HOUSING PRESERVATION AND DEVELOPMENT

■ PUBLIC HEARINGS

PLEASE TAKE NOTICE that a public hearing will be held, on November 13, 2019, at 22 Reade Street, Spector Hall, Main Floor Manhattan, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of the following City-Owned property (collectively, "Disposition Area") in the Borough of the Bronx:

Address	Block/Lots
359 East 157 Street	2404/1
784 Courtlandt Avenue	2404/2

Under HPD's Neighborhood Construction Program, sponsors purchase City-Owned or privately owned land or vacant buildings and construct multifamily buildings in order to create up to 45 units of affordable rental housing on infill sites. Construction and permanent financing is provided through loans from private institutional lenders and from public sources including HPD, the New York City Housing Development Corporation, the State of New York, and the Federal government. Additional funding may also be provided from the syndication of low-income housing tax credits. The newly constructed buildings provide rental housing to low income, moderate income, and middle income families. Subject to project underwriting, up to 30% of the units may be rented to formerly homeless families and individuals.

Under the proposed project, the City will sell the Disposition Area to 784 Courtlandt Manor Housing Development Fund Corporation ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Sponsor will then construct one building containing approximately 20 dwelling units, approximately 2,278 square feet of commercial space, and approximately 6,265 square feet of community facility space on the Disposition Area.

The Land Debt will be repayable out of resale or refinancing profits for a period of, at least thirty (30) years following completion of construction. The remaining balance, if any, may be forgiven, at the end of the term.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination, at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office Of Contract Services ("MOCS") via email, at disabilityaffairs@mocs.nyc.gov or via phone, at (212) 788-0010. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS, at least three (3) business days in advance of the hearing, to ensure availability.

PLEASE TAKE NOTICE that a public hearing will be held, on November 13, 2019, at 22 Reade Street, Spector Hall, Main Floor Manhattan, at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed disposition of the real property identified below.

Pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the acquisition and subsequent sale of the following property (collectively, "Disposition Area") in the Borough of Manhattan:

Address	Block/Lot(s)
207-209 West 140 th Street	2026/24 & 25
304 West 150 th Street	2045/98

The Disposition Area consists of two privately-owned vacant sites located, at 207-209 West 140th Street ("140th Street Site") and 304 West 150th Street ("150th Street Site"). HPD previously conveyed the 140th Street Site to Neighborhood Partnership Housing Development Fund Company, Inc., in 1996, pursuant to UDAAP approvals by both the City Council (May 16, 1995, Resolution No. 1002) and Mayor (June 6, 1995, Calendar No. 21). Neighborhood Partnership Housing Development Fund Company, Inc. conveyed the 140th Street Site to Progressive Realty Associates L.P. in 1997, and Progressive Realty Associates L.P. subsequently conveyed the 140th Street Site to NME Housing Development Fund Company, Inc. in 2014. HPD previously conveyed the 150th Street Site to Bradhurst Plaza 2B-3 Housing Development Fund Corporation in 1994, pursuant to UDAAP approvals by both the City Council (September 8, 1993, Resolution No. 1593) and the Mayor (September 30, 1993, Calendar No. 18). Bradhurst Plaza 2B-3 Housing Development Fund Corporation conveyed the 150th Street Site to Zipporah Associates, L.P. in 1996, and Zipporah Associates L.P. subsequently conveyed the 150th Street Site to NME Housing Development Fund Company, Inc., in 2014.

Under the original projects, the Disposition Area was to be developed with accessory open space for rehabilitated residential buildings (Block 2045, Lot 98) or new residential buildings with no more than four units (Block 2026, Lots 24 & 25). The Disposition Area has remained vacant. The City will re-acquire the Disposition Area and then dispose of it to facilitate the proposed project.

Under the Open Door Program, eligible sponsors purchase City-Owned or privately owned land and construct cooperative or condominium buildings affordable to low-, moderate- and middle-income households. Where dictated by lot size, the program may also fund the construction of new one- to three-family homes. Construction financing may be provided through loans from the City ("City Subsidy"), the New York State Affordable Housing Corporation, private lenders and developer equity. The City provides a tax exemption for the homes.

Upon construction completion, the sponsor will sell the homeownership units to households who agree to owner-occupy their units for the length of the regulatory period. If the homeowner sells or refinances during the regulatory period, the homeowner may realize up to 2% appreciation on the original purchase price per year of owner occupancy. Upon resale, the homeowner will also be required to sell to a household earning no more than the project's income limit.

