The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children’s Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)

AGENCY RULES

ENVIRONMENTAL CONTROL BOARD

■ NOTICE

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Environmental Control Board (ECB) in accordance with Sections 1049-a and 1043 of the New York City Charter and Section 28-202.1 of the New York City Administrative Code. The ECB has amended its Department of Buildings (DOB) Penalty Schedule. This schedule is found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. It contains penalties for notices of violation issued by the New York City DOB. The proposed rule was published in the City Record on October 8, 2015 and a public hearing was held on November 10, 2015.

Statement of Basis and Purpose of Final Rule

The New York City Environmental Control Board ("ECB") has modified the ECB Buildings Penalty Schedule to reflect the 2014 updates to the NYC Construction Codes and to more clearly and effectively allow the New York City Department of Buildings ("DOB") to enforce particular sections of law.

The ECB held a public hearing on November 10, 2015 regarding amendments to its Department of Buildings Penalty Schedule found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. One representative from DOB attended the public hearing. No written comments or oral testimony concerning this Proposed Rule were received at the November 10, 2015 public hearing.

The 2014 updates to the NYC Construction Codes amended the Administrative Code of the City of New York, the New York City Plumbing Code, the New York City Building Code, the New York City Mechanical Code and the New York City Fuel Gas Code, and brought these codes up to date with the 2009 editions of the International Building, Mechanical, Fuel Gas and Plumbing Codes.

The updates amended existing requirements, added new requirements and renumbered existing sections of these Codes. The Buildings Penalty Schedule has been amended to reflect some of these changes. The rule amends the Buildings Penalty Schedule by:

- updating sections of law for certain violations ("Failure to provide pedestrian protection for sidewalks and walkways," "New building or open lot occupied without a valid certificate of occupancy," and "Failure to obey a vacate order"),
- updating descriptions for certain violations ("New building or open lot occupied without a valid certificate of occupancy" and "Failure to obey a vacate order"),
- deleting one existing violation ("Use of supported scaffold without a scaffold user certificate"), and
- adding one new violation ("Scaffold training certificate card not readily available for inspection").

Penalty amounts for all existing violations remain unchanged. All penalties fall within the guidelines for all classes of violations, as stated in Section 28-202.1 of the New York City Administrative Code. The statutory maximum for each class of violation is:

- Class 3 (lesser violation) - \$500,
- Class 2 (major violation) - \$10,000, and
- Class 1 (immediately hazardous violation) - \$25,000.

Eligible Class 2 (major) violations, and all Class 3 (lesser) violations, are indicated as curable in the penalty schedule.

[Deleted material is in brackets.]
New material is underlined.

Statement of Basis and Purpose

Statutory Authority

This amendment to Title 24 of the Rules of the City of New York ("RCNY") is promulgated pursuant to Sections 556 and 1043 of the New York City Charter ("the Charter"). Section 556 of the Charter broadly authorizes the Department of Health and Mental Hygiene ("the Department") to regulate all matters pertaining to the health of the City, including the City's food supply. Section 1043 grants the Department rule-making authority.

Background

A new §1352-e of the New York State Public Health Law ("PHL") authorizes operators of food service establishments to allow companion or pet dogs to accompany owner-patrons in certain outdoor dining areas of their establishments, subject to control measures approved by a locality's enforcement agency.

In the City of New York ("the City"), the Department is such enforcement agency, and the Commissioner of the Department is the "permit issuing official" designated in the New York State Sanitary Code (10 NYCRR Chapter 1) to enforce provisions of the Sanitary Code applicable to the operation of food service establishments. Food service establishments in the City are also subject to provisions of the New York City Health Code, Chapter 23 (Title 24 of the RCNY) and various provisions of the New York City Administrative Code and the State Public Health Law. The Department's Division of Environmental Health enforces the provisions of the Administrative, Sanitary and Health Codes and Department rules applicable to food service establishments.

PHL §1352-e overrides New York City Health Code §81.25 and New York State Sanitary Code §14-1.183, which together prohibit any live animals other than service animals and food fish in tanks in such establishments. PHL §1352-e authorizes the owners and operators of food service establishments to decide whether to allow dogs other than service animals in their establishments provided that the "owner ensures compliance with local ordinances related to sidewalks, public nuisance and sanitation; and ... such other control measures approved by the enforcement agency are complied with." These proposed amendments to the Department's rules would constitute the "control measures approved by the enforcement agency."

