HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are

more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

**REQUEST FOR INFORMATION - SUPPLYING NEW YORK CITY WITH RENEWABLE POWER** - Request for Information - PIN# 85616RFI001 - Due 9-10-15 at 5:00 P.M.

New York City has pledged to reduce overall greenhouse gas emissions 80 percent by 2050 (80x50), and emissions from city government operations 35 percent by 2025 (35x25).

City government currently spends between \$600 million and \$650 million per year on its electricity, and could potentially use its purchasing power to catalyze the development of new sources of renewable power, reduce greenhouse gas emissions, and chart a path to receive 100 percent of electricity from renewable sources of energy.

To understand the available options, the City is issuing a Request for Information ("RFI") seeking responses from all entities involved in and supporting the renewable energy sector. This RFI is designed to identify new generation capacity rather than existing sources of renewable energy.

The RFI document may be downloaded online at [www.nyc.gov/cityrecord](http://www.nyc.gov/cityrecord).

The City will conduct an informational session via the Internet to address its renewable energy goals and how it expects to meet those goals at 11:00 A.M. E.S.T. on July 30, 2015. Further information on the informational session will be provided to the prospective respondents and the public in the City Record newspaper and via the City Record Online at [www.nyc.gov/cityrecord](http://www.nyc.gov/cityrecord).

All responses shall be submitted electronically to the RFI Contact identified below by 5:00 P.M. E.S.T. on September 10, 2015. In addition, two original paper copies shall be submitted to the RFI Contact no later than September 15, 2015.

**NOTICE IS HEREBY GIVEN in accordance with Section 1043(b) of the Charter of the City of New York ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates rules which require that all licensed Commuter Van Vehicles display required Commuter Van and License Number decals.**

These rules are promulgated pursuant to sections 1043 and 2303 of the New York City Charter and Section 19-503 of the Administrative Code of the City of New York.

On July 16, 2015, a public hearing on these rules was held by the TLC at the TLC's offices at 33 Beaver Street, 19th Floor, New York, NY. These rules were approved at the TLC's public Commission Meeting held on July 16, 2015. These rules will take effect 30 days after publication.

**STATEMENT OF BASIS AND PURPOSE OF RULE**

The TLC has adopted rules that add new sections to the existing rules governing Commuter Van Vehicle Owners and Commuter Van Service Owners. The new rules require that a Commuter Van Decal and a TLC

License Number decal be displayed on both of the front doors of all licensed Commuter Vans. The rules also permits all Commuter Van Vehicles to affix both decals as optional markings on the rear door of Commuter Van Vehicles.

Background

Commuter Vans provide an economical means of transportation for areas of New York City that are underserved by traditional for-hire vehicles and mass transit. The TLC regulates and licenses Commuter Vans and Commuter Van drivers to ensure that this industry operates safely when providing service to these specific communities by establishing licensing and insurance requirements.

Despite TLC and the NYPD enforcement efforts, unlicensed vans continue to provide unlicensed (and illegal) transportation. These illegal vans are operated by drivers who are not licensed as Commuter Van operators by the TLC. In many instances, the illegal vans do not have the insurance required by the TLC. Additionally, as reported by both TLC's enforcement division and the NYPD, the illegal vans are typically operated in a reckless and dangerous manner while transporting passengers. The public safety risk to pedestrians, motorists and passengers is grave.

Commuter Van Decal Pilot Program

On August 7, 2014, the TLC approved a resolution to evaluate the of use markings and decals on Commuter Vans via a pilot program. The TLC pilot program began on November 11, 2014 and the pilot program is still currently in operation with participation from Commuter Van Service Owners throughout New York City.

The markings evaluated differed from those currently required to be displayed on the sides of the Commuter Van Vehicles under sections 61A-27 and 61B-27 of the Commission's rules for such vehicles. The pilot evaluated the use of an additional, Commission-designed logo that was affixed to the side doors and rear of the vehicle in the pilot.

Participants in the Pilot Program consisted of TLC licensed Commuter Van Service Owners who agreed to use the identifying decals under the terms of the resolution. Pilot Program participants incurred an estimated cost, primarily for the decals and their installation, of approximately \$50 per vehicle. Twelve print shops approved by agreements with the TLC are authorized to print and affix the decals to the Commuter Vans.

Objective of the Pilot Program

The TLC expected use of the decals to:

- 1) Make TLC-licensed Commuter Vans easily identifiable to passengers so they can tell the difference between legal, licensed Commuter Vans and those operating illegally;
- 2) Attract new customers to licensed Commuter Vans; and,
- 3) Make it easier for TLC and NYPD enforcement to identify illegal vans, which will potentially make the enforcement officers' duties safer.

Pilot Program Results

Forty-one owners, who comprise 87 percent of all licensed Commuter Van Service Owners, are participating in the program. This means that 77 percent (387) of all licensed Commuter Van vehicles affiliated with a Commuter Van Service Owner are authorized to affix the Commuter Van and License Number decals.

The TLC met with representatives of participating Commuter Van Service Owners to ask for their feedback on the pilot program. The Commuter Van Service Owners indicated that the decals give their service a distinctive branding which lets potential customers and law enforcement know that their vans are legal. Many Commuter Van Drivers also expressed their satisfaction with the public acknowledgment by the TLC of their legitimately licensed service, which stands out in stark contrast to the unlicensed vans. As a result of these improvements, the industry supports the Pilot Program and many owners have urged TLC to make the decal a permanent requirement for Commuter Vans.

The TLC also conducted passenger outreach to ensure that the riding public is aware of the decal and its significance. The outreach enabled the TLC to educate the public on how to distinguish between licensed and unlicensed Commuter Vans and the benefits of selecting licensed Commuter Vans.

Making the Commuter Van Decals required markings

In view of the positive response and the relatively low cost of the decal installation, the TLC has made the Commuter Van Decal and the TLC License Number decal required markings for all licensed Commuter Vans. The required markings will assist the TLC and the NYPD remove from City streets dangerous, unlicensed vans that pose a threat to the public, and help passengers identify legal, licensed Commuter Van service, thereby supporting Mayor de Blasio's Vision Zero commitment to reduce pedestrian deaths.

The Commission's authority for these rules is found in Section 2303 of the New York City Charter and Section 19-503 of the Administrative Code of the City of New York.

# READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

## NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at [www.comptroller.nyc.gov](http://www.comptroller.nyc.gov), and click on Prevailing Wage Schedules to view rates.

## CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

## VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc). To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

## SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit [www.nyc.gov/html/sbs/nycbiz](http://www.nyc.gov/html/sbs/nycbiz) and click on Summary of Services, followed by Selling to Government.

## PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc).

## NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

## PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit [www.nyc.gov/mocs](http://www.nyc.gov/mocs).

## ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit [www.nyc.gov/sbs](http://www.nyc.gov/sbs) and click on M/WBE Certification and Access.

## PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at [www.nyc.gov/selltonyc](http://www.nyc.gov/selltonyc)

## HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
