PROCUREMENT

"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)
 Housing and Preservation Department (HPD)
 Human Resources Administration (HRA)
 Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator

Statement of Basis and Purpose of Proposed Rules

The proposed amendments to Chapter 11 of Title 28 of the Rules of the City of New York implement Local Law number 66 for the year 2019 (Local Law 66), which provides for amendment to the definition of lead-based paint once HPD promulgates a rule stating that the federal Department of Housing and Urban Development (HUD) has provided at least one performance characteristic sheet (PCS) approving a commercially available x-ray fluorescence analyzer tested at the level of 0.5 milligrams of lead per square centimeter. HUD has approved a PCS which provides for use of an x-ray fluorescence analyzer (Viken Detection Model Pb200i) to test for lead paint at the level of 0.5 milligrams of lead per square centimeter. Therefore, HPD is amending its lead paint rules to include a statement about HUD’s approval and to incorporate the definition of lead-based paint at the level of 0.5 milligrams of lead per square centimeter, as provided under Local Law 66. The proposed amendments also clarify that the presumption of lead paint will be based upon the new lead paint definition. In addition, under the proposed amendments, owners would be permitted to submit exemption applications using the current lead paint definition until March 1, 2022, as long as the testing for such exemption application was performed prior to December 1, 2021, which is the effective date of the new lead paint definition. The new definition applies to all activities under Article 14 of the Housing Maintenance Code. Additional information about the rule is available under the Local Law and Rules tab on the HPD website: www.nyc.gov/lead-based-paint.

[Deleted material is bracketed]

Section 1. Subdivision (t) of section 11-01 of chapter 11 of title 28 of the rules of the city of New York is amended to read as follows:

(t) **Lead-based paint.** (1) “Lead-based paint” shall mean paint or other similar surface coating material containing 1.0 milligrams of lead per square centimeter or greater, as determined by laboratory analysis, or by an x-ray fluorescence analyzer. If an x-ray fluorescence analyzer is used, readings shall be corrected for substrate bias when necessary as specified by the performance characteristic sheets released by the United States environmental protection agency and the United States department of housing and urban development for the specific x-ray fluorescence analyzer used. X-ray fluorescence readings shall be classified as positive, negative or inconclusive in accordance with the United States department of housing and urban development “Guidelines for the Evaluation and Control of Lead-Based Paint Hazards in Housing” (July 2012) and the performance characteristic sheets released by the United States environmental protection agency and the United States department of housing and urban development for the specific x-ray fluorescence analyzer used. X-ray fluorescence readings that fall within the inconclusive zone, as determined by the performance characteristic sheets, shall be confirmed by laboratory analysis of paint chips, results shall be reported in milligrams of lead per square centimeter and the measure of such laboratory analysis shall be definitive. If laboratory analysis is used to determine lead content, results shall be reported in milligrams of lead per square centimeter. Where the surface area of a paint chip sample cannot be accurately measured or if an accurately measured paint chip sample cannot be removed, a laboratory analysis may be reported in percent by weight. In such case, lead-based paint shall mean any paint or other similar surface-coating material containing more than 0.5 percent of metallic lead, based on the non-volatile content of the paint or other similar surface-coating material.

(2) The federal department of housing and urban development has provided a performance characteristic sheet approving a commercially available x-ray fluorescence analyzer for testing at the level of 0.5 milligrams of lead per square centimeter. Therefore, notwithstanding paragraph (1) of this subdivision, upon the effective date of this paragraph, “lead-based paint” shall mean paint or other similar surface coating material containing 0.5 milligrams of lead per square centimeter or greater, as determined by laboratory analysis, or by an x-ray fluorescence analyzer. X-ray fluorescence readings shall be classified as positive or negative in accordance with such performance characteristic sheet or other guidance. If laboratory analysis is used to determine lead content, results shall be reported in milligrams of lead per square centimeter. Where the surface area of a paint chip sample cannot be accurately measured or if an accurately measured paint chip sample cannot be removed, a laboratory analysis may be reported in percent by weight. In such case, lead-based paint shall mean any paint or other similar surface-coating material containing more than 0.25 percent of metallic lead, based on the non-volatile content of the paint or other similar surface-coating material.

§2. Subdivisions (a), (b), and (c) of section 11-07 of chapter 11 of title 28 of the rules of the city of New York are amended to read as follows:

§11-07 Presumption.

