NOTICE OF EXAMINATION

ENVIRONMENTAL ENGINEER

Exam No. 7036

WHEN TO APPLY: From: January 4, 2017
 To: January 31, 2017

APPLICATION FEE: \$82.00

If you choose to pay the application fee with a credit/debit/gift card, you will be charged a fee of 2.49% of the payment amount. This fee is nonrefundable.

YOU ARE RESPONSIBLE FOR READING THIS NOTICE IN ITS ENTIRETY BEFORE YOU SUBMIT YOUR APPLICATION.

WHAT THE JOB INVOLVES: This class of positions encompasses professional environmental engineering work of varying degrees of difficulty and responsibility. There are three Assignment Levels within this class of positions.

At Assignment Level I: Environmental Engineers, under general supervision, perform responsible supervisory work, or difficult and responsible work in the field, office, or laboratory in environmental and/or fire protection engineering. Environmental Engineers act as section engineers in charge of a major environmental or fire protection engineering section or the equivalent; plan, assign, and review the work of subordinates, prepare progress reports, and may represent an agency in relations with City agencies, contractors, consultants, or their representatives, and the general public in matters relating to environmental and/or fire protection engineering; engage in, or supervise the conduct of complex and important research, investigations, studies, or examinations related to the environmental and/or fire protection engineering functions or activities of a department or agency; prepare or supervise the preparation of the basic design plan or significant and complex portions of the basic design plan, including fire protection portions for major environmental engineering projects for the construction, remodeling, operation, maintenance, or repair of public works, structures, grounds, or installations; make interpretive detail sketches or layouts of intricate or fundamental portions or aspects of the basic design plan for engineering projects as proposed or adopted, and prepare maps, designs, plans, contract and working drawings, estimates, contract specifications, and other technical specifications; approve or supervise the design, inspection, construction, demolition, and/or alteration of premises, installations, or apparatus to ensure compliance with contracts, drawings, specifications, codes, resolutions, statutes, rules, and regulations; prepare reports on contracts and contract estimates, contract modifications and recommendations of award; participate in the development of proposals for major engineering projects with regard to the acquisition, disposition, or the public or private use of City property, the conduct of surveys, and the construction, operation or maintenance of public works, plants, or structures; plan, implement, and review studies of environmental impact and pollution control devices; prepare and develop and/or supervise the preparation and development of new and revised pollution control criteria, guides and standards; supervise the operation, maintenance of all fire protection systems and their associated components and equipment, in conjunction with failsafe elements of construction; supervise the inspection operation or testing operation in a laboratory, manufacturer's plant, or on a job site, of equipment and materials to be incorporated in public works, plants, or structures; supervise the operation and maintenance of public works and the preparation of recommendations for alterations or repairs; when assigned in writing, may sign and seal engineering and other official documents; and may operate a motor vehicle in the performance of assigned duties. All Environmental Engineers perform related work.

Some of the physical activities performed by Environmental Engineers and the environmental conditions experienced are: walking to and from inspection sites and walking during inspections, climbing and descending ladders and stairs to get to the area to be inspected, standing on scaffolds, standing for an extended period of time, bending and stooping during inspections, working in confined spaces, distinguishing colors, wearing protective equipment like a hard hat, climbing over and around objects, walking and working in areas that may be damp, dark, smoky, acrid, or under construction, working outdoors in all kinds of weather.

Special Working Conditions: Environmental Engineers may be required to work shifts including nights, Saturdays, Sundays, and holidays.

(This is a brief description of what you might do in this position and does not include all the duties of this position.)

READ CAREFULLY AND SAVE FOR FUTURE REFERENCE

THE SALARY: The current minimum salary is \$63,074 per annum. This rate is subject to change. There are three assignment levels within this class of positions. Appointments will generally be made to Assignment Level I. After appointment, employees may be assigned to the higher assignment levels at the discretion of the agency.

