRUCTION SITE WORK ASSOCIATED WITH NEW YORK CITY DEPARTMENT OF PARKS AND RECREATION ("DPR" AND/OR "PARKS") PARKS AND PLAYGROUNDS CONSTRUCTION AND RECONSTRUCTION PROJECTS

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)*;

- 2) The submitting entity must be a registered joint venture or have a valid legal agreement as a joint venture, with at least one of the entities in the joint venture being a certified M/WBE*;
- 3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has began the Certification process.

Application documents may also be obtained on-line at: <http://a856-internet.nyc.gov/nycvendonline/home.asap>; or <http://www.nycgovparks.org/opportunities/business>

AGENCY RULES

BUILDINGS

■ NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts new Section 3301-02 of Chapter 3300 of Title 1 of the Rules of the City of New York, regarding construction superintendents, and repeals Section 1 of Chapter 48 of Title 1 of the Rules of the City of New York.

This rule was first published on 2/29/16 and a public hearing thereon was held on 3/31/16.

Dated: 4/21/16 /s/ Rick D. Chandler, P.E.
New York, NY Commissioner

Statement of Basis and Purpose

This rule repeals Chapter 48 of Title 1 of the Rules of the City of New York relating to construction superintendents, and amends Chapter 3300 of Title 1 of the Rules of the City of New York by adding a new Section 3301-02 in its place.

This rule promotes public safety by adding several requirements that the current rule does not cover and by requiring construction superintendents to supervise construction on a greater range of jobs.

The rule changes the following aspects of the construction superintendent's role:

- **Jobs that require a construction superintendent:** The rule expands the requirement for a construction superintendent to alterations, including alterations of 1-, 2-, and 3-family dwellings, which comprise at least one of the following:
 - vertical or horizontal enlargement;
 - alteration or demolition of more than fifty percent (50%) of the floor area;
 - the removal of one (1) or more floors; or
 - work that requires a special inspection for underpinning or the protection of sides of excavations.

The rule also eliminates overlapping oversight requirements that exist between Chapter 48 and the New York City Construction Codes.

- **Designation of primary and alternate construction superintendents:** The rule requires the permit holder

to immediately notify the Department if the primary construction superintendent is permanently replaced. Further, the rule requires the permit holder to notify the Department if an alternate construction superintendent serves in place of the primary construction superintendent for a period of two or more weeks. These processes mirror those applicable to site safety managers and coordinators.

- **Duties:** The rule expands upon construction superintendents' duties by requiring that construction superintendents, among other duties, visit each job site for which they are responsible each day that active work occurs at the site; inspect every area where work is occurring at each job site during each visit in order to verify compliance with the approved construction documents and Chapter 33 of the New York City Building Code; and designate a competent person who is present at the site at all times work occurs.
- **Log Requirements:** While the repealed rule did not contain any log requirements, the new rule requires that construction superintendents maintain a detailed log of work that occurs at each job site for which they are responsible. The rule details the items construction superintendents must record in this log. This ensures that construction superintendents are actively involved in the work occurring at each job site.
- **Qualifications:** The rule provides that construction superintendents are subject to the licensing provisions of Article 401 of Chapter 4 of Title 28 of the New York City Administrative Code. The rule also makes several changes to the experience and credential requirements construction superintendents must satisfy.
- **Renewal:** While the repealed rule required proof that the renewing construction superintendent had completed a seven-hour Site Safety Manager course approved by the Department, the new rule requires proof that the renewing construction superintendent has completed an eight-hour Site Safety Coordinator course approved by the Department. The rule also provides that renewals are subject to the provisions of Article 401 of Chapter 4 of Title 28 of the New York City Administrative Code. This allows the Department to hold construction superintendents to the same standards as licensees.
- **Discipline:** Under the rule, construction superintendents are subject to the disciplinary provisions of Section 28-401.19 of the New York City Administrative Code, including denial of issuance or renewal of construction superintendent registrations.

