HOUSING PRESERVATION AND DEVELOPMENT

PUBLIC HEARINGS

PUBLIC HEARING IN THE MATTER OF the amendment to the terms and conditions of certain real property previously conveyed by the City of New York ("City"), as submitted by the Department of Housing Preservation and Development ("HPD"), pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, located in the Borough of Brooklyn and known as:

BLOCK	LOT	ADDRESS
1176	9	340 St. Johns Place aka 285 Lincoln Place

on the Tax Map of the City ("Premises") and also now known as the BEC Continuum Housing Development Fund Company, Inc. project in the Low-Income Housing Tax Credit Portfolio Preservation Program.

The City conveyed the referenced Premises to 736 Willoughby Housing Development Fund Corporation ("Current Owner") under HPD's Special Initiatives Program on June 17, 1999, pursuant to Mayoral Approval Document dated May 7, 1999 (Cal. No. 12). The Premises consist of one multiple dwelling containing an aggregate of 59 dwelling units for low income families. The City deed contained a restriction which prohibited the Current Owner from conveying the Premises to any entity other than a not-for-profit corporation which qualifies under Section 501(c)(3) of the Internal Revenue Code or to a governmental entity. This submission is to request approval to modify such deed restriction in order to remove the requirement that the Premises be conveyed to an entity which qualifies under Section 501(c)(3) and instead allow the Current Owner to convey the Premises to any housing development fund company organized pursuant to Article XI of the Private Housing Finance Law ("Article XI") and the Not-For-Profit Corporation Law ("NPCL"), and to allow that housing development fund company to convey the Premises to another housing development fund company organized pursuant to Article XI and the NPCL or to convey the beneficial interest in the Premises while retaining legal title.

The Premises is now part of a proposed larger preservation transaction. Under the proposed transaction, the Current Owner will transfer the Premises to BEC Continuum Housing Development Fund Company, Inc. ("Proposed Owner") and the Proposed Owner will transfer the beneficial interest in the Premises to BEC Continuum Owner LLC ("Beneficial Owner") ("Proposed Owner" and "Beneficial Owner" are collectively "New Owner"). New Owner will rehabilitate the Premises, obtain new Low Income Housing Tax Credits pursuant to Section 42 of the Internal Revenue Code, and extend the affordability of the Premises for 30 years.

PLEASE TAKE NOTICE that a public hearing will be held at 10:00 A.M., on Monday, November 28, 2016, at St. Johns Recreational Center, at 1251 Prospect Place, Brooklyn, NY 11213, or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed modification of deed restriction pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office of Contract Services, Public Hearings Unit, Room 905, 253 Broadway, New York, NY 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children's Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)

What authorizes the Department to make these rules? Section

1043 of the City Charter authorizes the Department to make these proposed rules. These proposed rules were not included in the Department’s regulatory agenda for this fiscal year because the need for them became apparent after the deadline for submitting the agenda.

Where can I find the Department’s rules? The Department’s rules are in Title 15 of the Rules of the City of New York.

What rules govern the rulemaking process? The Department must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043(b) of the City Charter.

Statement of Basis and Purpose of Proposed Rules

Consistent with Citywide policy, the Department of Environmental Protection (“DEP”) supports film production activities on properties and within facilities under its jurisdiction. Given the increased regularity of such filming activities, it has become necessary to codify the process that has been followed over time. Such codification is also consistent with the City Charter requirement that agencies whose procedures or requirements affect the general public shall promulgate rules governing such activities. The purpose of these rules is thus to provide clear guidance to the persons and entities who wish to engage in film and photography shoots on properties and within facilities under the jurisdiction of DEP, activities which require that they obtain permits from the Mayor’s Office of Film, Theatre and Broadcasting (“MOFTB”).

The proposed rules set forth: (i) how to obtain authorization for pre-production location scouting at DEP facilities; (ii) the documentation that must be approved by DEP prior to production, which includes a letter of intent, a location agreement, and proof of insurance; (iii) the requirement to obtain a permit from MOFTB prior to production; and (iv) the post-production responsibilities of the filmmakers or photographers, which includes reimbursing DEP for the personnel costs it incurred and for any DEP property damaged during the film or photography shoot. This proposal would be encompassed in a new Chapter 46 of Title 15 of the Rules of the City of New York.

The text of the Rules follows.

New material is underlined.

[Deleted material is in brackets.]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 46, to read as follows:

Chapter 46

Filming and Photography Authorized by the Department.

§46-01 Scope.

These rules are applicable to all film and photography shoots and related activities conducted on properties and within facilities under the jurisdiction of, and with permission from, the Department of Environmental Protection that shall be authorized by a permit issued by the Mayor’s Office of Film, Theatre and Broadcasting. Nothing contained herein shall be construed to relieve an applicant from being required to comply with any other applicable law, rule or case law governing such activities.

§46-02 Definitions.