Proposed Rule

These control measures are necessary to safeguard public health and safety. The proposed rule amends Title 24 of the Rules of the City of New York ("RCNY") to:

- Define terms used in the Chapter in accordance with definitions used in the New York City Health Code and other applicable law;
- Authorize owners of food service establishments to continue to prohibit dogs;
- Require certain policies to be established if owners allow dogs in their establishments, such as only licensed and currently vaccinated dogs may enter establishments;

- Require signage as to whether dogs are being allowed;
- Specify how sanitary conditions are to be maintained and require fencing; and
- Provide that any violation of this Chapter will be cited as a violation of and bear the same penalties as a violation of §81.25 of the Health Code.

The proposed rule is as follows.

New text is underlined.

"Shall" and "must" denote mandatory requirements and may be used interchangeably.

Section 1. Title 24 of the Rules of the City of New York is amended by adding a new Chapter 32 to read as follows:

CHAPTER 32

DOGS IN OUTDOOR DINING AREAS

§32-01 Definitions.

§32-02 Permittee policies and procedures; required control measures.

§32-03 Signage.

§32-04 Physical facilities and sanitation.

§32-05 Penalties.

§32-01 **Definitions.** When used in this Chapter, the following terms have the following meanings:

- Animal nuisance. Animal nuisances include, but are not limited to, animal feces, urine, blood, body parts, carcasses, vomitus and pervasive odors; animals carrying, or ill with, diseases communicable to persons or other animals; and dangerous dogs.
- Food has the same meaning as in Article 71 of the New York City Health Code (Health Code).
- Food service establishment means (i) an establishment with outdoor dining areas that is permitted by the Department pursuant to Health Code §81.05 or (ii) a retail food establishment or market with outdoor dining area(s) selling food directly to patrons for on premises consumption that is licensed by the Commissioner of the State Department of Agriculture and Markets.
- Licensed means that the dog's owner has obtained the dog license required by Chapter 115 of the Laws of 1894, as amended, or that the owner, if not a resident of New York City, has obtained a license to own or harbor the dog as required by the laws of the jurisdiction in which the owner resides.
- Outdoor dining area means an area operated and controlled by a food service establishment that is located outdoors and is used by patrons of the establishment to dine. Such areas include, but are not limited to, (i) a licensed unenclosed sidewalk café as defined in the §20-223(c) of the Administrative Code of the City of New York (Administrative Code) or successor provision, and (ii) an outdoor dining area not located on a sidewalk that is accessed directly from the street or through a passage of the establishment, if such passage is completely separated from any dining, food preparation or food, equipment or utensil storage areas of the establishment. An enclosed sidewalk café, as defined in §20-223(b) of the Administrative Code, is not an outdoor dining area.
- Permittee means (i) the person or entity holding a permit issued pursuant to §81.05 of the Health Code to operate a food service establishment that has a designated outdoor dining area, or (ii) the owner or operator of a retail food establishment holding a permit or license issued by the Commissioner of the New York Department of Agriculture and Markets if such retail establishment serves food for immediate consumption at an outdoor dining area.
- Under control of the dog's owner means that the dog is on the floor of the outdoor dining area, within arm's length reach of the owner; and is (i) on a leash securely held by the owner, (ii) a leash tied to a table or chair leg, or (iii) in a crate.

§32-02 Permittee policies and procedures; required control measures.

- Permittee's discretion. A permittee may choose to allow dogs that are not service dogs to accompany their owners in the outdoor dining areas of the permittee's establishment, in accordance with §1352-e of the New York Public Health Law and this Chapter. A permittee is not obligated to allow dogs, other than service dogs, to be in outdoor dining areas of an establishment and nothing in these rules shall give a dog owner the right to bring a dog into any establishment where dogs are prohibited by the owner or this Chapter.
- Required control measures. Permittees who choose to allow dogs other than service dogs to be with their owners in outdoor

dining areas must comply with this Chapter, and may impose any restrictions or additional control measures that they deem necessary for controlling dogs in their outdoor dining areas.

