HOW TO QUALIFY:

Education and Experience Requirements: By the last day of the Application Period you must have:

A baccalaureate degree in chemical engineering from an accredited college and one year of full-time satisfactory experience in chemical engineering work; or a baccalaureate degree in chemical engineering from an accredited college and a master’s degree in chemical engineering from an accredited college. A master’s degree in chemical engineering from an accredited college can only be used to substitute for one year of full-time satisfactory work experience in chemical engineering.

A degree in any other engineering area, or in any engineering technology area, is not acceptable.

The college or university must be accredited by regional, national, professional, or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education and by the Council for Higher Education Accreditation (CHEA).

You are responsible for determining whether or not you meet the qualification requirements for this examination prior to submitting your application. If you are marked “Not Qualified,” your application fee will not be refunded and your test paper will not be rated.

Residency: City residency is not required for this position.

English Requirement: You must be able to understand and be understood in English.

Proof of Identity: Under the Immigration Reform and Control Act of 1986, you must be able to prove your identity and your right to obtain employment in the United States prior to employment with the City of New York.

REQUIRED FORMS:

1. Application for Examination: Make sure that you follow all instructions included with your application form, including payment of fee. Save a copy of the instructions for future reference.

2. Education and Experience Test Paper: Fill out Sections A.1 (if applicable), A.4, A.5 (if applicable), B and D (if applicable). This form must be filled out completely and in detail for you to receive your proper rating. Keep a copy of your completed Education and Experience Test Paper for your records. If you are applying by mail, write your social security number in the box at the top right side of the cover page, and the examination title and number in the box provided. Be sure to write your examination number and social security number on each of the remaining pages of this form. If you are applying online, follow the online instructions.

3. Foreign Education Fact Sheet (Required only if you need credit for your foreign education to meet the education and experience requirements): If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation are listed on the Foreign Education Fact Sheet included with your application packet. When you contact the evaluation service, ask for a "document-by-document" (general) evaluation of your foreign education. You must have one of these services submit its evaluation of your foreign education directly to the Department of Citywide Administrative Services no later than eight weeks from the last date for applying for this examination.

THE TEST: Your score will be determined by an education and experience test. You will receive a score of 70 points for meeting the education and experience requirements listed above. After these requirements are met, you will receive credit up to a maximum of 100 points on the following basis:

Additional Credit:

For full-time satisfactory experience in chemical engineering work performed subsequent to receiving a baccalaureate degree in chemical engineering from an accredited college, you will receive:

(A) 15 points for at least one year but less than two years of experience; and

(B) 30 points for two or more years of experience.

You will receive a maximum of one year of experience credit for each year you worked. If you have any of the above experience on a part-time basis, it will be credited according to the equivalent percent of full-time experience. Experience used to meet the qualification requirements cannot be used to gain additional credit. Education and experience must be obtained by the last day of the application period.

THE TEST RESULTS: If you pass the education and experience test your name will be placed in final score order on an eligible list and you will be given a list number. You will be notified by mail of your test results. If you meet all requirements and conditions, you will be considered for appointment when your name is reached on the eligible list.
ADDITIONAL INFORMATION:

Selective Certification for Positions Requiring Driver License: If you have a motor vehicle Driver License that is valid in the State of New York, you may be considered for appointment to positions requiring this license through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this license. If you wish to apply for this Selective Certification, state “driver license” in Section D on page 4 of the Education and Experience Test Paper. Your Driver License will be checked by the appointing agency at the time of appointment. This requirement may be met at any time during the duration of the list. If you meet the Selective Certification requirement at some future date, please submit documentation by mail to: DCAS Bureau of Examinations - TELEG, 1 Centre Street, 14th floor, New York, NY 10007.