For the purposes of this chapter, the following terms shall have the following meanings:

“Commissioner” means the Commissioner of the Department of Environmental Protection or his or her designee.

“Bureau of Public Affairs and Communications” or “BPAC” means the unit of DEP that, among other things, oversees the filming, photography and related activities that are conducted on properties and within facilities under the jurisdiction of DEP.

“Department” or “DEP” means the Department of Environmental Protection.

“Equipment” includes, but is not limited to, television, photographic, film or video cameras or transmitting television equipment, including radio remotes, props, sets, lights, electric and grip equipment, dolly tracks, screens, or microphone devices, and any and all production related materials. “Equipment” does not include (1) “hand-held devices,” as defined in Section 9-02 of the Mayor’s Office of Film, Theatre and Broadcasting Film Permit Rules, and (2) vehicles, as defined in section one hundred fifty-nine of the New York Vehicle and Traffic Law, that are used solely to transport a person or persons while engaged in the activity of filming or photography from within such vehicle, operated in compliance with relevant traffic laws and rules.

“Filming” means the taking of motion pictures, the taking of still photography or the use and operation of television cameras or

transmitting television equipment, including radio remotes and any preparatory activity associated therewith, and includes events that include, but are not limited to, the making of feature or documentary films, television serials, webcasts, simulcasts or specials.

“Holding” means the temporary accommodation of cast or crew members and other individuals associated with a production in a space in which filming is not taking place. “Holding” may include the space in which an independent company provides meals or catering services to cast or crew members and other individuals associated with a production.

“MOFTB Film Permit Rules” means the rules promulgated by the Mayor’s Office of Film, Theatre and Broadcasting (“MOFTB”), codified as Chapter 9 of Title 43 of the Rules of the City of New York, as amended from time to time.

“Permittee” means the holder of a Required Permit issued by the Mayor’s Office of Film, Theatre and Broadcasting in accordance with Sections 9-01 and 9-02 of the MOFTB Film Permit Rules.

“Photography” means the taking of moving or still images.

“Required Permit” means the permit for filming or photography issued by MOFTB in accordance with Sections 9-01 and 9-02 of the MOFTB Film Permit Rules.

“Rigging/de-rigging” means the loading in or loading out, loading or unloading, of any shooting or production related equipment, including, but not limited to, props, sets, electric and grip equipment, at any location, time and date where film or production is not occurring. Such term has the same meaning as the commonly used term “prepping/wrapping.”

“Scouting” means the act of viewing, assessing and photographing locations for filming or photography during pre-production or production for, including, but not limited to, still photography, feature films, television series, mini-series or specials.

“Shooting” means filming on properties, in the interiors or on exteriors of buildings or facilities under the jurisdiction of DEP.

§46-03 Pre-Production Scouting.

- (a) Any person interested in conducting scouting-related activities on properties or within facilities under the jurisdiction of DEP must first contact BPAC for authorization and to make arrangements for such scouting.
- (b) If after conducting scouting-related activities it is determined that a filming or photography project or production will be pursued, the applicant must submit the documentation and resolve production issues described in Section 46-04 of this chapter.

§46-04 Required Documentation and Approvals from DEP.

- (a) The following forms and documents, which are required for DEP review and approval prior to obtaining a Required Permit from MOFTB, must be submitted to BPAC at least ten (10) business days prior to the start date of prepping or rigging for any filming of a motion picture, and five (5) business days prior to the start date of prepping or rigging for any other film and/or photography shoots:
 - (1) “Letter of Intent” in the form required by DEP, signed by the applicant;
 - (2) A location agreement in the form required by DEP signed by the applicant; and
 - (3) Proof of insurance, as provided in Section 46-06 of this chapter; and
 - (4) Any other documents, including, but not limited to, equipment specifications and architectural renderings that may be required by BPAC.

The Commissioner or his or her designee may approve an exception to the minimum time frames referenced in subdivision (a) of this section if the nature and scope of the activity to be undertaken support a request that a shorter time within which to submit requisite forms and documents be granted.

- (b) In connection with submitting the Letter of Intent required by subdivision (a)(1) of this section, the applicant must submit documentation and DEP will review and issue determinations concerning the following types of issues:
 - (1) Structural conditions, equipment specifics, weight, load and other similar considerations.
 - (2) The use of smoke, pyrotechnics, firearms, weapons, animals and other special effects or unusual scenes, which will also be subject to all applicable laws, rules and other governmental policies regarding such activities.
- (c) Where appropriate, an applicant may be required to attend a security meeting with DEP staff, depending on the nature and location of the activity to be undertaken.

- (d) Determinations about all DEP staffing matters, including decisions regarding the scope, type, number or level of staff required, will be made by DEP.
- (e) BPAC will review the documentation provided in accordance with subdivision (a) of this section, and will attempt to accommodate particular technical needs and any other special circumstances, including approvals from DEP engineers or other personnel, that may be presented by the applicant.
- (f) Where BPAC has approved an applicant’s documentation required pursuant to subdivision (a) of this section, it will notify MOFTB about such approval.