(a) In any multiple dwelling erected prior to January first, nineteen hundred sixty, it shall be presumed that the paint or other similar surface-coating material in any dwelling unit where a child of applicable age resides or in the common areas of such multiple dwelling is lead-based paint if such paint or other similar surface-coating material has not been tested by an x-ray fluorescence analyzer and measured to be negative for lead-based paint or has been tested by an x-ray fluorescence analyzer as described in subdivision (t)(2) of section 11-01 of these rules and such test result is inconclusive, and a laboratory analysis of a paint chip sample has not been performed or has not measured such sample to be negative for lead-based paint.

(b)(1) The presumption established in this section may only be rebutted as provided in paragraph (2) of this subdivision by the registered owner, registered officer or director of a corporate owner or by a registered managing agent of such multiple dwelling by submitting to the department:

(i) a sworn written statement, supported by lead-based paint testing or sampling results, including a description of the testing methodology and manufacturer and model of instrument used to perform such testing or sampling;

(ii) a sworn written statement by the person who performed the testing if performed by an employee or agent of the owner which shall include a copy of the certificate of training as a certified lead-based paint inspector or risk assessor as provided in subdivision (d) of this section;

(iii) a copy of the inspection report provided by the person who performed the testing or sampling which shall include a description of the surfaces in each room where such testing or sampling was performed; and

(iv) a copy of the results of such testing and/or such laboratory tests of paint chip samples performed by an independent laboratory certified by the state of New York where such testing has been performed.

(2) Such written statement and all supporting documentation shall be submitted to the department not later than [six (6) days before] the date set for correction in the notice of violation in accordance with paragraph (1) of this subdivision, and may only be submitted to rebut the presumption where the department has not performed an XRF test prior to issuing such violation or where the department has performed an XRF test with a result classified as inconclusive for lead-based paint. [Receipt by the department of a complete application in accordance with this subdivision including such written statement and such supporting documentation shall toll the time period to correct the violation. Receipt of an incomplete application shall not toll the time period for correction of the violation.]

(3) The department shall notify the registered owner, registered officer or director of a corporate owner or registered managing agent of such multiple dwelling of its determination in writing[, and, if the department determines that such presumption has not been rebutted, such notice shall set a date for correction of the violation].

(c) Where testing or sampling is performed to rebut the presumption established in this section, the performance of such testing shall be in accordance with the applicable definition for lead-based paint established in §11-01(t) of these rules and §27-2056.2(7) of article 14 of the housing maintenance code. Laboratory analysis for paint chip samples shall be permitted only where XRF tests fall within the inconclusive zone for the particular XRF machine or where the configuration of the surface or component to be tested is such that an XRF machine cannot accurately measure the lead content of such surface or component. Laboratory tests of paint chip samples, where performed, shall be reported in mg/cm², unless the surface area of a paint chip sample cannot be accurately measured, or if an accurately measured paint chip sample cannot be removed, in which circumstance the laboratory test may be reported in percent by weight as provided in such lead-based paint definition. Where paint chip sampling has been performed, the sworn written statement by the person who performed the testing shall include a statement that such sampling was done in accordance with 40 CFR §745.227 or successor provisions.

§3. Subdivisions (b), (e), and (f) of section 11-08 of chapter 11 of title 28 of the rules of the city of New York are amended to read as follows:

§11-08 Exemption from Presumption—Lead Free and Lead Safe.

(b) (1) Lead Free Exemption. A lead free exemption will be granted where such owner or such other person specified in subdivision (a) of this section submits a written determination made by a lead-based paint inspector or risk assessor certified pursuant to subparts L and Q of 40 CFR part 745 or successor provisions, and in accordance with 40 CFR §745.227(b), or Chapter 7 of the department of housing and urban development’s Guidelines for Evaluation and Control of Lead-Based Paint Hazards in Housing (2012), that each tested surface and component in each dwelling unit in such multiple dwelling or in the individual dwelling unit, if applying for an exemption of a particular dwelling unit in such multiple dwelling, or in a common area of a multiple dwelling, (i) is free of lead-based paint, [as defined] in accordance with the applicable definition for lead-based paint established in §11-01(t) of these rules and §27-2056.2(7) of article 14 of the housing maintenance code, or (ii) has been made free of lead-based paint through the complete removal of lead-based paint from any surface or component, or the removal or replacement of any surface or component that may have contained lead-based paint. In applying for a lead free exemption, such owner or other specified person shall confirm in the exemption application that, to the best of his or her knowledge, no surfaces in the dwelling unit, dwelling, or common area for which the exemption is sought that contain paint have been encapsulated or contained.

