(This is a brief description of what you might do in this position and does not include all the duties of this position.)

THE SALARY: The current minimum salary is $60.84 per hour, for a 40 hour work week. This rate is subject to change.

HOW TO APPLY: If you believe you meet the requirements in the "How to Qualify" section, submit an application on the Online Application System (OASys) at www.nyc.gov/examsforjobs. Follow the onscreen application instructions for electronically submitting your application and payment, and completing any required information. A unique and valid email address is required to apply online. Several internet service providers, including but not limited to Google, Yahoo!, AOL, Outlook.com, and Mail.com offer free email addresses. All new OASys accounts require verification before a candidate can submit an application to ensure the accuracy of candidate information. Verification is instantaneous for most accounts, but some accounts may require up to 24 hours to be reviewed by a staff member and resolved. Email notification will be sent to those creating accounts that require additional documentation before they can be resolved. Please keep this information and the application period deadline in mind when creating your account. The following methods of payment are acceptable: major credit card, bank card associated with a bank account, or a prepaid debit card with a credit card logo which you may purchase online or at various retail outlets.

If you are receiving or participating in certain forms of public assistance/benefits/programs, or are a veteran, you may qualify to have the application fee waived. For more information on eligibility for a fee waiver and documentation requirements, visit the Fee Waiver FAQ on the Online Application System at https://a856-eeexams.nyc.gov/OLEE/oasys/FAQFeeWaiver.aspx.

3. A valid Universal Chlorofluorocarbon (CFC) Certificate (EPA 608 Certificate) for handling refrigerants issued by the United States Environmental Protection Agency.

You must complete all parts of Section C of the License and Experience Test, giving all required information in order to qualify. These license/certificates must be maintained for the duration of your employment.

For certain positions, you will be required, within 90 days from the day of appointment, to obtain a valid certificate of fitness for Standpipe System (S13), Standpipe for Multi-Zone Systems (S14), Automatic Sprinkler Systems (S12), To Operate and Maintain Air Compressors (A35), Supervision of Fire Alarm Systems and other Related Systems (S95), Fire Alarm Systems Inspection, Testing and Service Principal (S97), Supervision of Piped Non-Flammable Medical Gases (G71), Torch Use of Flammable Gas (G60), Supervision of a Bulk Oil Storage Plant (P13) and/or any other site specific required certification issued by the New York City Fire Department.

You must clearly specify in detail all of your relevant licenses and certificates on your Education and Experience Test and submit it by the end of the application period (June 27, 2017). You will not receive credit for a license/certificate which you obtain after the application period (June 27, 2017). You must complete Section C of the Education and Experience Test, giving all required information on your license in order to be eligible. If you are currently employed by the City of New York, do not assume that persons reviewing your Education and Experience Test will know information which you do not provide on your application. If you applied for a previous examination, do not assume that persons reviewing your Education and Experience Test will know about information you provided on a previous Education and Experience Test.

ELIGIBILITY TO BE PROMOTED: In order to be eligible for promotion, you must have completed your probationary period in the eligible title as indicated in the above "Eligibility To Take Examination" section, and you must be permanently employed in the eligible title or your name must appear on a Preferred List for the eligible title at the time of promotion. Additionally, you must have served permanently in the eligible title for at least one year.

REQUIRED INFORMATION:

1. Application for Examination: Follow the online instructions, including those relating to the payment of fee and, if applicable, those found in the Special Circumstances Guide.

2. Education and Experience Test: Fill out Sections B, C and D (if applicable). This test must be filled out completely and in detail for you to receive your proper rating. Follow the online instructions. Note: In Section C, you must indicate the original issue date that you received your High Pressure Boiler Operating Engineer License, Refrigerating System Operating Engineer Certificate, and your Universal Chlorofluorocarbon (CFC) Certificate (EPA 608 Certificate).

3. Affirmation Form: The Affirmation Form, which is found online, must be printed, signed, dated and sent by mail to the address on the form. If DCAS does not receive your completed Affirmation Form,
your application will not be considered complete, and your name will not appear on the eligible list for this examination.

THE TEST: You will be given a license/certificate and experience test. Your score on the test will be used to determine your place on the eligible list. You will receive a score of 70 points for meeting the eligibility and license requirement listed above. After this requirement is met, you will receive additional credit up to a maximum of 100 points on the following basis:
