YOU ARE RESPONSIBLE FOR READING THIS NOTICE IN ITS ENTIRETY BEFORE YOU SUBMIT YOUR APPLICATION.

WHAT THE JOB INVOLVES: Supervising Hospital Care Investigators (HHC), under general supervision, supervise and train Senior Hospital Care Investigators (HHC) in charge of a unit or units responsible for conducting financial investigations and related activities in hospitals and/or health care facilities to determine patients’/clients’ ability to pay for medical services or to determine alternative sources of payment, including eligibility for medical insurance coverage; recommend and/or take necessary actions to bill and collect for medical services; provide guidance and/or direct investigations for complex cases to reach a resolution and facilitate payment. All Supervising Hospital Care Investigators (HHC) perform related work.

Special Working Conditions: Supervising Hospital Care Investigators (HHC) may be required to work shifts including nights, Saturdays, Sundays, and holidays.

THE SALARY: The current minimum salary is $54,348 per annum. This rate is subject to change.

HOW TO APPLY: If you believe you are eligible to take this examination, submit an application on the Online Application System (OASys) at www.nyc.gov/examsforjobs. Follow the onscreen application instructions for electronically submitting your application and payment, and completing any required information. A unique and valid email address is required to file online. Several internet service providers, including but not limited to Google, Yahoo!, AOL, Outlook.com, and Mail.com offer free email addresses. All new OASys accounts require verification before a candidate can submit an application to ensure the accuracy of candidate information. Verification is instantaneous for most accounts, but some accounts may require up to 24 hours to be reviewed by a staff member and resolved. Email notification will be sent to those creating accounts that require additional documentation before they can be resolved. Please keep this information and the application period deadline in mind when creating your account. The following methods of payment are acceptable: major credit card, bank card associated with a bank account, or a prepaid debit card with a credit card logo which you may purchase online or at various retail outlets.

If you are receiving or participating in certain forms of public assistance/benefits/programs, or are a veteran, you may qualify to have the application fee waived. For more information on eligibility for a fee waiver and documentation requirements, visit the Fee Waiver FAQ on the Online Application System at https://a856-eexams.nyc.gov/OLEE/oasys/FAQFeeWaiver.aspx.

You may come to the DCAS Computer-based Testing & Applications Centers to file for this examination online and submit a money order payable to DCAS (Exams) or to submit documentation for a fee waiver.
THE TEST: In order to be eligible for promotion, you must have completed your probationary period in the eligible title as indicated in the above "Eligibility To Take Examination" section, and you must be permanently employed in the eligible title or your name must appear on a Preferred List for the eligible title at the time of promotion.

Assignment of Duties: Section 424-a of the NYS Social Services Law requires an authorized agency to inquire whether a candidate selected for employment who will have regular and substantial contact with children is, or has been, the subject of an indicated child abuse and maltreatment report on file with the Statewide Central Register. Statewide Central Register checks will be obtained as part of the background screening process for selected candidates. Candidates who have been the subject of an indicated child abuse and maltreatment report may not be hired or assigned to any position that requires regular and substantial contact with children.

The Protection of People with Special Needs Act: Article 20 of the NYS Executive Law and Article 11 of the NYS Social Services Law require an authorized agency to inquire whether a candidate selected for employment to a position with the potential for regular and substantial contact with vulnerable persons with special needs has been found responsible for serious or repeated acts of abuse and neglect through a check of the Staff Exclusion List maintained by the NYS Justice Center for the Protection of People with Special Needs. Candidates who have substantiated/indicated cases on file with the Staff Exclusion List will not be hired or assigned to a position with the potential for regular and substantial contact with vulnerable persons with special needs.

THE TEST: The multiple-choice test may be given at a computer terminal or in paper and pencil format. You will be informed of the format on your Admission Notice. A score of at least 70% is required to pass this test. Your score on this test will determine 85% of your final score. Your seniority will determine the remaining 15%. You must pass the multiple-choice test to have your seniority credited. Your seniority score will be 70 plus 1/2 point for each three months of completed, permanent, continuous service with the Health and Hospitals Corporation in competitive class titles. Your service will be credited through the date of the test, up to a maximum of 15 years. Time served prior to a break in service of more than one year will not be credited.

