YOU ARE RESPONSIBLE FOR READING THIS ENTIRE NOTICE BEFORE YOU SUBMIT YOUR APPLICATION.

WHAT THE JOB INVOLVES:

Stationary Engineers (Electric), under general supervision, operate, inspect, maintain, and adjust high and/or low voltage electrically powered plant equipment including diesel engines. They operate, inspect, maintain, repair, test and adjust equipment such as: generators, pumps, transformers, electric motors, bearings, switchboards, controllers, compressors, meters, gauges, valves, fittings, heating apparatus, converters, rectifiers, controls, circuit breakers, etc; operate dual and tri-fuel engines, generators, pumps, blowers, high tension switchboards and electrical equipment (permanent and portable); oil, clean, and make minor repairs to this equipment; read meters, gauges, and recording devices; keep records; prepare reports; take responsible charge of a watch, and while so engaged are responsible for and direct subordinate personnel; instruct and guide subordinates and other personnel; oversee the corrective and preventive maintenance of equipment and structures; perform inspections and assessments of assigned facility; may monitor telemetry of Collection System Operations; direct operations to prevent bypassing; maintain combined sewer overflow retention facilities, inflatable dam in-line storage facilities, and in-situ aeration of water bodies; and may operate a motor vehicle. All Stationary Engineers (Electric) perform related work.

Some of the physical activities performed by Stationary Engineers (Electric) and environmental conditions experienced are: working near high voltages (600 volts or more); lifting and carrying objects weighing approximately fifty pounds; using power driven and regular hand tools; working with hands at arms length overhead while standing on ladders; standing for an extended period of time; working in confined areas and in restricted spaces on surfaces such as metal gratings; working in temperatures ranging from 0° Fahrenheit to 105° Fahrenheit in varying atmospheric conditions such as high and low humidity; working in the presence of toxic and/or corrosive chemicals and moving parts of machinery and equipment.

Special Working Conditions:

Stationary Engineers (Electric) may be required to work various shifts including nights, Saturdays, Sundays, and holidays. Employees will be paid salary differentials for such work.

(This is a brief description of what you might do in this position and does not include all the duties of this position.)

THE SALARY:

The current minimum salary is \$58.40 per hour. This rate is subject to change.

HOW TO QUALIFY:

You may be given the multiple-choice test before we verify your qualifications. You are responsible for determining whether or not you meet the qualification requirements for this examination prior to submitting your application. If you are marked "Not Qualified," your application fee will not be refunded and **you will not receive a score.**

EDUCATION AND EXPERIENCE REQUIREMENTS:

1. Five years of full-time satisfactory experience in responsible charge of the operation of plants or facilities utilizing high tension electrical equipment (600 volts or more), including troubleshooting and repairing such equipment, in one or more of the following: electrical generating stations, electrical switching stations, water treatment plants, wastewater treatment plants, water pumping stations, wastewater pumping stations or other collections facilities or high volume ventilation systems; **or**
2. A baccalaureate degree in electrical, civil or mechanical engineering or in electrical, civil or mechanical engineering technology from an accredited college or university **and** two years of full-time satisfactory experience as described in "1" above; **or**
3. An associate degree in science or applied science from a college or university, with a major in water quality monitoring, wastewater treatment plant operations, environmental health, environmental control, or in electrical, mechanical, or civil technology or in electrical, mechanical, or civil engineering technology **and** four years of full-time satisfactory experience as described in "1" above; **or**
4. Two years of full-time satisfactory experience as described in "1" above plus three years of full-time satisfactory experience as an electrician; **or**
5. Five years of full-time satisfactory experience as an electrician, including three years of full-time satisfactory experience troubleshooting and repairing high tension electrical equipment (600 volts or more) such as that described in "1" above; **or**
6. A satisfactory combination of education and/or experience which is equivalent to "1", "2", "3", "4", or "5" above. Education may be substituted for experience on the basis that one year of experience will be credited for each 60 semester credits from an accredited college or university leading to a baccalaureate or associate degree in one of the disciplines described in "2" or "3" above. However, all candidates must have at least two years of full-time satisfactory experience as described in "1" above, except for candidates who qualify under "5" above.

The education requirement must be met by June 30, 2019. The experience requirement must be met by the last day of the Application Period, (April 23, 2019).

The college or university must be accredited by regional, national, professional, or specialized agencies recognized as accrediting bodies by the U.S. Secretary of Education and by the Council for Higher Education Accreditation (CHEA).

If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. This is required only if you need credit for your foreign education in this examination.

You have until midnight Eastern time on the last day of the Application Period (April 23, 2019) to clearly specify in detail all of your relevant education and experience on your Education and Experience Test and submit it in the Online Application System (OASys). Once you submit your Education and Experience Test in OASys, you will not be permitted to submit new or additional information about your education and/or experience online.