The Department of Buildings' authority for this rule is found in Section 643 and 1043(a) of the New York City Charter and Section 3301.3 of the New York City Building Code.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Chapter 48 of Title 1 of the Rules of the City of New York is hereby REPEALED.

§2. Chapter 3300 of Title 1 of the Rules of the City of New York is amended by adding a new Section 3301-02, to read as follows:

§3301-02 Construction Superintendents

(a) Definitions. For the purposes of this section, the following terms shall have the following meanings:

Accident. See Section 3302.1 of the New York City Building Code.

Approved construction documents. For the purpose of this section, approved construction documents will include any and all documents that set forth the location and entire nature and extent of the "work" proposed with sufficient clarity and detail to show that the proposed work conforms to the provisions of this code and other applicable laws and rules. Such documents will include but not be limited to shop drawings, specifications, manufacturer's instructions and standards that have been accepted by the design professional of record or such other design professional retained by the owner for this purpose.

Commissioner. The Commissioner of the Department of Buildings, or his or her designee.

Competent person. See Section 3302.1 of the New York City Building Code.

Construction. See Section 3302.1 of the New York City Building Code.

Construction superintendent. An individual registered with the department and responsible for all duties as defined in this section.

Days. Calendar days, unless otherwise specified.

Demolition. See Section 3302.1 of the New York City Building Code.

Full demolition. See Section 3302.1 of the New York City Building Code.

Partial demolition. See Section 3302.1 of the New York City Building Code.

Department. The Department of Buildings.

Job. A design and construction/demolition undertaking consisting of work at one building or structure, as well as related site improvements and work on accessory structures. A job may consist of one or more plan/work applications, and may result in the issuance of one or more permits.

Permit holder. The individual who receives the primary Department-issued permit for the job.

Registered design professional. See Section 28-101.5 of the Administrative Code.

(b) Designation of construction superintendent.

(1) Jobs for which a construction superintendent is required. A construction superintendent is required for the following types of jobs:

- (i) The construction of a new building;**
- (ii) The full demolition of an existing building;**
- (iii) An alteration to an existing building that involves one or more of the following:**
 - (A) A vertical enlargement;**
 - (B) A horizontal enlargement;**
 - (C) The alteration or demolition of more than fifty percent (50%) of the floor area of the building during the course of work over any twelve (12) month period;**
 - (D) The removal of one (1) or more floors during the course of work over any twelve (12) month period;**
 - (E) Work that requires a special inspection for underpinning; or**
 - (F) Work that requires a special inspection for the protection of sides of excavations.**

(iv) Other jobs that pose an enhanced risk to the public and property, as determined by the commissioner.

Exceptions: Notwithstanding the above, a construction superintendent is not required for:

- 1. A job for which a site safety plan is required;
- 2. The construction of a new 1-, 2-, or 3-family building; or
- 3. A job for which the Department issued or renewed the primary alteration permit within three months of the effective date of this rule.

(2) Designation of a primary construction superintendent. For jobs requiring a construction superintendent, the permit holder must designate a primary construction superintendent, prior to the commencement of work, in a form and manner acceptable to the department.

(3) Change of designation. The permit holder must immediately notify the department, in a form and manner acceptable to the department, of any permanent change to the primary construction superintendent.

(4) Alternate construction superintendent. In the event the primary construction superintendent is temporarily unable to perform his or her duties, an alternate construction superintendent, designated by the permit holder and acceptable to and acting on behalf of the primary construction superintendent, must fulfill the duties of the primary construction superintendent. In the event that an alternate construction superintendent will be acting in place of the primary construction superintendent for a period longer than two consecutive weeks, the permit holder must notify the Department, in a form and manner acceptable to the Department, of such change.

(5) Limitations. An individual may only be designated as a primary or alternate construction superintendent for that number of jobs for which he or she can adequately perform all required duties. No individual may be designated as the primary construction superintendent on more than ten (10) jobs.

(c) Duties of construction superintendent.