(2) Lead Safe Exemption. A lead safe exemption will be granted where the owner or such other person specified in subdivision (a) of this section submits a written determination made by a lead-based paint inspector or risk assessor certified pursuant to subparts L and Q of 40 CFR part 745 or successor provisions, and in accordance with 40 CFR §745.227(b), or Chapter 7 of the department of housing and urban development’s Guidelines for Evaluation and Control of Lead-Based Paint Hazards in Housing (2012), that lead-based paint, in accordance with the applicable definition for lead-based paint established in §11-01(t) of these rules and §27-2056.2(7) of article 14 of the housing maintenance code, on each surface and component (i) in each dwelling unit from which lead-based paint was not fully removed or replaced, or (ii) in each dwelling unit in a property if the exemption is based upon the appropriate sampling combination of components and surfaces in each unit, or (iii) in a common area of a multiple dwelling, has been contained so that each surface tested is negative for such lead-based paint or has been encapsulated. For purposes of this section, the term

“contained” shall mean that every surface containing lead-based paint has been temporarily covered, enclosed and sealed with sheetrock or similar durable construction material to eliminate gaps which may allow access to or dispersion of dust or other matter from the underlying surface.

(e)(1) Upon submission of a complete application for exemption to the department, such multiple dwelling or common area or other part thereof, or dwelling unit, the department shall review such application and notify the applicant whether the multiple dwelling, or common area or other part thereof, or dwelling unit, has been granted a lead safe or lead free exemption from application of the presumption established under article 14 of the housing maintenance code and §11-07 of these rules.

(2)(i) The department may revoke a lead safe exemption granted pursuant to this section where the department determines, after inspection, that a surface in any dwelling unit for which lead-based paint was contained or to which an encapsulant was applied is no longer intact or sealed.

(ii) The department may revoke a lead safe or lead free exemption upon failure by an owner to provide records related to encapsulation or containment monitoring as requested by the Department.

(3) The department shall revoke a lead safe or lead free exemption upon the:

(i) issuance of a denial of a rebuttal of a lead-based paint violation based upon the presumption of lead paint for such dwelling unit filed pursuant to subdivision a of section 27-2056.5 where the department finds that lead-based paint was present on a surface that was subject to such exemption,

(ii) issuance of a lead-based paint violation based upon testing by the department for such dwelling unit,

(iii) issuance of an order to abate lead-based paint hazards or unsafe lead-based paint by the department of health and mental hygiene,

(iv) issuance of a denial of an objection to such a commissioner’s order to abate filed pursuant to section 173.13 of the health code, or

(v) issuance of a determination that the exemption was based upon fraud, mistake, or misrepresentation.

(4) For exemptions that were approved prior to [the effective date of the rule promulgated by the department pursuant to paragraph (b) of subdivision (7) of section 27-2056.2 of the administrative code] December 1, 2021 pursuant to the definition of lead-based paint in paragraph (a) of subdivision (7) of section 27-2056.2 of the administrative code and subdivision (t)(1) of section 11-01 of these rules, a lead free or lead safe exemption shall be deemed revoked upon the turnover of a dwelling unit [on or after such effective date and subject to subdivision (f) of this section] on or after December 1, 2021. Owners may continue to submit applications for exemptions using the definition of lead-based paint in paragraph (a) of subdivision (7) of section 27-2056.2 of the administrative code and paragraph (1) of subdivision (t) of section 11-01 of these rules, if the testing for lead-based paint was conducted prior to December 1, 2021, and the complete application for exemption is submitted to the department on or before March 1, 2022 and there was no turnover of the unit between December 1, 2021 and March 1, 2022. Exemptions that are granted using such definition shall be deemed revoked upon the turnover of a dwelling unit after December 1, 2021.