HOW TO APPLY: If you believe you meet the requirements in the "How to Qualify" section, submit an application on the Online Application System (OASys) at www.nyc.gov/examsforjobs. Follow the onscreen application instructions for electronically submitting your application and payment, and completing any required information. A unique and valid email address is required to apply online. Several internet service providers, including but not limited to Google, Yahoo!, AOL, Outlook.com, and Mail.com offer free email addresses. **All new OASys accounts require verification before a candidate can submit an application to ensure the accuracy of candidate information. Verification is instantaneous for most accounts, but some accounts may require up to 24 hours to be reviewed by a staff member and resolved. Email notification will be sent to those creating accounts that require additional documentation before they can be resolved. Please keep this information and the application period deadline in mind when creating your account.** The following methods of payment are acceptable: major credit card, bank card associated with a bank account, or a prepaid debit card with a credit card logo which you may purchase online or at various retail outlets.

If you are receiving or participating in certain forms of public assistance/benefits/programs, or are a veteran, you may qualify to have the application fee waived. For more information on eligibility for a fee waiver and documentation requirements, visit the Fee Waiver FAQ on the Online Application System at <https://a856-eeexams.nyc.gov/OLEE/oasys/FAQFeeWaiver.aspx>.

You may come to the DCAS Computer-based Testing & Applications Centers to apply for this examination online and submit a money order payable to DCAS (Exams) or to submit documentation for a fee waiver.

The centers will be open Monday through Saturday from 9:00 AM to 5:00 PM:

Manhattan
2 Lafayette Street
17th Floor
New York, NY 10007

Brooklyn
210 Joralemon Street
4th Floor
Brooklyn, NY 11201

The DCAS Computer-based Testing & Applications Centers will be closed on Monday, January 16, 2017.

You must complete the entire examination by midnight, Eastern Time, of the last day of the application period (January 31, 2017). If you have questions about applying for this examination, you may contact DCAS at OASys@dcas.nyc.gov.

Special Circumstances Guide: This guide is located on the DCAS website at www.nyc.gov/html/dcas/downloads/pdf/misc/pdf_c_special_circumstances_guide.pdf and available at the DCAS Computer-based Testing & Applications Centers. This guide gives important information about claiming Veterans' or Legacy credit, and notifying DCAS of a change in your mailing address. Follow all instructions on the Special Circumstances Guide that pertain to you when you complete your "Application for Examination."

HOW TO QUALIFY: This is a computer-based Education and Experience Test. Your license, education, and experience will be evaluated online and you will receive immediate tentative results. You are responsible for determining whether or not you meet the qualification requirements for this examination prior to submitting your application. If you are marked "Not Qualified," your application fee will not be refunded and you will not receive a score.

License, Education, and Experience Requirements: By the last day of the Application Period (January 31, 2017) you must have:

A valid New York State Professional Engineer's License **and either:**

1. A master's degree in environmental engineering or fire protection engineering from an accredited college or university **and** three (3) years of full-time, satisfactory experience in environmental and/or fire protection engineering work; **or**
2. Four (4) years of full-time, satisfactory experience in environmental and/or fire protection engineering work.

Current New York State registration as a Professional Engineer must be maintained for the duration of your employment.

The college or university must be accredited by regional, national, professional, or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education and by the Council for Higher Education Accreditation (CHEA).

If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. This is required only if you need credit for your foreign education in this examination.

Note: When you are completing your examination, in the box labeled Original Date of Issue, enter the date you originally received your New York State Professional Engineer's License. (See Item #3C in the *Special Insert: Guide for Completing the Online Examination* for detailed instructions on how to complete the Licenses, Certificates and/or Registrations section.)

You must clearly specify in detail all of your relevant licenses, education, and experience on your Online Education and Experience Test. You have until midnight Eastern time on the last day of the Application Period (January 31, 2017) to complete and submit your Online Education and Experience Test by clicking on the "Final Submit" button or it will be automatically submitted after midnight on the last day of the Application Period (January 31, 2017). Once your Online Education and Experience Test is final submitted, it will be rated based on the information you provided and saved. If you are currently employed by the City of New York, be sure to include information about your current job. If you have applied for a previous examination, do not assume information you provided on a previous Education and Experience Test has been saved. If you are found "Not Qualified," you will **not** be able to submit new or additional information about your licenses, education, and experience online.