- (1) **Safe site.** The construction superintendent must act in a reasonable and responsible manner to maintain a safe job site and assure compliance with Chapter 33 of the New York City Building Code and any rules promulgated thereunder at each job site for which the construction superintendent is responsible.
- (2) **Compliance with plans.** To the extent that a registered design professional or special inspection agency is not responsible, the construction superintendent must assure compliance with the approved construction documents at each job site for which the construction superintendent is responsible.
- (3) **Administrative code duties.** The construction superintendent must fulfill the duties of a superintendent of construction assigned by Chapter 1 of Title 28 of the New York City Administrative Code at each job site for which the construction superintendent is responsible.
- (4) **Daily visit.** Beginning three months after the effective date of this rule, the construction superintendent must visit each job site for which the construction superintendent is responsible each day when active work is occurring.

Exceptions: The construction superintendent is not required to be present at the site during the following activities, provided no other work is in progress:

1. Surveying that does not involve the disturbance of material, structure, or earth;
 2. Use of a hoist to transport personnel only;
 3. Use of a material hoist that is fully enclosed within the perimeter of the building;
 4. Finish trowelling of concrete floors;
 5. When personnel are provided for temporary heat, light, or water; or
 6. Truck deliveries to the site where the sidewalk is closed and the entrance gate is within that closed sidewalk area.
- (5) **Inspection.** Each time the construction superintendent visits a job site for which he or she is responsible, the construction superintendent must inspect all areas and floors where construction or demolition work, and ancillary activity, is occurring, and:
 - (i) Verify work is being conducted in accordance with sound construction/demolition practices;
 - (ii) Verify compliance with the approved construction documents; and
 - (iii) Verify compliance with Chapter 33 of the Building Code and any rules promulgated thereunder.
 - (6) **Correcting unsafe conditions.** In the event the construction superintendent discovers work at a job site for which he or she is responsible that is not being conducted in accordance with sound construction/demolition practices, not in compliance with approved construction documents, or not in compliance with Chapter 33 of the Building Code and any rules promulgated thereunder, the construction superintendent must immediately notify the person or persons responsible for creating the unsafe condition, order the person or persons to correct the unsafe condition, and take all appropriate action to ensure the unsafe condition is corrected. Where an unsafe condition relates to an item which a registered design professional or special inspection agency is responsible for implementing or verifying, the construction superintendent must also notify the responsible registered design professional or special inspection agency of the unsafe condition. All such unsafe conditions, notices, orders, and corrective work must be recorded in the log required by subdivision (d) of this section.
 - (7) **Notification of conditions to the Department.** The construction superintendent must immediately notify the Department, in a form and manner acceptable to the Department, when he or she discovers at any job site for which the construction superintendent is responsible any of the conditions listed in Section 3310.8.2.1 of the New York City Building Code. Notification to the Department does not relieve the construction superintendent of his or her obligations under paragraph (6) of this subdivision.
 - (8) **Reporting of accidents and damage to adjoining property.** The construction superintendent must immediately notify the Department, in a form and manner acceptable to the Department, of any accident at any job site for which the construction superintendent is responsible, or any damage to adjoining property caused by construction or demolition activity at the job site.

(9) **Log.** The construction superintendent must complete the log required by subdivision (d) of this section each time he or she visits a job site for which he or she is responsible.

(10) **Competent person.** The construction superintendent must designate a competent person for each job site for which the construction superintendent is responsible and ensure such competent person is present at the designated job site at all times active work occurs. The designation of a competent person does not alter or diminish any obligation imposed upon the construction superintendent. The competent person must carry out orders issued by the construction superintendent; be able to identify unsanitary, hazardous or dangerous conditions; take prompt corrective measures to eliminate such conditions; immediately report to the construction superintendent accidents at the job site or any damage to adjoining property caused by construction or demolition activity at the job site; and be able to effectively communicate workplace instructions and safety directions to all workers at the site.

(d) **Log.** The construction superintendent must maintain a log at each job site for which the construction superintendent is responsible. Such log must be made available to the commissioner upon request.

(1) **Log contents.** The log, at a minimum, must contain the following information:

- (i) The presence of the construction superintendent at the job site as evidenced by his or her printed name and signature and a notation indicating the times of arrival at, and departure from the site, which must be recorded immediately after arriving at the site and immediately prior to leaving the site, respectively;
- (ii) The general progress of work at the site, including a summary of that day's work activity;
- (iii) The construction superintendent's activities at the site, including areas and floors inspected;
- (iv) Any unsafe condition(s) observed per paragraph (6) of subdivision (c) of this section, and the time and location of such unsafe condition(s);
- (v) Orders and notice given by the construction superintendent per paragraph (6) of subdivision (c) of this section, including the names of individuals issued orders or notices, any refusals to comply with orders or respond to notice given, follow up action taken by the construction superintendent, and where the violation is corrected, the nature of the correction;
- (vi) Any violations, stop work orders, or summonses issued by the department, including date issued and date listed or dismissed;
- (vii) Any accidents; and
- (viii) The name of the competent person designated in accordance with paragraph (10) of subdivision (c) of this section, along with an accompanying signature of the competent person. If the construction superintendent assigns a new competent person, the date and time of this change, along with the name of the new competent person, must be recorded, accompanied by the signature of the new competent person. If the construction superintendent is not at the site when this occurs, the new competent person must instead make the log entry, which the construction superintendent must sign and date upon his or her next visit to the job site.

(2) **Completed.** The construction superintendent must complete the log prior to departing the job site.

(3) **Signed and dated.** The construction superintendent must sign and date each day's log entry.

(4) **Form and manner.** The log must be organized and recorded in a form and manner acceptable to the Department.

(e) **Registration of construction superintendents.** Construction superintendents must be registered with the Department, in accordance with the following provisions.

(1) **Form and manner of registration.** An application for registration as a construction superintendent must be submitted in a form and manner acceptable to Department, and provide such information as the department may require.

(2) **Qualifications.** All applicants for construction superintendent registration are subject to the provisions of Article 401 of Chapter 4 of Title 28 of the New York City Administrative Code and must submit satisfactory proof establishing that the applicant:

- (i) Is able to read construction plans and specifications; and

- (ii) Has satisfactorily completed, within two (2) years prior to the date of application, a course that is at least ten hours (10) in length and approved by the United States Department of Labor Occupational Safety and Health Administration (OSHA) in construction industry safety and health; and also meets one of the following:
- (A) Is a registered design professional and has satisfactorily completed, within one (1) year prior to the date of the application, an 8-hour Site Safety Coordinator course approved by the department;
- (B) Holds a Construction Health and Safety Technician ("CHST") designation from the Board of Certified Safety Professionals ("BCSP") and has satisfactorily completed, within one (1) year prior to the date of the application, an 8-hour Site Safety Coordinator course approved by the department;
- (C) Has five (5) years of experience, within ten (10) years prior to the date of the application, as a building code enforcement official charged with enforcement of the provisions of the New York City Building Code, and has satisfactorily completed, within one (1) year prior to the date of the application, an 8-hour Site Safety Coordinator course approved by the department. The enforcement must have included inspections of buildings under construction or demolition and thus this basis for qualification excludes officials whose primary role is to perform inspections of occupied or vacant buildings;
- (D) Has five (5) years of full time field experience in the United States, within 10 years prior to the date of the application, working on buildings as a safety official for a governmental entity or construction firm or as a safety manager or safety engineer for a safety consulting firm specializing in construction or demolition and has satisfactorily completed, within one (1) year prior to the date of the application, an 8-hour Site Safety Coordinator course approved by the department; or
- (E) Has five (5) years of full time experience in the United States, within ten (10) years prior to the date of the application, as verified by employer affidavit, working with plans in a relevant construction trade in furtherance of the construction, vertical or horizontal enlargement, or full demolition of a building or structure, and has satisfactorily completed, within one (1) year prior to the date of the application, a 40-hour Site Safety Manager course approved by the department.
- (3) **Educational credit.** For purposes of paragraph (2) of this subdivision, each year of full time formal training or education in a program with emphasis on construction at a college, technical or trade school may be substituted for one year of work experience, up to a maximum of three years.
- (4) **Audits.** Applications for registration are subject to audit at any time. An audit may also be made at any time upon receipt of complaints or evidence of falsification.
- (5) **Registration term.** Registrations issued under this section are valid for three years from the date of issuance.
- (6) **Registration fees.** The initial fee for registration in accordance with this section is one hundred dollars (\$100.00).
- (7) **Renewals.**
- (i) Renewals may be subject to the provisions of Article 401 of Chapter 4 of Title 28 of New York City Administrative Code. The fee for timely renewal is fifty dollars (\$50.00). Renewals not submitted in a timely manner will be subject to a late surcharge of fifty dollars (\$50.00).
- (ii) Timely renewal applications must be accompanied by proof that the applicant has, during the one-year prior to renewal, successfully completed an 8-hour Site Safety Coordinator course approved by the department.
- (iii) Renewals not filed within one year of registration expiration will be treated as a new application.
- (8) **Notification of change of address.** Registered construction superintendents must notify the department, in writing, of any address change within thirty (30) days of the change.
- (f) **Disciplinary Actions.** Construction superintendents are subject to the provisions of Section 28-401.19 of the New York City Administrative Code.