Under the proposed project, the City will acquire the Disposition Area from Northern Manhattan Equities LLC for a purchase price of one dollar (\$1.00) per tax lot and then immediately convey it to HP NME III Housing Development Fund Company, Inc. ("Sponsor") for the nominal price of one dollar per tax lot. The Sponsor will subsequently convey the Disposition Area to NME III Housing Development Fund Company, Inc. ("HDFC") and the HDFC will convey beneficial ownership of the Disposition Area to Northern Manhattan Equities III LLC ("Company"). The HDFC and the Company (collectively, "Owner") will also deliver an enforcement note and mortgage for the remainder of the appraised value ("Land Debt"). The Owner will then construct two buildings containing a total of approximately 52 homeownership dwelling units on the Disposition Area.

Upon conversion to a cooperative, the cooperative corporation will repay the Land Debt and City Subsidy, if any, attributable to the property by delivering a note and mortgage and/or conditional grant agreement to the City. At such time, HPD may unsecure or forgive all or a portion of the Land Debt, and unsecure, but not forgive, all or a portion of the City Subsidy, based on the appraised value of a homeownership unit and/or, in the case of forgiveness of Land Debt, if HPD determines that the forgiveness is necessary to reduce the taxable consideration for a unit. The sum evidenced by the note and secured by the mortgage will be reduced to zero upon maturity of the Land Debt and City Subsidy, respectively, if the owner has complied with the program's restrictions.

The appraisal and the proposed Land Disposition Agreement and Project Summary are available for public examination, at the office of HPD, 100 Gold Street, Room 5-I, New York, NY on business days during business hours.

The hearing location is accessible to individuals using wheelchairs or other mobility devices. For further information on accessibility or to make a request for accommodation, such as sign language interpretation services, please contact the Mayor's Office of Contract Services ("MOCS") via email, at disabilityaffairs@mocs.nyc.gov or via phone, at (212) 788-0010. TDD users should call Verizon relay services. Any person requiring reasonable accommodation for the public hearing should contact MOCS, at least three business days in advance of the hearing, to ensure availability.

MAYOR'S OFFICE OF ENVIRONMENTAL COORDINATION**■ MEETING****NOTICE OF PUBLIC SCOPING****The Office of the Deputy Mayor for Housing and Economic Development****Draft Scope of Work for an Environmental Impact Statement (EIS)
495 Eleventh Avenue Project****Project Identification**CEQR No. 18DME001M
SEQRA Classification: Type I**Lead Agency**Office of the Deputy Mayor for
Housing and Economic Development
253 Broadway – 14th Floor,
New York, NY 10007

NOTICE IS HEREBY GIVEN that a public scoping meeting, will be held, on Thursday, November 7, 2019, at 6:00 P.M., at Hartley House, 413 West 46th Street, New York, NY 10036. Written comments on the Draft Scope of Work, will be accepted, by the lead agency, until 5:00 P.M., on Monday, November 18, 2019, to the contact addresses below. Interpretation services can be accommodated, upon request, by calling or emailing the contact information below, at least one week prior to the hearing.

Directing that an Environmental Impact Statement (EIS) be prepared, the Environmental Assessment Statement (EAS), Positive Declaration, and Draft Scope of Work were issued by the Office of the Deputy Mayor for Housing and Economic Development, on October 2, 2019, and are available for review, from the contact person listed below, and on the website of the Mayor's Office of Environmental Coordination, at www.nyc.gov/oecc.

495 11 Avenue Owner Realty LLC, the New York City Police Department (NYPD), the New York City Department of Citywide Administrative Services (DCAS), and the New York City Economic Development Corporation (EDC), are proposing a series of land use actions, to activate a City-Owned site, in the Hell's Kitchen area of Manhattan, referred to as, the 495 Eleventh Avenue site, or the "project site," with a new mixed-use development, comprised of residential dwelling units (DUs), community facility space comprised of supportive housing DUs, commercial office and retail supermarket spaces, a hotel, restaurant, building amenities, including a laundromat, and NYPD vehicle and equipment storage (the "Proposed Project"). The project site, is located, on a block bounded by, West (W.) 40th Street to the north, Eleventh Avenue to the east, W. 39th Street to the south, and Twelfth Avenue to the west, and has a lot area of approximately 24,687 square feet (sf) (0.57 acres). Since 1992 the project site has been used as an NYPD parking facility.

