HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

**NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS- BANK LOAN POOL OF INVESTMENT MANAGERS** - Negotiated Acquisition - Other - PIN#015-16817400 FI - Due 11-4-15 at 5:00 P.M.

The Office of the New York City Comptroller seeks expressions of interest from prospective bank loan fixed income investment managers ("Manager" or "Firm") to become part of a pool of prospective Firms that may in the future manage one or more portfolios for the New York City Retirement System(s) (the "Systems"). Managers selected for the pool may be eligible to compete for future allocations to the bank loan portfolio in the event that the Systems and the Comptroller determine there is a need for additional Managers, such as when there is an increase in allocation or when a current manager is terminated. To be eligible to receive a future allocation, the Manager must still meet the minimum requirements described below at the time of the allocation. Managers will not be permitted to increase their fee proposal in any subsequent selection from the pool.

All responding Managers must meet the highest standards of professional competence and ethics. If a Manager is selected from the pool to manage assets, the Manager will be required to serve in a fiduciary capacity to the Comptroller and the Systems.

Only Managers that meet the following minimum requirements as of August 31, 2015, will be considered:

A. Investment Approach

The Firm must offer a bank loan product that can be benchmarked to one of the following major market indexes of \$U.S.-denominated non-investment grade fixed income securities:

- S and P/LSTA Leveraged Loan Index;
- Credit Suisse Leveraged Loan Index; or
- Another appropriate bank loan benchmark.

Note: The benchmark currently used is the Credit Suisse Leverage Loan Index, but this is subject to change at the Comptroller's option.

Products that predominantly utilize the following investment strategies will not be considered:

- Distressed Debt products;
- Multi-Asset/Balanced Portfolio products;
- CBO or CDO products;
- Long/short or Absolute Return products;
- Any products utilizing leverage;
- Strategies that do not primarily invest in below investment grade debt;
- Products based on derivative strategies;
- Tactical asset allocation strategies; or
- Products utilizing derivatives as a main focus of the strategy (products with limited derivative usage will be permitted).

B. Performance

The proposed product must have, at a minimum, a live, three-year track record. It is preferred that the track record is Global Investment Performance Standards (GIPS) compliant and GIPS verified.

Only products with a continuous track record for the entire three year minimum period will be considered.

The following track records will not be considered responsive:

- Linked performance of two different products, even when they both use a similar approach and the same personnel;
- Performance extracted from any other product; or
- Back tested or otherwise simulated track record.

Proposers may link track records from two Firms if they meet CFA Institute standards for portability. The products offered by the two Firms must be substantially the same in style and use a similar benchmark.

Do not include securities lending income in the track record.

C. Assets Under Management

At a minimum, the Firm must:

- (i) Have at least \$400 million under management in the proposed product, and
- (ii) Have proven ability in managing institutional-sized portfolios, including at least one non-affiliated client for whom the Firm currently manages \$50 million or more in the proposed product.

Note: Distinct non-investment grade products with carve-outs of non-investment grade securities from other products will not be combined to calculate the total for Assets Under Management. (e.g., a Firm with \$200 million in institutional non-investment grade fixed income products plus \$200 million in institutional non-investment grade fixed income assets extracted from another product does not meet the \$400 million minimum requirement.)

D. Regulatory

The Firm must be a registered investment advisor under the Investment Advisors Act of 1940, or must be a duly authorized bank or insurance company and must also be registered with the appropriate local regulatory authority (e.g., FSA) as applicable. Although the Systems are not subject to ERISA, Firms must agree to perform as a fiduciary to the Systems, consistent with ERISA standards.

E. NYCERS' Ethics and Compliance Policy

Firms will be required to comply with the NYCERS' Ethics and Compliance Policy. The policy will be provided to selected Firms at a later date.

A negotiated acquisition procurement method pursuant to Section 3-04 of the New York City Procurement Policy Board Rules will be used to select this pool of Managers.

It is anticipated that the initial term of the pool contracts will be three (3) years with renewal options up to an additional six (6) years. Selected Firms may be allocated assets at any time during the contract term, or may neither be selected nor allocated any assets.

Firms may express interest by sending a summary of their qualifications, demonstrating that the minimum requirements are met. Firms must also provide the following:

- A Firm and product's team overview (Organization/Staff, Nature of Amount of Assets Managed, Compliance, Client Service);
- A detailed description of investment management and decision making process for the proposed product (Philosophy/Process, Research and Resources, Portfolio Construction and Characteristics, Trading and Operations, Risk Management);
- Performance:
  - o Trailing one through ten year product returns as well as the benchmark's returns (identify benchmark), through August 31, 2015
  - o Monthly product and benchmark returns from inception through August 31, 2015;
- A reference list of at least three non-affiliated, tax exempt institutional clients. Include the name, title, contact number and email address; and
- A fee proposal.

Firms must also enter their proposed product(s) information in eVestment Alliance's database. Information on requirements for entering information into this database can be found at <https://www.vestment.com> (click on "Submit My Data").

Consistent with the laws and policies of the City, proposals from certified M/WBE Firms or proposals that include partnering arrangements with certified M/WBE Firms are encouraged. Additionally, proposals from small and New York City-based businesses are also encouraged.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/blueprints; other information; and for opening and reading of bids at date and time specified above.

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

By establishing contractor's qualification and experience in advance, DPR will have a pool of competent contractors from which it can draw to promptly and effectively reconstruct and construction its parks, playgrounds, beaches, gardens and green-streets. DPR will select contractors from the General Construction PQL for non-complex general construction site work of up to \$3,000,000.00 per contract, through the use of a Competitive Sealed Bid solicited from the PQL generated from this RFQ.

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. NYC Construction Mentorship focuses on increasing the use of small NYC contracts, and winning larger contracts with larger values. Firms participating in NYC Construction Mentorship will have the opportunity to take management classes and receive on-the-job training provided by a construction management firm.

DPR will only consider applications for this General Construction PQL from contractors who meet any one of the following criteria:

- 1) The submitting entity must be a Certified Minority/Woman Business enterprise (M/WBE)\*;

3) The submitting entity must indicate a commitment to sub-contract no less than 50 percent of any awarded job to a certified M/WBE for every work order awarded.

\*Firms that are in the process of becoming a New York City-certified M/WBE may submit a PQL application and submit a M/WBE Acknowledgement Letter, which states the Department of Small Business Services has began the Certification process.

BOROUGH OF BROOKLYN

COMMUNITY BOARD 5 - Wednesday, October 28, 2015 at 6:30 P.M., Franklin K. Lane High School, 999 Jamaica Avenue, Brooklyn, NY

BSA# 57-15-BZ

**IN THE MATTER OF** an application for a variance pursuant to ZR 72-21. The variance seeks to waive the side yard open space requirements of ZR 34-233 to permit the development of a three story, three family residential development in an R5/C1-3 zoning district. A variance is required as the side lot line of the Premises, which is also a district boundary line, coincides with a side lot line of an adjacent residential building which is located entirely in an R5 zoning district. Due to this condition, pursuant to ZR 34-233 an 8' open area is required along the side lot line of the premises. No open area along the side lot line is proposed.
