### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
 Department for the Aging (DFTA)  
 Department of Consumer Affairs (DCA)  
 Department of Corrections (DOC)  
 Department of Health and Mental Hygiene (DOHMH)  
 Department of Homeless Services (DHS)

 Department of Small Business Services (SBS)  
 Department of Youth and Community Development (DYCD)  
 Housing and Preservation Department (HPD)

**REQUEST FOR INFORMATION - SUPPLYING NEW YORK CITY WITH RENEWABLE POWER** - Request for Information - PIN#85616RFI001 - Due 9-10-15 at 5:00 P.M.

New York City has pledged to reduce overall greenhouse gas emissions 80 percent by 2050 (80x50), and emissions from city government operations 35 percent by 2025 (35x25).

City government currently spends between \$600 million and \$650 million per year on its electricity, and could potentially use its purchasing power to catalyze the development of new sources of renewable power, reduce greenhouse gas emissions, and chart a path to receive 100 percent of electricity from renewable sources of energy.

To understand the available options, the City is issuing a Request for Information ("RFI") seeking responses from all entities involved in and supporting the renewable energy sector. This RFI is designed to identify new generation capacity rather than existing sources of renewable energy.

The RFI document may be downloaded online at [www.nyc.gov/cityrecord](http://www.nyc.gov/cityrecord).

The City will conduct an informational session via the Internet to address its renewable energy goals and how it expects to meet those goals at 11:00 A.M. E.S.T. on July 30, 2015. Further information on the informational session will be provided to the prospective respondents and the public in the City Record newspaper and via the City Record Online at [www.nyc.gov/cityrecord](http://www.nyc.gov/cityrecord).

All responses shall be submitted electronically to the RFI Contact identified below by 5:00 P.M. E.S.T. on September 10, 2015. In addition, two original paper copies shall be submitted to the RFI Contact no later than September 15, 2015.

NOTICE

The Mayor's Fund to Advance New York City, with the assistance of the New York City Center for Economic Opportunity and the New York City Department of Health and Mental Hygiene, seeks a contractor to provide evaluation and research services related to the new Connections to Care Program (C2C) initiative.

C2C is an initiative to partner New York City community based organizations (CBOs) with mental health providers in order to integrate evidence-based mental health services into programs serving at-risk populations. By increasing access to mental health services, C2C aims to improve the mental health of participants, and in turn increase participants' likelihood of successfully achieving outcomes in the CBO-based social services in which they are enrolled.

The RFP to select the evaluator can be found at [on.nyc.gov/C2CRFP](http://on.nyc.gov/C2CRFP). Any questions about the solicitation can be submitted via email to [CEO@cityhall.nyc.gov](mailto:CEO@cityhall.nyc.gov).