You will not receive credit for education which you obtain after June 30, 2019 or experience which you obtain after the end of the Application Period (April 23, 2019).

Residency Requirement Advisory:

Under the New York City Administrative Code Section 12-120, you might need to be a resident of the City of New York within 90 days of the date you are appointed to this position. Since residency requirements vary by title, appointing agency and length of service, consult the appointing agency's personnel office at the time of the appointment interview to find out if City residency is required.

English Requirement:

You must be able to understand and be understood in English.

Proof of Identity:

Under the Immigration Reform and Control Act of 1986, you must be able to prove your identity and your right to obtain employment in the United States prior to employment with the City of New York.

HOW TO APPLY:

If you believe you meet the requirements in the "How to Qualify" section, apply using the Online Application System (OASys) at www.nyc.gov/examsforjobs. Follow the onscreen application instructions for electronically submitting your application and payment and completing any required information. A unique and valid email address is required to apply online. Several internet service providers, including but not limited to Google, Yahoo!, AOL, Outlook.com, and Mail.com offer free email addresses. All new OASys accounts require verification before a candidate can apply to ensure the accuracy of candidate information. Verification is instantaneous for most accounts and you will receive a confirmation email with instruction to activate your account. For any account creation issues, you will receive onscreen prompts to contact DCAS. This review may require up to two (2) business days to be reviewed and resolved. Please keep this information and the application period deadline in mind when creating your account.

The following methods of payment are acceptable: major credit card, bank card associated with a bank account, or a prepaid debit card with a credit card logo which you may purchase online or at various retail outlets. If you are receiving or participating in certain forms of public assistance/benefits/programs, or are

a veteran, you may qualify to have the application fee waived. For more information on eligibility for a fee waiver and documentation requirements visit the Fee Waiver FAQ on the Online Application System at:

<https://a856-exams.nyc.gov/OASysWeb/Home/FAQ>

You may come to the DCAS Computer-based Testing & Applications Centers to apply for this examination online and submit a money order payable to DCAS (Exams) or to submit documentation for a fee waiver.

The centers will be open Monday through Saturday from 9:00 AM to 5:00 PM:

Special Circumstances Guide: This guide is located on the DCAS website at www.nyc.gov/html/dcas/downloads/pdf/misc/pdf_c_special_circumstances_guide.pdf and available at the DCAS Computer-based Testing & Applications Centers. This guide gives important information about requesting an alternate test date because of religious observance or a special test accommodation for disability, claiming Veterans' or Legacy credit, and notifying DCAS of a change in your mailing address. Follow all instructions on the Special Circumstances Guide that pertain to you when you complete your "Application for Examination."

REQUIRED INFORMATION:

- 1. Application for Examination:** Follow the online instructions, including those relating to the payment of fee and, if applicable, those found in the Special Circumstances Guide.
- 2. Education and Experience Test:** Fill out all the required sections displayed onscreen (if applicable). You will have until midnight Eastern time on the last day of the Application Period (April 23rd, 2019) to clearly specify in detail all of your relevant education and experience on your Education and Experience Test and submit it in the Online Application System (OASys).
- 3. Foreign Education Evaluation Guide (Required only if you need credit for your foreign education in this examination):** If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. The services that are approved to make this evaluation are listed on the Foreign Education Evaluation Guide which is located on the DCAS website at www.nyc.gov/html/dcas/downloads/pdf/misc/foreigneducation.pdf. When you contact the evaluation service, ask for a "**document-by-document**" evaluation of your foreign education. You must have one of these services submit its evaluation of your foreign education directly to the Department of Citywide Administrative Services no later than eight weeks from June 30, 2019.

THE TEST:

The multiple-choice test may be given at a computer terminal or in paper and pencil format. You will be informed of the format on your Admission Notice. Your score on this test will be used to determine your place on an eligible list. You must achieve a score of at least 70% to pass the test.

The multiple-choice test is designed to assess the extent to which candidates have certain knowledge and abilities determined to be important to the performance of the tasks of a Stationary Engineer (Electric). Task categories to be tested are as follows:

Operation and Maintenance

Safety

Interpretation and Revision of Drawing

Supervision

Administrative Duties

Monitoring

The test may include questions on operating, troubleshooting and repairing high and/or low tension electrical equipment (600 volts or more) and mechanical equipment (i.e. pumps, motors, engines and HVAC equipment and systems); safe working practices and procedures; industrial plumbing work; proper use and selection of tools, equipment and testing instruments; electricity (i.e. three-phase and single-phase); electronics; mechanical, hydraulic, and pneumatic principles; instrumentation, controls, and recording devices; drawings, schematics, plans and blueprints; standards of proper employee ethical conduct; and other related areas.

The test may also include questions requiring the use of any of the following abilities:

Analytical Thinking: analyzing information and using logic to address specific work-related issues and problems; involves the identification of problems, not implementation of solutions. Example: A Stationary Engineer (Electric) monitors and analyzes a telemetry system to identify any problems.