- (g) **Cooperation required.** Construction superintendents must comply with the provisions of Section 28-401.20 of the New York City Administrative Code.
- (h) **Obligation of others.** Nothing in this rule is intended to alter or diminish any obligation otherwise imposed by law on others, including but not limited to, the owner, permit holder, construction manager, general contractor, contractor, materialman, architect, engineer, land surveyor, or other party involved in a construction project to engage in sound engineering, design, and construction practices, and to act in a reasonable and responsible manner to maintain a safe job site.

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Promulgation of Rules

NOTICE IS HEREBY GIVEN in accordance with Section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules to allow all Medallion Taxicab Owners to install a TLC-approved In-Vehicle Camera System in lieu of a partition, require that all Medallion Taxicab Owners file an Email address with the Commission, and amend rules specifying when the 496 Accessible Official Taxicab Vehicle waivers may be requested.

These rules are promulgated pursuant to Sections 1043 and 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

These rules were published in The City Record on March 22, 2016 for public comment. On April 21, 2016, a public hearing on these rules was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, New York, and the rules were adopted by the Commission on this same date. Pursuant to Section 1043(e)(1)(c) of the Charter, these rules will take effect 30 days after publication.

Statement of Basis and Purpose of Rules

On January 20, 1994, the Taxi and Limousine Commission ("TLC") adopted rules requiring the installation of driver safety partitions in Medallion Taxicabs.¹ Since then, the rules have been revised a number of times. Today Medallion Taxicabs are the only class of TLC-licensed vehicles subject to a partition requirement. In contrast, owners of both Street Hail Liveries ("SHLs") and Liveries, may install either a partition or an In Vehicle Camera Systems (IVCS).² The remaining classes of vehicles, including the Black Car sector, have no requirement to install either a partition or IVCS.

TLC staff have reviewed recent studies which examined the use of partitions and IVCS in taxis. The studies show that IVCS effectively deter would-be criminals and significantly improve the likelihood that criminals are apprehended and successfully prosecuted. Other studies have also shown that IVCS may decrease incidents of verbal abuse and fare jumping. For these reasons, these rules allow Owners of Medallion Taxicabs to have the same option as the SHL and Livery sectors of installing either a partition or an IVCS. The TLC will monitor the impact of this rule change to ensure that driver and passenger safety is not affected negatively.

The rules also require that Medallion Owners file with TLC a working email address to improve communications between the agency and its licensees.