(f)(1) On or after [the effective date of the rule promulgated by the department pursuant to paragraph (b) of subdivision (7) of section 27-2056.2 of the administrative code] December 1, 2021, an owner who had received a lead free or lead safe exemption prior to such date must notify the department whenever an exempted unit becomes vacant. The exemption from the presumption for such vacant unit shall be deemed revoked on the date of the vacancy, regardless of whether an owner has failed to provide the required notification, and such unit shall be subject to all of the requirements of law relating to units that are not exempt from the presumption of lead-based paint. The owner of such unit may apply for a new exemption by submitting an application as provided in this section, and the testing required pursuant to this section shall be performed using the definition of lead-based paint in effect on and after [such date] December 1, 2021.

(2) An owner may also apply for a lead free or lead safe exemption [for the first time] on or after [the effective date of the rule promulgated by the department pursuant to paragraph (b) of subdivision (7) of section 27-2056.2 of the administrative code as provided in this section] November 1, 2021, and the testing required pursuant to this section shall be performed using the definition of lead-based paint [in effect on and after such date] in paragraph (b) of subdivision (7) of section 27-2056.2 of the administrative code and paragraph (2) of subdivision (t) of section 11-01 of these rules.

§3. This rule shall take effect on December 1, 2021, provided, however, that paragraph (2) of subdivision (f) of section 11-08 of these rules shall be deemed to have been in effect on November 1, 2021 for purposes of submission of exemption applications.

TAXI AND LIMOUSINE COMMISSION

■ NOTICE

Notice of Promulgation of Rules

NOTICE IS HEREBY GIVEN in accordance with section 1043(b) of the New York City Charter (“Charter”) that the Taxi and Limousine Commission (“TLC”) promulgates amendments to its rules regarding the battery electric vehicle exception to the for-hire vehicle license issuance pause. The promulgated rules eliminate the exception and require the TLC to consider issues surrounding battery electric vehicles when determining how many for-hire vehicle licenses to issue every six months.

This rule is promulgated pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York. This rule was published in the City Record on May 20, 2021 for public comment. On June 22, 2021, a public hearing was held virtually by the TLC and the rule was adopted by the Commission at the June 22, 2021 Commission meeting. Pursuant to section 1043(f)(1)

(d) and the Statement of Substantial Need for Earlier implementation attached to this notice, this rule will take effect immediately upon publication in the City Record.

Statement of Basis and Purpose

On August 7, 2019, the New York City Taxi and Limousine Commission (TLC) adopted rules implementing Local Law 147 of 2018. Local Law 147 paused the issuance of new FHV licenses for one year and gave TLC the authority to determine whether to authorize any additional FHV licenses after that time and, if it determined that such additional licenses were warranted, to establish their number. The rules issued by TLC, among other things, provided that the pause on the issuance of new For-Hire Vehicle (FHV) licenses would remain in effect, and required the TLC to review the current number of existing FHV licenses every six months and, on the basis of such review, to determine the number of new FHV licenses, if any, the TLC will issue over the next six months.

TLC's rules followed a study of traffic congestion in NYC, conducted by TLC and the New York City Department of Transportation pursuant to Local Law 147. The study found that FHVs were a significant contributor to traffic congestion in Manhattan and was the basis of TLC's determination that the pause on the issuance of new FHV licenses should remain in effect. However, in keeping the pause in effect, TLC exempted licenses issued to wheelchair accessible vehicles (WAVs) and battery electric vehicles (BEVs) from the licensing pause, permitting the issuance of new FHV licenses to such vehicles.

The TLC requires all FHV bases to provide wheelchair accessible service and, as such, TLC permitted the continued issuance of FHV licenses to wheelchair accessible vehicles. In contrast, the TLC does not require any individual driver or FHV base to use battery electric vehicles, nor does Local Law 147 require the continued issuance of FHV licenses to BEVs. The exemption for BEVs was meant to provide a limited means for FHV drivers who did not possess their own FHV license to be able to obtain an FHV license without significantly increasing greenhouse gas emissions, one of the negative consequences of licensing a new vehicle. In 2019 when TLC issued the rules, BEVs, while not novel, were relatively rare and not widely commercially available. The TLC anticipated that a minimal number of new BEVs would be added to the FHV fleet.

However, since the enactment of the FHV licensing pause, TLC has issued nearly 400 new FHV licenses under the BEV exception. As charging infrastructure is constructed throughout the City and as BEVs become more commercially available, TLC anticipates the number of applications for a new FHV license under the BEV exemption will likely increase exponentially. In order to prevent what was meant as a limited exemption to the FHV licensing pause from subverting the goals of the original pause, these rules eliminate the exemption for battery electric vehicles and make the issuance of FHV licenses to BEVs part of the semi-annual review of FHV licenses TLC is required to conduct.

