- *Win More Contracts, at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed, to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

06821N0039-PAY PER SHIFT AVL CAR SERVICE - Negotiated Acquisition - Other - PIN# 06821N0039 - Due 6-14-21 at 9:00 A.M.

Negotiated Acquisition EXTENSION- Pay per Shift AVL Car Service

A negotiated acquisition extension with the current vendor is necessary to maintain continuity of services until services resulting from a new RFP are put in place, enabling DCP staff to transport clients, parents and guardians to court hearings, medical appointments, school, case investigations, case follow ups, out of office assignments and other mandated and emergency appointments for non-drivers. This contract supplements staff’s ability to transport large

groups to and from Child Advocacy Centers and other venues where use of a vehicle for a full 8-hour shift is warranted.

06821N0038-PAY PER SHIFT BASIC CAR SERVICE - Negotiated Acquisition - Other - PIN#06821N0038 - Due 6-14-21 at 9:00 A.M.

Transportation - Pay per Shift BASIC Car Service. It is necessary for ACS to maintain continuity of services with the current vendor until contracts resulting from a new solicitation are put in place. Maintenance of these services is vital to ACS' operations, as pay-per-shift car service is used 24 hours a day, 365 days a year, enabling DCP staff to transport clients, parents and guardians to court hearings, medical appointments, school, case investigations, case follow ups, out of office assignments and other mandated and emergency appointments for non-drivers. This contract supplements staff's ability to transport large groups to and from Child Advocacy Centers and other venues.

There is a need for ACS to maintain continuity of Pay-per-Shift car service with the current vendor until services resulting from a new comprehensive Transportation RFP are put in place. ACS has already exhausted the 12-month available discretionary amendment for its various Transportation contracts, leaving Negotiated Acquisition Extension as the only means by which services can continue uninterrupted. ACS expects new contracts to be in place by 1/1/2022.

MANAGEMENT AND BUDGET

■ NOTICE

COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM FINAL NOTICE AND PUBLIC EXPLANATION OF A PROPOSED ACTIVITY IN A 100-YEAR FLOODPLAIN

To: All interested Agencies, Groups and Individuals

This is to give notice that the City of New York's Mayor's Office of Management and Budget (OMB) has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under the NYC Department of Housing Preservation and Development's (HPD) Demolition Program and under U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) grant #B-20-MC-36-0104.

The proposed project is, located at 630 Midland Avenue, Staten Island (Richmond County), NY (Block 3875, Lot 26). The subject property is a 17,200-square-foot, two-unit detached brick and frame commercial structure that includes three stories and a basement. The top floor structure exhibits significant signs of fire and water damage and the front awning has partially collapsed. The Supreme Court of the State of New York has found sufficient reason to order the building's demolition, which would include the removal of asbestos-containing materials, hand-demolition of the structure, removal of the foundation, grading the property, replacing the sidewalk, and the safe disposal of all debris in accordance with all applicable rules and regulations.

The building sits on an 8,480-square-foot lot (approximately .19 acres) on the eastern corner of Midland Avenue and Lincoln Avenue.

According to FEMA Flood Insurance Rate Map Panel #3604970329F, the entire site is in the 100-year floodplain. The surrounding community of Midland Beach is a developed, mixed-use area situated in a 100-year floodplain bounded approximately by Miller Field on the south, Seaview Avenue on the north, Hylan Boulevard/Husson Street on the west, and the Franklin D. Roosevelt Boardwalk and Beach on the east.

OMB has considered the following alternatives and mitigation measures to minimize adverse impacts and to restore and preserve natural and beneficial values: taking no action, fencing the property, sealing/stabilizing the building, erecting sidewalk sheds, and rehabilitating the property. The City does not have the legal authority to rehabilitate the property, and none of the remaining alternatives would alleviate the health and safety threat.

OMB has reevaluated the alternatives to demolishing this structure and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988, will be provided for public inspection as noted in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by OMB, at the following address, on or before June 10, 2021: CDBGComments@omb.nyc.gov, or City of New York Mayor's Office of Management and Budget, Attention: Julie Freeman, Director of Community Development, 255 Greenwich Street, 8th Floor, New York, NY 10007.

Additional project information is contained in the Environmental Review Record (ERR). During to the COVID-19 pandemic, the ERR will only be made available to the public for review electronically. Please submit your request, to CDBGComments@omb.nyc.gov.

YOUTH AND COMMUNITY DEVELOPMENT

■ NOTICE

In accordance with section 3-16(j) of the Procurement Policy Board Rules, the Department of Youth and Community Development (DYCD), will be issuing a Concept Paper for My Brother's & Sister's Keeper Youth Council (MBSKYC). MBSKYC program serves up to thirty young people aged 14 to 24. Begun in 2012 as a pilot program, formerly the Mayor's Youth Leadership Council (MYLC), the program offered a small group of twenty high school students the opportunity to formulate a change agenda for the City of New York (City) in a policy area of their choice and to present their recommendations to the mayor. The MBSKYC will share the goals of the original pilot but expand the age range of the youth participants and introduce a community benefit project involving neighborhood-based youth councils affiliated with DYCD.

For more information on this program, you can access the Concept Paper starting June 8, 2021 in the PASSPort system. We encourage those interested in this program to please submit comments via PASSPort by uploading your comments in the questionnaire tab. READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards, and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