§46-05 Application for Required Permit from MOFTB

A Required Permit must be applied for and issued in accordance with the provisions of Section 9-02 of the MOFTB Film Permit Rules after the documentation required by Section 46-04 of this chapter has been completed by the applicant and reviewed by DCAS; production issues have been resolved with DEP; and DEP approval has been received.

§46-06 Indemnification and Insurance Requirements

- (a) Prior to the commencement of prepping or rigging for film and/or photography shoots on properties or within facilities under the jurisdiction of DEP, a permittee must provide to BPAC a copy of insurance documentation and a copy of the Required Permit in order to obtain final DEP authorization for such production.
- (b) By obtaining a Required Permit from MOFTB, a permittee who is authorized to conduct film shoot and/or photography shoot activities on properties or within facilities under the jurisdiction of DEP agrees to protect all persons and property from damage, loss or injury arising from any of the operations performed by or on behalf of such permittee, and to indemnify and hold harmless the City of New York, to the fullest extent permitted by law, from all claims, losses and expenses, including attorneys’ fees, that may result therefrom.
- (c) A permittee who has been authorized by DEP to conduct film shoot and/or photography shoot activities on properties or within facilities under the jurisdiction of DEP must maintain, during the entire course of its operations, a liability insurance policy with a limit of not less than one million dollars (\$1,000,000) per occurrence. Such policy must name the City of New York as an additional insured with coverage at least as broad as provided by Insurance Services Office (ISO) form CG 20 12 (07/98 ed.). The permittee must provide to DEP the original certificate of insurance signed in ink to which a copy of the required endorsement is attached.
- (d) If it is determined, in light of the activity for which a Required Permit shall be sought, that such activity may increase the potential for injury to individuals and/or damage to property, and that the minimum limit of insurance should be higher than one million dollars (\$1,000,000) per occurrence referenced in subdivision (c) of this section, it will be determined what higher minimum limit is to be required and the permittee will be advised of such higher limit. Factors to be considered will include, but not be limited to, the number of people involved, the location of the activity and the nature of the activity. The permittee must thereafter provide proof of such insurance in accordance with this section.

§46-07 Production Requirements.

- (a) Holding on properties and within facilities under the jurisdiction of DEP is available only for those productions taking place on or within such properties or facilities, upon the approval of the DEP official responsible for operations at the facility or property in question or his or her designee.
- (b) DEP will provide security personnel to protect City property under its jurisdiction during production activities at DEP properties and facilities, the cost of which must be reimbursed by the permittee.
- (c) All individuals affiliated with the permittee and the production will be required to present a valid, government-issued photo identification card to receive security clearance to have access to properties and facilities under the jurisdiction of DEP where the production and related activities are taking place.
- (d) All individuals affiliated with the permittee and the production must wear a laminated identification card on DEP properties and within DEP facilities under the jurisdiction of DEP. The identification cards shall be similar in form and include the name of the production. Failure to display such identification cards at all times may lead to ejection from such properties and facilities.
- (e) All production equipment and props brought to properties and facilities under the jurisdiction of DEP shall be subject to inspection at any time prior to or during the production.
- (f) DEP will not be responsible for any injury to persons and/or

damage or loss to any property on properties and within facilities under the jurisdiction of DEP arising from any of the operations performed by or on behalf of the permittee.

§46-08 Post-Production Requirements.

- (a) A permittee is responsible for cleaning and restoring the properties and facilities under the jurisdiction of DEP after the rigging, shooting and/or holding. The cost of any DEP employee time incurred due to a permittee failing to clean and/or restore such properties and facilities following the rigging, shooting and/or holding will be borne by the permittee and reimbursed to DEP.
(b) Any fixtures, furniture, books, doors, windows, walls, and other structures and/or objects must be returned to their original position and/or restored to their original condition by the permittee during the de-rigging, unless the permittee has obtained prior approval from the DEP official responsible for operations at the facility or property in question or his or her designee. The permittee must immediately remove any props used during the production from properties and facilities under the jurisdiction of DEP. The permittee must reimburse DEP for any property and facility damage arising from such production activities.
(c) At the conclusion of all film and photography shoots, the permittee must reimburse DEP for all production related costs including, but not limited to, DEP personnel costs contemplated by Sections 46-04(d) and 46-07(b) of this chapter and subdivision (a) of this section, including administrative overhead costs, and reimbursement for any property or facility damage in accordance with subdivision (b) of this section. If the permittee cancels any of its production-related activities twenty-four (24) hours or less prior to the scheduled commencement of such activities on properties or within facilities under the jurisdiction of DEP, the permittee may be subject to the reimbursement of costs for DEP personnel assigned to staff such production.