Eliminating the exemption will better align TLC's FHV license issuance policy with two of the important goals of the licensing pause: reducing traffic congestion and greenhouse gas emissions. Current FHV license holders will still be allowed, as they have always been allowed, to transfer their FHV licenses from their current vehicles to BEVs. Traffic reduction and greenhouse gas emission reduction is best achieved by replacing the current fleet of greenhouse gas emitting FHVs with battery electric vehicles, not by adding new FHVs to the existing fleet of vehicles. Adding more vehicles to the FHV fleet, battery electric or otherwise, will increase traffic congestion and, in doing so, slow the movement of traffic and increase greenhouse gas emissions. Eliminating this exemption and incorporating the issuance of FHV licenses to BEVs into its biannual review of all FHV licenses will allow TLC to better control the impact of an increase in vehicles, including BEVs, on traffic congestion and greenhouse gas emissions.

TLC's authority for these rules is found in section 2303 of the New York City Charter and section 19-503 of the New York City Administrative Code.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Paragraphs (1) and (2) of subdivision (a) of section 59A-06 of Title 35 of the Rules of the City of New York is amended to read as follows:

- (a) *New License*. The term of a new For-Hire Vehicle License is two years.
 - (1) *New License Issuance*. One year following the effective date of this rule, and every six months thereafter, the Commission will review the number of For-Hire Vehicle Licenses, pursuant to section 19-550(b)(2) of the Administrative Code of the City of New York and

determine the number of For-Hire Vehicle Licenses, if any, to issue in the six (6) months following such review and the types of vehicles to which the Commission will issue such new Licenses. In reviewing the number of Licenses to issue in the next six months, the Commission will review congestion levels, driver pay, License attrition rates, outer borough service, availability and demand for battery electric vehicles, availability of battery electric vehicle charging infrastructure, and any other information it deems relevant to determine the number of Licenses to issue. The results of such review, and the number of new For-Hire Vehicle Licenses the Commission will issue, will be posted on the Commission's website. The Commission will not issue new For-Hire Vehicle Licenses until such time as it completes its first review of the number of For-Hire Vehicle Licenses pursuant to this section.

- (2) *Exceptions*. [Prior to the results of the first review performed pursuant to] Notwithstanding paragraph (1) of this subdivision, the Commission will continue to issue new Licenses to:
 - (i) Wheelchair accessible vehicles, and
 - (ii) [Battery electric vehicles, and
 - (iii)] An applicant who possesses a TLC Driver's License, provides written proof that the applicant entered into a lease for the use of a licensed for-hire vehicle that contains a conditional purchase agreement for the vehicle prior to August 14, 2018, and demonstrates that the term of such lease is no less than two (2) years.

Statement of Substantial Need for Earlier Implementation

I hereby find, pursuant to Section 1043(f)(1)(d) of the New York City Charter, that there is a substantial need for the implementation of the rule eliminating the Battery Electric Vehicle exception to the For-Hire Vehicle License issuance pause immediately upon publication of the promulgated rule in the City Record.

On August 7, 2019, the New York City Taxi and Limousine Commission (TLC) adopted rules implementing Local Law 147 of 2018. Local Law 147 paused the issuance of new FHV licenses for one year and gave TLC the authority to determine whether to authorize any additional FHV licenses after that time and, if it determined that such additional licenses were warranted, to establish their number. In maintaining the pause, the TLC exempted licenses issues to battery electric vehicles (BEVs), permitting the issuance of new FHV licenses to such vehicles.

While TLC anticipated the BEV exception to yield a minimal number of new FHV licenses, since the enactment of the FHV licensing pause, TLC has issued nearly 400 new FHV licenses under the BEV exception. As charging infrastructure is constructed throughout the City and as BEVs become more commercially available, TLC anticipates the number of applications for a new FHV license under the BEV exception will likely increase exponentially.

By this rule, the TLC will close the BEV exception to the FHV licensing pause to ensure the FHV licensing pause is not undercut by the proliferation of new vehicles added to the fleet. Immediate implementation of this rule is necessary to prevent such growth in the size of the for-hire vehicle fleet, which would undercut the very purpose of eliminating the exception.