In partnership with the New York City Department of Housing Preservation and Development (HPD), EDC released a request for proposals (RFP), in December 2015, seeking a developer, for the project site, which was the former site of the New York Butchers' Dressed Meat Company, and currently serves as a surface parking lot, for NYPD vehicles. In parallel, EDC has prepared a land use application, with a series of land use actions, that would facilitate this development. Thus, pursuant to City Environmental Quality Review (CEQR), an EIS will be prepared, which will analyze a Reasonable Worst-Case Development Scenario (RWCDs), that considers the worst-case development potential, for environmental effects, in each technical area. For the purposes of presenting a conservative analysis, the RWCDs anticipates, that the project site would facilitate approximately 701,749 gross square feet ("gsf"), of mixed-use development, on the Project Site, comprised of approximately 276,445 gsf of residential floor area, providing 275 DUs (of which 83 DUs would be restricted to households, with incomes up to 80% of area-wide median income); approximately 49,748 gsf of community facility use, comprised of 75 supportive housing DUs; approximately 349,115 gsf of commercial floor area, comprised of 307,068 gsf (755 keys/rooms) of hotel use, 25,168 gsf of office use, a 14,108 gsf supermarket, and a 2,771 gsf restaurant; approximately 25,568 gsf, for NYPD vehicle and equipment storage providing 55 spaces; and approximately 873 gsf, for building amenities and mechanical space, to include a laundromat. The build year, for the proposed project, is 2024.

A previous iteration of the Proposed Project, included commercial office and student dormitory use. Following completion of an Environmental Assessment Statement (EAS), on March 23, 2018, a Positive Declaration, was issued, by the NYC Mayor's Office of Environmental Coordination. The Positive Declaration directed, that a Draft EIS (DEIS), be prepared, in response, to the determination of potential significant adverse impacts, disclosed in the EAS, based on the findings of the environmental review. A public scoping meeting, was held, on April 30, 2018, at 6:00 P.M., at Beacon High School, located at 522 West 44th Street, New York, NY 10036. The scoping period, for the previous

iteration of the Proposed Project, ended May 10, 2018, to which EDC oversaw preparation of the Final Scope, which incorporated all relevant comments on the Draft Scope, and revised the extent of methodologies of the studies, as appropriate, in response to comments.

Because the Proposed Project development program has been modified since the issuance of the March 2018 EAS, and the subsequent scoping process, a new EAS document, has been prepared, to reflect the revised programming, and the public scoping process will be initiated, for public review and comment. Following the public scoping process, a DEIS will be prepared, in accordance with the Final Scope.

The proposed project would require multiple City approvals. Some of these approvals are discretionary actions requiring review, under the New York State Environmental Quality Review Act (SEQRA), and CEQR. It is anticipated that the following approvals are required:

- 1) Zoning map amendment to change existing M1-5 manufacturing district to a C6-4 district;
- 2) Zoning text amendments to the New York City Zoning Resolution (ZR) would:
 - a. Establish a new Subdistrict G of the Special Hudson Yards District; and
 - b. Establish the project site as a Mandatory Inclusionary Housing Area (MIHA);
- 3) Site Selection Applications to permit long-term use of the Project Site for the parking of NYPD vehicles.
- 4) Approval of Business Terms of land disposition.

In addition, the developer may seek funding from the New York City Housing Development Corporation (HDC).

Copies of the EAS, Positive Declaration and Draft Scope of Work for the project may be obtained by any member of the public from:

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)

Section 1043 of the City Charter and sections 24-105, 24-108, 24-178 and 24-154 of the Administrative Code authorize the Department to make this proposed rule. This proposed rule was included in the Department's regulatory agenda for this fiscal year.

Where can I find the Department's rules? The Department's rules are in title 15 of the Rules of the City of New York.

What laws govern the rulemaking process? The Department must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

Statement of Basis and Purpose of Proposed Rule

DEP is proposing a rule to amend the City's Air Code Penalty Schedule in Chapter 43 of Title 15 of the Rules of the City of New York and to establish in the Air Code Penalty Schedule new penalties for two separate violations of Chapter 1 of Title 24 of the New York City Administrative Code.

Local Law 61 of 2018, which took effect on January 1, 2019, added Section 24-154 to the Administrative Code. Administrative Code section 24-154 requires mold assessment licensees and mold remediation licensees to file notifications of mold remediation projects with an agency designated by the Mayor. Subdivision (d) of Section 24-154 authorizes that designated agency to establish penalties for failing to file such notifications. On March 25, 2019, the Office of the Mayor designated DEP as such agency.

DEP proposes to establish the following penalties: for a first violation, a penalty of \$800; for a second violation, a penalty of \$1600; and for a third violation and for all subsequent violations, penalties of \$2400.

DEP is also amending the Air Code Penalty Schedule to establish penalties for building owners or other responsible parties who fail to allow inspectors to collect samples of an air contaminant or substances used in a process that affects or may affect the emission of an air contaminant. Section 24-108 of the Administrative Code requires a building owner or responsible party to allow the DEP to take such samples. Section 24-178 of the Administrative Code allows DEP to impose penalties for failures to comply with section 24-108.