In order to receive credit for satisfactory experience, performing environmental engineering work, for each employment you must have performed **at least four (4)** of the tasks listed in the **Environmental Engineer Task Inventory**. (For more information, see Item #3B in the *Special Insert: Guide for Completing the Online Examination* at the end of this document).

Environmental Engineer Task Inventory

| Task Category # | Task Category |
|------------------------|---|
| 0400.0000 | Performs or supervises staff conducting environmental and/or fire protection engineering work. (12 Tasks) |
| 0400.0001 | Engages in, or supervises research, investigations, studies or examinations related to the environmental and/or fire protection engineering functions or activities of a department or agency. |
| 0400.0002 | Supervises and/or performs the inspection or testing of equipment and materials to be incorporated in public works, plants, or structures. |
| 0400.0003 | Performs, reviews, or supervises the operation and maintenance of public works and the preparation of recommendations for alterations or repairs. |
| 0400.0004 | Prepares, reviews, or supervises the preparation of, the basic design plan, or portions of the basic design plan, for the construction, remodeling, operation, maintenance or repair of facilities, structures, grounds or installations related to environmental or fire protection engineering projects. |
| 0400.0005 | Makes interpretive detail sketches or layouts of intricate or fundamental portions and/or aspects of the design plan for environmental or fire protection engineering projects as proposed or adopted, and prepares or reviews maps, designs, plans, contracts, and working drawings. |
| 0400.0006 | Approves, reviews, or supervises the design, inspection, construction, demolition and/or alteration of premises, installations or apparatus to ensure compliance with contracts, drawings, specifications, codes, resolutions, statutes, and local, state, and federal rules and regulations. |
| 0400.0007 | Prepares and/or reviews reports on contracts and contract estimates, contract modifications and recommendations of award. |
| 0400.0008 | Participates in the development of proposals for major engineering projects with regard to the acquisition, disposition, or the public or private use of City property, the conduct of surveys, and the construction, operation or maintenance of public works, plants or structures. |
| 0400.0009 | Plans, implements, and/or reviews studies of environmental impact and pollution control devices. |
| 0400.0010 | Prepares, reviews, develops, and/or supervises the preparation and development of new and revised pollution control criteria, guides and standards. |
| 0400.0011 | Plans, assigns, coordinates, and/or reviews the work of subordinates. Prepares progress reports and may represent an agency in relations with government agencies, contractors and their representatives, consultants and the general public in matters relating to environmental or fire protection engineering. |
| 0400.0012 | Prepares, analyzes, and/or reviews technical reports related to environmental or fire protection engineering projects and makes recommendations to ensure compliance. |

You will not receive credit for licenses, education, and experience that you obtain after the end of the Application Period (January 31, 2017).

Residency: City residency is not required for this position.

English Requirement: You must be able to understand and be understood in English.

Proof of Identity: Under the Immigration Reform and Control Act of 1986, you must be able to prove your identity and your right to obtain employment in the United States prior to employment with the City of New York.

REQUIRED INFORMATION:

- Affirmation Form:** The Affirmation Form, which is found online, must be printed, signed, dated and sent by mail to the address on the form. If DCAS does not receive your completed Affirmation Form, your application will not be considered complete, and your name will not appear on the eligible list for this examination.
- Foreign Education Evaluation Guide (Required only if you need credit for your foreign education to meet the education and experience requirements):** If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation are listed on the Foreign Education Evaluation Guide located on the DCAS website at www.nyc.gov/html/dcas/downloads/pdf/misc/foreigneducation.pdf. When you contact the evaluation service, ask for a "**document-by-document**" (**general**) evaluation of your foreign education. You must have one of these services submit its evaluation of your foreign education directly to the Department of Citywide Administrative Services no later than eight weeks from the last date for applying for this examination.