This concept paper is being offered to inform New York City community-based organizations and the general public of a Request for Proposals (RFP) that ACS expects to release in the summer of 2021 and to solicit feedback to inform the development of the RFP.

The RFP will seek appropriately qualified organizations to provide year-round support services (e.g. career readiness, work readiness, career pathways, vocational education and training, labor market readiness, and life skills) to youth ages 14-23, in ACS' Secure and Specialized Detention (SD/SSD) and Limited Secure Placement (LSP) facilities.

ACS is seeking to establish a Workforce Development program that utilizes professional staff and providers to offer high-quality education and/or training programs to youth to promote opportunities for career development. Focusing on a holistic approach, these activities will enable youth to develop competencies to imagine their career interests and promote pathways to pursue them.

To submit feedback on this Concept Paper, please submit your comments through the PASSPort system either by submitting a response in the Manage Responses tab or submitting a comment/question in the Discussion Forum.

Employees may at any time informally discuss with their supervisors a matter which may become a grievance. If the results of such a discussion are unsatisfactory, the employees may present the grievance at Step I. All grievances must be presented in writing at all steps in the grievance procedure. For all grievances as defined in Section 1(c), no monetary award shall in any event cover any period prior to the date of the filing of the Step I grievance unless such grievance has been filed within thirty (30) days of the assignment to alleged outofitle work. No monetary award for a grievance alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be issued unless such grievance has been filed within the time limitation set forth in Step I below for such grievances; if the grievance is so filed, any monetary award shall in any event cover only the period up to six years prior to the date of the filing of the grievance.

STEP I

The Employee and/or the Union shall present the grievance in the form of a memorandum to the person designated for such purpose by the agency head no later than 120 days after the date on which the grievance arose except that grievances alleging a miscalculation of salary rate resulting in a payroll error of a continuing nature shall be presented no later than 120 days after the first date on which the grievant discovered the payroll error. The Employee may also request an appointment to discuss the grievance and such request shall be granted. The person designated by the Employer to hear the grievance shall take any steps necessary to a proper disposition of the grievance and

shall issue a determination in writing by the end of the third work day following the date of submission.

The following STEP I(a) shall be applicable only in the New York City Health + Hospitals in the case of grievances arising under Section 1(a) through 1(c) of this Article and shall be applied prior to Step II of this Section:

The Employer shall commence such arbitration by submitting a written request therefor to the Office of Collective Bargaining. A copy of the notice requesting impartial arbitration shall be forwarded to the opposing party. The arbitration shall be conducted in accordance with Title 61 of the Rules of the City Of New York. The arbitrator's award shall be final and binding and enforceable in any appropriate tribunal in accordance with Article 75 of the Civil Practice Law and Rules. The arbitrator may provide for and direct such relief as the arbitrator deems necessary and proper, subject to the limitations set forth above and any applicable limitations of law.

Section 3.

As a condition to the right of the Union to invoke impartial arbitration set forth in this Article, including the arbitration of a grievance involving a claimed improper holding of an opencompetitive rather than a promotional examination, the Employee or Employees and the

Union shall be required to file with the Director of the Office of Collective Bargaining a written waiver of the right, if any, of the Employee(s) and the Union to submit the underlying dispute to any other administrative or judicial tribunal except for the purpose of enforcing the arbitrator's award.

Section 4.

- a. Any grievance under Section 1 (d) relating to a claimed improper holding of an opencompetitive rather than a promotional examination shall be presented in writing by the Employee or the Union representative to the Commissioner of Labor Relations not later than thirty (30) days after the notice of the intention to conduct such opencompetitive examination, or copy of the appointing officer's request for such opencompetitive examination, as the case may be, has been posted in accordance with Section 51 of the Civil Service Law. The grievance shall be considered and passed upon within ten (10) days after its presentation. The determination shall be in writing, copies of which shall be transmitted to both parties to the grievance upon issuance.

Section 5. Disciplinary Procedure for Permanent Competitive Employees

In any case involving a grievance under Section 1 (e) of this Article, the following procedure shall govern upon service of written charges of incompetence or misconduct:

STEP A Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

If the Employee is satisfied with the determination in STEP A above, the Employee may choose to accept such determination as an alternative to and in lieu of a determination made pursuant to the procedures provided for in Section 75 of the Civil Service Law or the Rules and Regulations of the New York City Health + Hospitals. As a condition of accepting such determination, the Employee shall sign a waiver of the Employee's right to the procedures available to him or her under Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the New York City Health + Hospitals.