DEP proposes to establish the following penalties: for a first violation, a penalty of \$200; for a second violation, a penalty of \$400; and for a third violation and all subsequent violations, penalties of \$600.

This rule amendment exclusively establishes the amount of fees for such violations. Consequently, pursuant to item (iii) of paragraph (4) of subdivision (d) of section 1043 of the New York City Charter, this rule amendment is exempt from the procedure set forth in subdivision (d) therein.

New material is underlined.

Section one. Section 43-02 of Title 15 of the Rules of the City of New York is amended by adding a new entry to the Air Code Penalty Schedule immediately following the entry for section 24-153 of the administrative code to read as follows:

Section of Law	Violation Description	Compliance	1 st Offense Stip (\$)	1 st Offense (\$)	Default Penalty (\$)	2 nd Offense (\$)	2 nd Stip (\$)	3 rd and Subsq. Offense (\$)	3 rd and Subsq. Stip (\$)
<u>24-154(c)</u>	<u>Failure to file notice of mold project as required</u>	<u>File notice forthwith</u>	<u>800</u>	<u>800</u>	<u>1000 (1st offense)/5000 (2nd offense)/10000 (3rd offense)</u>	<u>1600</u>	<u>1600</u>	<u>2400</u>	<u>2400</u>

§ 2. Section 43-02 of Title 15 of the Rules of the City of New York is amended by adding a new entry to the Air Code Penalty Schedule immediately preceding the entry for section 24-108(f) of the administrative code to read as follows:

Section of Law	Violation Description	Compliance	1 st Offense Stip (\$)	1 st Offense (\$)	Default Penalty (\$)	2 nd Offense (\$)	2 nd Stip (\$)	3 rd and Subsq. Offense (\$)	3 rd and Subsq. Stip. (\$)
<u>24-108(c)</u>	<u>Failure to allow DEP to obtain samples</u>	<u>Allow access forthwith</u>	<u>200</u>	<u>200</u>	<u>800</u>	<u>400</u>	<u>400</u>	<u>600</u>	<u>600</u>

Section 1403 of the City Charter and Chapter 5-A of Title 24 of the New York City Administrative Code authorize the Department to make these proposed rules. These proposed rules were included in the Department's regulatory agenda for this fiscal year.

Where can I find the Department's rules? The Department's rules

are located in Title 15 of the Rules of the City of New York.

What rules govern the rulemaking process? The Department must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rules

The Stormwater Penalty Schedule (Title 15, Chapter 55 of the Rules of the City of New York) became effective on June 1, 2019. The Stormwater Penalty Schedule establishes penalties for violations of Title 15, Chapter 19.1 of the Rules of the City of New York (the "Stormwater Rules", which also became effective on June 1, 2019).

Since the Stormwater Penalty Schedule went into effect, DEP has decided that the Schedule should be clarified to establish that violations of the Stormwater Rules may be settled by stipulation – meaning admission of the violation and agreement to pay a penalty. The proposed rule defines the term "stipulation" and establishes civil penalties to be imposed for stipulations.

The Rules are authorized by Section 1403 of the Charter of the City of New York and Chapter 5-A of Title 24 of the Administrative Code.

New material is underlined.

The text of the proposed amendments follows.

Section 1. Section 55-01 of Title 15 of the Rules of the City of New York is amended by adding a new subsection (e) as follows:

(e) "Stipulation" means an admission of the violation and agreement to pay the specified penalty.

Section 2. Subdivision (a) of Section 55-02 of Title 15 of the Rules of the City of New York is amended to read as follows:

■ NOTICE

This is a private application by AYY 26, LLC requesting a minor modification to a previously approved Large-Scale Residential Development (LSRD) and related SNAD authorizations to facilitate a change to the site plan for an existing residential development for 19 of the 34 previously approved homes located, at Delafield Estates in Riverdale, Community District 8, Bronx. The changes generally include (1) an in-ground swimming pool and patio located behind the gatehouse instead of a gravel parking area, (2) shifting of houses 11 and 13 so that they would be freestanding with a shared driveway, (4) reconfiguring Delafield Way to eliminate guest parking inset from immediately, at the entry to a smaller inset, at the south end of the loop, (5) removal of a dwelling unit between houses 12 and 14 to allow shared driveway, (6) repositioning the remaining unbuilt buildings to be freestanding, (7) creating private parking garages within individual homes or on semi-private driveways, (8) providing alternative means of accessing houses 10,18, 21-23, 30, and 33 instead of Delafield Way. This application follows the 1980 Delafield Estates Final Environmental Impact Statement and subsequent approvals to the project site in 1985, 1987, and 2011.