The multiple-choice test is designed to assess the extent to which candidates have certain abilities and knowledge determined to be important to the performance of the tasks of a Supervising Hospital Care Investigator. Task categories to be tested are as follows: Provides direct supervision and training of Senior Hospital Care Investigators in charge of individual units conducting investigations to determine eligibility and/or reviewing applications for eligibility for medical assistance; Monitors and follow-up on cases, prepares statistical records and status reports; Prepares Performance Evaluations, attends meetings and monitors time and leave; Interacts with patients, agencies and the general public.

The test may include questions requiring mastery of technical knowledge based on such materials as HHC, state and federal rules and regulations, Third party billing requirements including managed care; Billing guidelines for various insurances; Medicare coverage and benefit periods; HIPPA privacy protection rule; Human Resources Administration guidelines to process medical applications; Rules and Regulations of the New York State Department of Health; Labor Relations Guidelines; New York State of Health aka "Marketplace" Medicaid applications and guidelines; and the Mayors Executive Order No. 16 of 1978 as amended.
The test will include questions which may require the use of any of the following abilities:

**Analytical Thinking:** Analyzing information and using logic to address specific work-related issues and problems; involves the identification of problems, not implementation of solutions. **Example:** Supervising Hospital Care Investigators may use this ability when presented with complex cases; reviewing “high dollar” cases; determining the timeliness of insurance providing authorization; determining potentials for maximizing revenue.

**Quantitative Analysis & Interpretation:** Analyzing, interpreting and understanding the underlying principles and meaning of numerical data; recognizing inconsistencies and errors in reports containing numerical data. May involve making projections. **Example:** Supervising Hospital Care Investigators may use this ability when checking reports to ensure that it has the accurate data or when analyzing the Discharged Not Final Billed (DNFB) daily.

**Judgment & Decision-Making:** Reviewing information to develop and evaluate the relative costs and benefits of potential solutions to problems and choosing the most appropriate one; implementing a course of action determined by thinking analytically. While similar to Planning & Organizing, Judgment and Decision-Making are typically applied over a shorter time frame. **Example:** Supervising Hospital Care Investigator may use this ability when re-assigning “aging” incomplete cases or when resolving complex cases.

**Planning & Organizing:** Establishing a method of execution to accomplish a specific goal over an extended period of time; determining appropriate assignments and allocation of resources. **Example:** Supervising Hospital Care Investigators may use this ability when completing staff assignments to ensure that there is adequate coverage.

**Management of Personnel Resources:** Motivating, developing and directing people as they work, identifying the best people for the job; managing employees needed to accomplish tasks. **Example:** Supervising Hospital Care Investigators may use this ability when assisting Senior Hospital Care Investigators and Hospital Care Investigators with resolving difficult cases.

**Monitoring:** Monitoring/assessing performance of oneself, other individuals or organizations to make improvements or take corrective action; overseeing the quality of performance. **Example:** Supervising Hospital Care Investigators may use this ability when ensuring that Senior Hospital Care Investigators and Hospital Care Investigators are performing their duties outlined in their tasks and standards and when overseeing the DNFB trends.

**Written Comprehension:** Understanding the information and ideas presented in written sentences and paragraphs in work-related documents. **Example:** Supervising Hospital Care Investigators may use this ability when ensuring all information is filled out accurately on Medicaid applications.

**Written Expression:** Appropriately communicating information and ideas in written words and sentences so intended audience will understand. **Example:** Supervising Hospital Care Investigators may use this ability when relaying complex information to staff regarding updated guidelines or procedures.

**Coaching & Mentoring:** Identifying the developmental needs of others and coaching, mentoring, or otherwise helping others to improve their knowledge or skills. **Example:** Supervising Hospital Care Investigators may use this ability when providing training for Senior Hospital Care Investigators and/or Hospital Care Investigators.

**Attention to Detail:** Being careful about detail and thorough in completing work tasks. **Example:** Supervising Hospital Care Investigators may use this ability when selecting cases for the “huddle” or maintaining the DNFB board.

**Updating & Using Relevant Knowledge:** Keeping up-to-date technically and applying new knowledge to the job. **Example:** Supervising Hospital Care Investigators may use this ability when updating the training manual or utilizing terminology on the job.

Certain questions may need to be answered on the basis of documents or other information supplied to the candidates on the date of the multiple-choice exam.

**Warning:** You are not permitted to enter the test site with cellular phones, beepers, pagers, cameras, portable media players, or other electronic devices.