STEP B (i) If the Employee is not satisfied with the determination at STEP A above then the Employer shall proceed in accordance with the disciplinary procedures set forth in Section 75 of the Civil Service Law or the Rules and Regulations of the New York City Health + Hospitals. As an alternative, the Union with the consent of the Employee may choose to proceed in accordance with the Grievance Procedure set forth in this Agreement, including the right to proceed to binding arbitration pursuant to STEP IV of such Grievance Procedure. As a condition for submitting the matter to the Grievance Procedure the Employee and the Union shall file a written waiver of the right to utilize the procedures available to the Employee pursuant to Sections 75 and 76 of the Civil Service Law or the Rules and Regulations of the New York City Health + Hospitals or any other administrative or judicial tribunal, except for the purpose of enforcing an arbitrator's award, if any. Notwithstanding such waiver, the period of an Employee's suspension without pay pending hearing and determination of charges shall not exceed thirty (30) days.

STEP B (ii) If the election is made to proceed pursuant to the Grievance Procedure, an appeal from the determination of STEP A above, shall be made to the agency head or designated representative. The appeal must be made in writing within five (5) work days of the receipt of

the determination. The agency head or designated representative shall meet with the Employee and the Union for review of the grievance and shall issue a determination to the Employee and the Union by the end of the tenth work day following the day on which the appeal was filed. The agency head or designated representative shall have the power to impose the discipline, if any, decided upon, up to and including termination of the accused Employee's employment. In the event of such termination or suspension without pay totaling more than thirty (30) days, the Union with the consent of the grievant may elect to skip STEP C of this Section and proceed directly to STEP D.

STEP C If the grievant is not satisfied with the determination of the agency head or designated representative the grievant or the Union may appeal to the Commissioner of Labor Relations in writing within ten (10) days of the determination of the agency head or designated representative. The Commissioner of Labor Relations shall issue a written reply to the grievant and the Union within fifteen (15) work days.

STEP D If the grievant is not satisfied with the determination of the Commissioner of Labor Relations, the Union with the consent of the grievant may proceed to arbitration pursuant to the procedures set forth in STEP IV of the Grievance Procedure set forth in this Agreement.

Section 6. Disciplinary Procedure for NonCompetitive Employees

In any case involving a grievance under Section 1(f) of this Article, the following procedures shall govern upon service of written charges of incompetence or misconduct:

STEP I Following the service of written charges, a conference with such Employee shall be held with respect to such charges by the person designated by the agency head to review a grievance at STEP I of the Grievance Procedure set forth in this Agreement. The Employee may be represented at such conference by a representative of the Union. The person designated by the agency head to review the charges shall take any steps necessary to a proper disposition of the charges and shall issue a determination in writing by the end of the fifth day following the date of the conference.

STEP II If the Employee is dissatisfied with the determination in Step I above, he or she may appeal such determination. The appeal must be made within five (5) working days of the receipt of such determination. Such appeal shall be treated as a grievance appeal beginning with Step II of the Grievance Procedure set forth herein.

Section 7. Disciplinary Procedure for Provisional Employees

In any case involving a grievance under Section 1(h) of this Article, all terms of the "Disciplinary Procedure for Provisional Employees", as set forth in the agreements between DC 37 and the City of New York dates August 30, 2011 and any subsequent agreements, shall govern.

Section 8. Group Grievances

A grievance concerning a large number of Employees and which concerns a claimed misinterpretation, inequitable application, violation or failure to comply with the provisions of this Agreement may be filed directly at STEP III of the grievance procedure except that a grievance concerning Employees of the New York City Health + Hospitals may be filed directly at STEP II of the grievance procedure. Such "group" grievance must be filed no later than 120 days after the date on which the grievance arose, and all other procedural limits, including time limits, set forth in this Article shall apply. All other individual grievances in process concerning the same issue shall be consolidated with the "group" grievance.

Section 9.

If a determination satisfactory to the Union at any level of the Grievance Procedure is not implemented within a reasonable time, the Union may reinstitute the original grievance at STEP III of the Grievance Procedure; or if a satisfactory STEP III determination has not been so implemented, the Union may institute a grievance concerning such failure to implement at STEP IV of the Grievance Procedure.