- (1) Removal of dogs. The permittee must request that a dog owner remove from the establishment any dog that menaces, threatens or bites any person or other dog. The permittee shall not serve a dog owner who refuses to comply with a request to remove such a dog.
- (2) Dogs to be licensed and vaccinated. A dog must be licensed and have a rabies vaccination to be with its owner in an outdoor dining area. Permittees must check to see that dogs are wearing a collar with a license tag.
- (3) Injury reports. A permittee must report to the Department any bite or other injury to a person caused by a dog within 24 hours of the injury. The report must be submitted to "311" by telephone or electronically. The report must include the name, address and phone number of the dog's owner, the dog's license number, and the name, address and phone number of the person bitten. Permittees must call "911" immediately following an injury to a person when the owner of a dog that bites or causes other injury refuses to provide his or her contact information.
- (4) Access limited to outdoor dining areas. Dogs other than service dogs are not allowed in any area of a food service establishment that is not an outdoor dining area as defined in §32-01 of this Chapter.
- (5) Aisle space. Dogs may not obstruct the 36-inch aisle space between tables in unenclosed sidewalk cafés, as required by 10 RCNY § 2-55(a), or successor provision.

§32-03 Signage.

A permittee who allows dogs that are not service dogs to accompany their owners in outdoor dining areas must post the following sign at or near the entrance to the food service establishment:

Companion dogs are only allowed in certain outdoor dining area(s) of this establishment.

Only service dogs are allowed in other parts of this establishment.

Your companion dog must be licensed and currently vaccinated against rabies to remain in the outdoor dining area with you.

You are responsible for controlling your dog at all times.

§32-04 Physical facilities and sanitation.

- (a) Facilities to be clean, sanitary. In accordance with Article 81 of the Health Code, the Agriculture and Markets Law and rules of the Commissioner of the State Department of Agriculture and Markets, permittees must maintain outdoor dining areas in a clean and sanitary condition at all times. Dogs must not be allowed to touch any dining table surfaces.
- (b) Animal nuisances to be removed immediately. Animal nuisances, including, but not limited to, feces, urine, blood, or vomitus, must be removed immediately by establishment employees who do not also prepare or serve food. Areas contaminated with such nuisances must be cleaned and sanitized immediately upon the removal of the nuisance. Animal nuisances must be disposed of in accordance with applicable law.
- (c) Barriers. If an outdoor dining area where dogs are permitted to be abuts a sidewalk, there must be a barrier between that area and the sidewalk that prevents dogs in the outdoor dining area from having contact with persons or animals on the sidewalk.

§32-05 Penalties.

Violations of this Chapter shall be cited and shall have the same penalties imposed as other violations of §81.25 of the Health Code, or successor provision, listed in Appendix 23-C of Chapter 23 of this title.

Statement of Basis and Purpose of Proposed Rule

In 2000, Congress passed the Victims of Trafficking and Violence Prevention Act to encourage victims regardless of immigration status to report crimes and contribute to investigations and prosecutions and to support law enforcement efforts to investigate and prosecute crimes committed against immigrant victims. The law authorized U nonimmigrant status ("U visa"), which can be sought by immigrant victims of certain crimes who previously assisted, are currently assisting, or are likely to be helpful to law enforcement in the investigation or prosecution of the crime. The U visa is issued by the United States Citizenship and Immigration Services ("USCIS"), and once granted it provides these victims with temporary nonimmigrant status so that they can remain in the United States while assisting law enforcement.

To be eligible for a U visa, immigrant victims must satisfy several federal statutory requirements, which include a completed law enforcement certification (USCIS Form I-918, Supplement B). Under the law, local law enforcement agencies, such as the New York City Police Department ("NYPD"), have the discretion to approve or deny a certification. The NYPD is committed to serving all communities in the City of New York, especially those vulnerable to victimization, and recognizes the value of completing certifications and supporting immigrant victims of crime who are helpful in investigations or prosecutions. However, USCIS has sole authority to grant immigration benefits, including the U visa. Therefore, an approved and completed certification by the NYPD does not guarantee a U visa or any legal immigration status.

The NYPD is proposing the following rule to inform the public about the NYPD's U visa certification process. The rule:

- Directs the manner by which applicants may request U visa certifications,
- Provides a timetable within which the NYPD will process such requests, and
- Specifies the appeals process for denials of such requests.