Finally, the rules allow Medallion Owners to request at any time one of the 496 waivers to hack-up an approved accessible Taxicab vehicle other than the Accessible Official Taxicab Vehicle ("AOTV"). TLC rules previously required that these requests be made at least 120 but no more than 150 days prior to the current vehicle retirement date. Industry stakeholders have requested eliminating this requirement to accommodate those circumstances when a vehicle must be removed from service well in advance of the scheduled retirement date. Medallion Owners receiving these waivers must hack-up their vehicle within 120 days after approval. Waivers not used within the required timeframe will then be returned to the pool of available waivers.

These rules are authorized by Section 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York.

New material is underlined.

[Deleted material is in brackets.]

- §1-17 of the TLC rules, presently codified as §58-35.
- Unlike Taxicabs Owners, TLC rules permit all Owners of SHLs and Liveries, including those leasing their vehicles, to opt for an IVCS in lieu of a partition.

Section 1. Subdivision (a) of Section 58-23 of Title 35 of the Rules of the City of New York is amended to read as follows:

(a) *Mailing and Email Addresses.*

- (1) Each Owner must designate a Mailing Address; this can be the Agent's address but cannot be a post office box number.
- (2) Any communication from the Commission is sufficient if sent to the Mailing Address furnished by the Owner.
- (3) Each individual Owner must also file and maintain with the Commission the Owner's personal mailing address, Email address and a telephone number where the Owner can be reached directly.
- (4) Each Business Entity Owner must also file and maintain with the Commission the personal mailing addresses, Email addresses and telephone numbers of each of Owner's Business Entity Persons.

§58-23(a)(1) – (4)	Fine: \$100	Appearance NOT REQUIRED
--------------------	-------------	-------------------------

- (5) The Commission is not required to send any communication to the Owner's personal address, except when notifying Owner that the License of the Agent designated by Owner has been revoked. Other communications sent to the Owner's personal address are at the discretion of the Commission.
- (6) An Owner must report any change of [Mailing Address] mailing or Email address to the Commission in person or by registered or certified mail within ten days.

§58-23(a)(6)	Fine: \$100	Appearance NOT REQUIRED
--------------	-------------	-------------------------

Section 2. Subdivision (b) of Section 58-35 of Title 35 of the Rules of the City of New York is amended to read as follows:

(b) *[Owner-Drivers] Exemption from Partition Requirement.* [[NOTE: This Exemption is NOT available to the Owner of a Taxicab Hacked-up with an Official Taxicab Vehicle.] An] A Taxicab Owner [of an Independent Medallion Taxicab or a Business Entity owning one or more Medallions] will be exempt from the provisions of subdivision (a) of this section provided [all of the following five conditions are met:

- (1) The Taxicab is driven only by the Owner(s) of the Medallion (including a Business Entity Person of a Business Entity Owner).
- (2) The Taxicab is a vehicle that has not been crash tested with an approved partition pursuant to §67-04 of these Rules.
- (3) There is a Medallion Long Term Driver Affidavit on file with the Commission.
- (4) The] the Taxicab is equipped with the following:
 - (i) (1) The required Trouble Lights
 - (ii) (2) A cellular telephone with an emergency dialing feature.
 - (iii) (3) [A camera approved by the Commission] An approved In-Vehicle Camera System that meets the requirements of §67-12 of these Rules.
- (5) The Owner has not previously been found in violation of this rule with respect to the subject Medallion.
- (6) The Owner has applied for and received a certification of exemption from the Commission.]

Section 3. Subdivision (c) of Section 58-35 of Title 35 of the Rules of the City of New York, setting forth an exception to the partition exemption, is repealed and subdivision (d) is relettered subdivision (c).

Section 4. Paragraph (1) of subdivision (c) of Section 58-35 of Title 35 of the Rules of the City of New York, as re-lettered by section three of this rule, is amended to read as follows:

- (1) A Taxicab with a partition that is equipped with factory installed curtain airbags will be equipped with a modified partition that does not extend the full width of the interior of the Taxicab.