Section 10.

If the Employer exceeds any time limit prescribed at any step in the Grievance Procedure, the grievant and/or the Union may invoke the next step of the procedure, except that only the Union may invoke impartial arbitration under STEP IV.

Section 11.

The Employer shall notify the Union in writing of all grievances filed by Employees, all grievance hearings, and all determinations. The Union shall have the right to have a representative present at any grievance hearing and shall be given fortyeight (48) hours' notice of all grievance hearings.

Section 12.

Each of the steps in the Grievance Procedure, as well as time limits prescribed at each step of this Grievance Procedure, may be waived by mutual agreement of the parties.

Section 13.

A nonMayoral agency not covered by this Agreement but which employs Employees in titles identical to those covered by this Agreement may elect to permit the Union to appeal an unsatisfactory determination received at the last step of its Grievance Procedure prior to arbitration on fiscal matters only to the Commissioner of Labor Relations. If such election is made, the Union shall present its appeal to the Commissioner of Labor Relations in writing within ten (10) work days of the receipt of the last step determination. The Union should submit copies of the grievance filings at the prior steps of its Grievance Procedure and any agency responses thereto. Copies of such appeals shall be sent to the agency head. The Commissioner of Labor Relations, or the Commissioner's designee, shall review all such appeals and answer all such appeals within fifteen (15) work days. An appeal from a determination of the Commissioner of Labor Relations may be taken to arbitration under procedures, if any, applicable to the nonMayoral agency involved.

Section 14.

The grievance and the arbitration procedures contained in this Agreement shall be the exclusive remedy for the resolution of disputes defined as "grievances" herein. This shall not be interpreted to preclude either party from enforcing the arbitrator's award in court. This Section shall not be construed in any manner to limit the statutory rights and obligations of the Employer under Article XIV of the Civil Service Law.

Section 15. Expedited Arbitration Procedure.

- a. The parties agree that there is a need for an expedited arbitration process which would allow for the prompt adjudication of grievances as set forth below.
- b. The parties voluntarily agree to submit matters to final and binding arbitration pursuant to the New York City Collective Bargaining Law and under the jurisdiction of the Office of Collective Bargaining. An arbitrator or panel of arbitrators, as agreed to by the parties, will act as the arbitrator of any issue submitted under the expedited procedure herein.
- c. The selection of those matters which will be submitted shall include, but not limited to, out-of-title cases concerning all titles, disciplinary cases wherein the proposed penalty is a monetary fine of one week or less or written reprimand, and other cases pursuant to mutual agreement by the parties. - (3) If a case is not proposed by the Deputy Chairperson for expedited handling, either party may, at any time prior to the scheduling of an arbitration hearing date for such case, request in writing to the other party and to the Deputy Chairperson of Disputes of the Office of Collective Bargaining that said case be submitted to the expedited procedure. The party receiving such request shall have ten business days from the receipt of the request to raise any objections thereto.
- (4) No case shall be submitted to the expedited arbitration process without the mutual agreement of the parties.

ii. CONDUCT OF HEARINGS:

- (1) The presentation of the case, to the extent possible, shall be made in the narrative form. To the degree that witnesses are necessary, examination will be limited to questions of material fact and cross examination will be similarly limited. Submission of relevant documents, etc., will not be unreasonably limited and may be submitted as a "packet" exhibit.

- (2) In the event either party is unable to proceed with hearing a particular case, the case shall be rescheduled. However, only one adjournment shall be permitted. In the event that either party is unable to proceed on a second occasion, a default judgment may be entered against the adjourning party at the Arbitrator's discretion absent good cause shown.
- (3) The Arbitrator shall not be precluded from attempting to assist the parties in settling a particular case.
- (4) A decision will be issued by the Arbitrator within two weeks. It will not be necessary in the Award to recount any of the facts presented. However, a brief explanation of the Arbitrator's rationale may be included. Bench decisions may also be issued by the Arbitrator.
- (5) Decisions in this expedited procedure shall not be considered as precedent for any other case nor entered into evidence in any other forum or dispute except to enforce the Arbitrator's award.
- (6) The parties shall, whenever possible, exchange any documents intended to be offered in evidence at least one week in advance of the first hearing date and shall endeavor to stipulate to the issue in advance of the hearing date.