THE TEST: Your score will be determined by a license, education, and experience test. You will receive a score of 70 points for meeting the license and experience requirements listed on page 2. After these requirements are met, you will receive additional credit up to a maximum of 100 points on the following basis:

If you have satisfactory full-time experience performing environmental and/or fire protection engineering work, subsequent to receiving a New York State Professional Engineer's License for:

You will receive:

| | |
|--|-----------|
| At least 1 year but less than 2 years | 5 points |
| At least 2 years but less than 3 years | 10 points |
| At least 3 years but less than 4 years | 15 points |
| At least 4 years but less than 5 years | 20 points |
| At least 5 years but less than 6 years | 25 points |
| 6 or more years | 30 points |

In order to receive credit for satisfactory experience performing environmental engineering work, for each employment you must have performed **at least four (4)** of the tasks listed in the **Environmental Engineer Task Inventory** shown in the **How to Qualify** section on page 3. (For more information, see Item #3B in the *Special Insert: Guide for Completing the Online Examination* at the end of this document).

You will receive a maximum of one year of experience credit for each year you worked. If you have any of the above experience on a part-time basis, it will be credited according to the equivalent percent of full-time experience. **Experience used to meet the minimum requirements cannot be used to gain additional credit.**

You must clearly specify in detail all of your relevant licenses, education, and experience on your Online Education and Experience Test. You have until midnight Eastern time on the last day of the Application Period (January 31, 2017) to complete and submit your Online Education and Experience Test by clicking on the "Final Submit" button or it will be automatically submitted after midnight on the last day of the Application Period (January 31, 2017). Once your Online Education and Experience Test is final submitted, it will be rated based on the information you provided and saved. If you are currently employed by the City of New York, be sure to include information about your current job. If you have applied for a previous examination, do not assume information you provided on a previous Education and Experience Test has been saved. If you are found "Not Qualified," you will **not** be able to submit new or additional information about your licenses, education, and experience online.

You will not receive credit for licenses, education, and experience that you obtain after the end of the Application Period (January 31, 2017).

THE TEST RESULTS: Immediately after you have submitted the examination online, you will be informed of the results. If you are found Qualified, you will receive a tentative score. At the time of establishment of the eligible list for this examination, your score will become final, your name will be placed in the final score order on the eligible list, and you will be given a list number. You will be notified by mail of your final test results. If you meet all requirements and conditions, you will be considered for appointment when your name is reached on the eligible list.

CHANGE OF MAILING AND/OR EMAIL ADDRESS: It is critical that you promptly notify DCAS of any change to your mailing address and/or email address. You may miss important information about your exam(s) or consideration for appointment, including important information that may require a response by a specified deadline, if we do not have your correct mailing and/or email address. Change of mailing and/or email address requests submitted to any place other than DCAS, such as your Agency or to the United States Postal Service will NOT update your records with DCAS. To update your mailing and/or email address with DCAS, you must submit a change request by mail or in person. Your request must include your full name, social security number, exam title(s), exam number(s), old mailing and/or email address, and your new mailing and/or email address. Your request can be mailed to DCAS Records Room, 1 Centre Street, 14th Floor, New York, NY 10007 or brought in person to the same address Monday through Friday from 9AM to 5PM.

ADDITIONAL INFORMATION:

Selective Certification for Driver License: If you have a motor vehicle Driver License that is valid in the State of New York, you may be considered for appointment to positions requiring this license through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this license. If you wish to apply for this Selective Certification, click on the Selective Certification option and follow the instructions by checking the appropriate selection to indicate your interest in such Selective Certification. Your Driver License will be checked by the appointing agency at the time of appointment.

This requirement may be met at any time during the duration of the list. If you are appointed through Selective Certification, you must maintain your motor vehicle Driver License for the duration of your employment. If you meet the Selective Certification requirement at some future date, please submit a request by mail to: DCAS Bureau of Examinations – Exam Development Group, 1 Centre Street, 14th Floor, New York, NY 10007. Please include the examination title and number, your social security number, and "MVO" on your correspondence.

Application Receipt: You will be emailed a receipt immediately after you have applied for the examination. If you do not receive this receipt, contact this agency at *OASys@dcas.nyc.gov*. Include your social security number and the examination number and title in your email. You will also be mailed an acknowledgment letter within three months of the last date of the application period. If you do not receive an acknowledgment letter, write to this agency, Attention: Administration, Customer and Exam Support, 1 Centre Street, 14th Floor, New York, NY 10007 to request verification that your application was received. Include your social security number and the examination number and title in your request.

