Service during the above time periods that is not continuous may result in lower seniority credit. No additional credit will be given for more than 10 years of service in the eligible title nor will credit be given for more than the actual amount of service an eligible has, except as provided by Section 243 of the State Military Law. Any person who, pursuant to Court Order or otherwise, has been accorded retroactive seniority by the Department of Citywide Administrative Services in the eligible titles shall be given appropriate credit. Time off payroll may be deducted from your seniority score. In addition, if permanent service in any one or combination of the eligible titles has been interrupted by a break in service of more than one year, then only time served subsequent to the break in service will count for seniority purposes.