New material is underlined
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section one. Title 38 of the Rules of the City of New York is amended to add a new Chapter 22 to read as follows:

CHAPTER 22

REQUESTING U VISA CERTIFICATIONS

§22-01 Definitions

- "Applicant" means a person who requests a U visa certification.
- "Department" means the New York City Police Department.
- "Qualifying crime" means the categories of crimes prescribed by 8 U.S.C. § 1101(a)(15)(U)(iii) and 8 C.F.R. § 214.14(a)(9).
- "U visa" means U nonimmigrant status as designated by United States Citizenship and Immigration Services (USCIS).
- "U visa certification" means USCIS Form I-918, Supplement B, U Nonimmigrant Status Certification, a document that the Department may, at its discretion, complete for eligible victims of qualifying crimes who are petitioning USCIS for a U visa.

§22-02 Request for U visa certification

- (a) Letter required. An applicant requesting a U visa certification from the Department must submit a letter in accordance with the requirements of this section. The applicant must type or clearly print the letter.
- (b) Required information. The letter must:
 - (1) Provide the applicant's full name (including any middle names and other names, such as maiden names or nicknames), date of birth, gender, phone number, and address;
 - (2) Describe the qualifying crime(s), including the date(s) and location(s) of the occurrence(s);
 - (3) Specify how the applicant has assisted, is assisting, or is likely to be helpful to the Department in the investigation or prosecution of the qualifying crime(s); and
 - (4) Designate a return mailing address directing where the Department may send written correspondence related to the request.
- (c) Submission. The applicant must submit the letter by mail to the Department's designated U visa office, as prescribed on the Department's website.

§22-03 Department Response and Appeals

- (a) Department response. Within 45 days of receiving a request for U visa certification, the Department will notify the applicant, in a letter sent to the applicant's designated return mailing address, that: (1) the request is approved or denied, or (2) the request requires more than 45 days of review. If the request is denied, the Department will also notify the applicant of the basis for the denial and the process for appealing the denial ("Department denial letter"). If the request requires more than 45 days of review, the Department will also provide a reasonable estimate of when a determination will be made.
- (b) Appeals.
 - (1) Within 90 days of the date of the Department denial letter, an applicant appealing a denial of a request for a U visa certification must mail a typed or clearly printed letter to the Department's designated U visa appeals office as specified by the Department denial letter. The applicant's letter must state the basis for appeal and include with the letter a copy of the Department denial letter.
 - (2) Within 90 days of receiving an applicant's letter appealing a denial, the Department will send a letter to the applicant's designated return mailing address notifying the applicant that the appeal:
 - (i) is rejected and the initial denial is upheld; or
 - (ii) is granted and the Department will issue a U visa certification; or
 - (iii) requires more than 90 days to review, in which case the Department will also provide a reasonable estimate of when a determination will be made.

The National Oilheat Research Alliance (NORA) will resume full operations in 2015 with the fee expanding to #4 heating oil. This fee will apply to heating oil invoices only. The fee collections began January 1, 2015. All other terms and conditions of these awards remain the same. Please contact this office if you have any questions.

The Bio-Diesel Blender Tax Credit was reinstated for 2014. As of January 1, 2015, the Bio-Diesel Blender Tax Credit has been rescinded for \$1.00 per gallon on B100. Therefore, for deliveries after January 1, 2015, the contractor will be collecting additional fees which will be shown as a separate line item on the invoice. The additional fee for items will range from \$0.05 for B5 to \$0.20 for B20 per gallon, varying on the percentage of biodiesel to be used. Should the tax credit be extended, this additional fee will be discontinued and removed from the invoice.

Federal excise taxes are imposed on taxable fuels, (i.e., gasoline, kerosene, and diesel), when removed from a taxable fuel terminal. This fuel excise tax does not include Leaking Underground Storage Tank (LUST) tax. LUST tax applies to motor fuels for both diesel and gasoline invoices. Going forward, LUST Tax will appear as an additional fee at the rate of \$0.001 per gallon and will be shown as a separate line item on your invoice.

REMINDER FOR ALL AGENCIES:

Please send inspection copy of receiving report for all gasoline (E70, UL & PREM) delivered by tank wagon to OCP/Bureau of Quality Assurance (BQA), 1 Centre Street, 18th Floor, New York, NY 10007.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