Promotion Examination: A promotion examination for this title is being held for eligible City employees. The names appearing on the promotion list will be considered first in filling vacancies.

PENALTY FOR MISREPRESENTATION: Any intentional misrepresentation on the application or examination may result in disqualification, even after appointment, and may result in criminal prosecution.

Special Insert: Guide for Completing the Online Examination

This online examination consists of the following sections:

Application, including the Notice of Examination, Affirmation Form and payment of fee
Education Level
Employment/Work Experience
Licenses, Certificates, and/or Registrations
Selective Certification
Survey

There are detailed instructions online for each of these sections, so make sure that you read these instructions before you begin to fill out each section. In addition, the **Overview** and **Frequently Asked Questions (FAQs)**, which are accessible throughout the examination process, contain valuable information about the online examination process and civil service procedures governing examinations. This guide is a brief summary of some of the items found in these instructions.

1. **Prior to Applying for the Examination:** This examination requires all candidates to meet the License, Experience, and Education Requirements listed in the **How To Qualify** section on page 2 of this Notice of Examination (NOE). All candidates must meet the following:

A valid New York State Professional Engineer's License **and either:**

- i. A master's degree in environmental engineering or fire protection engineering from an accredited college or university **and** three (3) years of full-time, satisfactory experience in environmental and/or fire protection engineering work; **or**
- ii. Four (4) years of full-time, satisfactory experience in environmental and/or fire protection engineering work.

Current New York State registration as a Professional Engineer must be maintained for the duration of your employment.

If you do not meet the License, Education, and Experience Requirements, you will be found **NOT QUALIFIED** and your application fee will not be refunded.

2. **Completing the APPLICATION:** You **must** complete the application and examination by midnight, Eastern time, of the last day of the application period. **Your application is not complete until you pay the Application Fee.** If you do **not** complete your application, which includes payment of the application fee, there will be no record that you applied for the examination. Once you complete your application, you will be automatically directed to the **Online Education and Experience Test**, where you may save your licenses, education, and experience.

3. **Completing the Online Education and Experience Test:**

A. Completing the EDUCATION LEVEL section:

- (I) For each degree and/or diploma you select, you must fill out the information requested.
- (II) If you were educated in a **foreign country**, your examination will be tentatively scored based on the education level you claim. You must arrange for a foreign education evaluation to be sent directly to DCAS by a DCAS-approved foreign education evaluation service no later than eight weeks from the last day of the application period. An acceptable foreign education evaluation must include your full social security number printed on it by the evaluation service. If your foreign education evaluation differs from what you claimed, or if DCAS does not receive an acceptable foreign education evaluation directly from a DCAS-approved evaluation service, DCAS will re-score your examination and may mark you **NOT QUALIFIED**.

B. Completing the EMPLOYMENT/WORK EXPERIENCE section: For each job you list you **must** fill out in detail all of the information requested. A maximum of one year of full-time experience will be credited for each 12-month period. Part-time experience will be pro-rated according to the following ranges:

35 hours per week or more = 100%
34 hours per week or less will be pro-rated as a percentage of a 35 hour work week

For each job, you must select the tasks you performed from the tasks listed in the drop-down menu.

In order to receive credit for your experience, you must select at least **four (4)** tasks from the tasks listed under Task Category #0400.0000. For example, if you select three (3) or fewer tasks from Task Category #0400.0000, the job will not receive credit.

- C. Completing your Licenses, Certificates, and/or Registrations section:** Fill out the information requested. Under the Licenses, Certificates, and/or Registrations section, select a *New York State Professional Engineer's License* from the drop-down menu. On the line labeled *Original Date of Issue* you must enter the date your license was originally issued, **not** the date you renewed your registration. **Additional credit is granted only for experience acquired after having received a valid New York State Professional Engineer's License.**
- D. Completing the Selective Certification Section:** This section is optional and will not affect your score.

The General Examination Regulations of the Department of Citywide Administrative Services apply to this examination and are part of this Notice of Examination. They are posted and copies are available at nyc.gov/dcas and at the DCAS Computer-based Testing & Applications Centers.

The City of New York is an Equal Opportunity Employer.
Title Code No. 20618; Engineering Occupational Group