Section 5. Paragraph (3) of subdivision (b) of Section 67-05.1B of Title 35 of the Rules of the City of New York is amended to read as follows:

- (3) Any Unrestricted Medallion owner in good standing who wants to purchase for Hack-up an accessible vehicle that is not an AOTV but that meets the accessible vehicle specifications set forth in Rule 67-05.2 may apply for a one-time waiver of the requirement set forth in paragraph (2) of this subdivision. Such application must be made on a form

and in accordance with instructions that will be made available on the TLC's Web site. [The application must be received by the TLC no less than 120 days prior to the medallion owner's vehicle retirement date, and no more than 150 days prior to such retirement date.] The waiver is non-transferable, and expires if not presented at hack-up within 120 days after issuance.

Section 6. Subdivision (a) of Section 67-10 of Title 35 of the Rules of the City of New York is amended to read as follows:

(a) *Requirement.*

- (1) The vehicle must be equipped with a partition that isolates the driver from the rear seat passengers or all passengers of the vehicle unless the vehicle is exempt from the partition requirement pursuant to §58-35(b) of Chapter 58 of these Rules.
- (2) The purpose of the partition is to provide protection to the driver while ensuring passenger safety and enabling rear seat passengers to enjoy a clear and unobstructed view of the Taxicab Driver's License, Rate Card, and front windshield.
- (3) An owner may apply for a certificate of exemption from the requirement to install a partition upon meeting the general criteria for exemption specified in §58-35(b) of Chapter 58.]

Section 7. Subparagraph (ii) of Paragraph (1) of Subdivision (d) of Section 67-15 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (ii) The monitor has a screen of the size required in §75-25(d)(1) of these Rules. (Exception: In Hybrid Electric Vehicles used as Taxicabs that do not require a partition, Clean Air Taxicabs that do not require a partition, Taxicabs powered by alternate fuel that do not require a partition, and other low emission taxicabs that do not require a partition, the screen size may be less than ten inches but not less than five- and one-half inches measured diagonally.)

Section 8. Subparagraph (iii) of Paragraph (1) of Subdivision (d) of Section 75-25 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (iii) The PIM must be comprised of a touch screen display that is interactive, has audio capability, full-color display, and its measurement must not be greater than 15.5 inches measured diagonally and not less than 10 inches measured diagonally. The screen size may be less than 10 inches but not less than five-and-one-half inches measured diagonally in [the following vehicles that do not require a partition: Hybrid Electric Vehicles used as Taxicabs; Clean Air Vehicles used as Taxicabs; Taxicabs powered by alternative fuel; and other low emission] Taxicabs without a partition;

LATE NOTICE

HEALTH AND MENTAL HYGIENE

■ INTENT TO AWARD

Services (other than human services)

CORRECTION: GEOGRAPHIC INFORMATION SYSTEM SOFTWARE MAINTENANCE - Sole Source - Available only from a single source - PIN# 17MI003801R0X00 - Due 5-12-16 at 10:00 A.M.

CORRECTION: DOHMH intends to enter into a Sole Source contract with Environmental Systems Research Institute Inc. (ESRI) to provide maintenance and technical support services for Geographic Information System (GIS) and all GIS software, data, software extensions and applications. The GIS software is currently being utilized by DOHMH to create maps and perform analyses to make public health decisions and communicate important health information to the residents of NYC. DOHMH has determined that Environmental Systems Research Institute Inc. is the sole provider, as they are the owner and manufacturer of all ESRI products, and is the only entity that provides software maintenance, and technical support to their ESRI products.

Any vendor that believes it can provide the proposed services is welcome to submit an expression of interest via email to jwhite6@health.nyc.gov no later than 5/12/16 by 10:00 A.M. All questions and concerns regarding this sole source should also be submitted via email.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

Health and Mental Hygiene, 42-09 28th Street, 17th Floor, CN 30A, Queens, NY 11101-4132. Jerome White (347) 396-2285; Fax: (347) 396-6758; jwhite6@health.nyc.gov