Planning & Organizing: establishing a method of execution to accomplish a specific goal over an extended period of time; determining appropriate assignments and allocation of resources. Example: A Stationary Engineer (Electric) plans and then assigns work to subordinates/personnel.

Monitoring: monitoring/assessing performance of oneself, other individuals or organizations to make improvements or take corrective action; overseeing the quality of performance. Example: A Stationary Engineer (Electric) oversees and evaluates work performed by subordinates/personnel.

Time Management: managing one's own time and the time of others in order to promote effective use of work hours. Example: A Stationary Engineer (Electric) assesses the time needed to repair a piece of mechanical equipment.

Stress Tolerance: accepting criticism and dealing calmly and effectively with high stress situations. A Stationary Engineer (Electric) deals effectively but calmly while addressing an emergency in a pumping station.

Written Comprehension: understanding the information and ideas presented in written sentences and paragraphs in work-related documents. Example: A Stationary Engineer (Electric) understands work orders and manufacturer's catalogs.

Written Expression: appropriately communicating information and ideas in written words and sentences so the intended audience will understand. Example: A Stationary Engineer (Electric) writes notes free of grammatical errors.

Teamwork: developing mutual trust and cooperation while working together toward the accomplishment of a common goal or outcome. Example: A Stationary Engineer (Electric) works with personnel in repairing a motor.

Attention to Detail: being careful about detail and thorough in completing work tasks. Example: A Stationary Engineer (Electric) carefully and safely removes and replaces a motor.

Updating & Using Relevant Knowledge: keeping up-to-date technically and applying new knowledge to the job. Example: A Stationary Engineer (Electric) utilizes computer software to implement timekeeping of personnel.

EXAM SITE ADMISSION:

You will be sent an Admission Notice in the mail 14 days before the date on which testing is expected to begin. Your Admission Notice will also be available on your Dashboard in the Online Application System (OASys) account 7 days before the date on which testing is expected to begin. If you access the Admission Notice from your Dashboard in OASys, you must print it out and bring it with you to the test site; displaying your Admission Notice using any of the prohibited electronic devices referenced in the "Warning" section below will not be permitted. You can also obtain a duplicate Admission Notice in person Monday through Friday from 9:00 AM to 5:00 PM at 1 Centre Street, 14th Floor, New York, NY 10007. Test site assignments will take your address into consideration, but nearness to your address cannot be guaranteed.

Warning: You are not permitted to enter the test site with electronic devices including, but not limited to, cellular phones, smart watches, recording devices, beepers, pagers, cameras, or portable media players. You are not permitted to use any type of headphones or ear buds. Calculators are permitted; however, they must be hand-held, battery or solar powered, and numeric only. Calculators with functions other than addition, subtraction, multiplication and division are prohibited. Electronic devices with an alphabetic keyboard or with word processing or data recording capabilities such as planners, organizers, etc. are prohibited. If you use any of these devices anywhere at any test site, whether in the testing area, restroom, hallway, or other location, at any time before, during or after the test or Protest Review Session, your test score will be nullified, you will be disqualified from taking any civil service tests for up to five years, and your application fee will not be refunded.

Required Identification: You are required to bring one (1) form of valid (non-expired) signature and photo bearing identification to the test site. The name that was used to apply for the exam must match the first and last name on the photo ID. A list of acceptable identification documents is provided below. **If you do not have an acceptable ID, you may be denied testing.** Acceptable forms of identification (bring one) are as follows: State issued driver's license, City or State issued identification card, IDNYC, US Government issued Passport, US Government issued Military Identification Card, US Government issued Alien Registration Card, Employer ID with photo, or Student ID with photo.

Leaving: You must leave the test site once you finish the test. If you leave the test site after being fingerprinted but before finishing the test, you will not be permitted to re-enter. If you disregard this instruction and re-enter the test site, you may not receive your test results, your test score may be nullified, and your application fee will not be refunded.

CHANGE OF MAILING AND/OR EMAIL ADDRESS:

It is critical that you promptly notify DCAS of any change to your mailing address, email address and/or phone number. If we do not have your correct mailing address, email address and/or phone number, you will not receive information about your exam(s), consideration for appointment and/or important information that may require a response by a specified deadline. If you need to update your Mailing Address, Email Address, and/or Telephone Number, read below:

- City Employees - update this information in NYCAPS Employee Service (ESS) at www.nyc.gov/ess
- All Others - update this information on your Profile page in the Online Application System (OASys) by logging into your OASys account and navigating to your Dashboard, then your Profile tab at www.nyc.gov/examsforjobs
- Submit a written request in-person or by mail: DCAS, 1 Centre Street, 14th Floor, New York, NY 10007 or brought in person to the same address Monday through Friday from 9AM to 5PM. Your written request must include your full name, social security number, exam title(s), exam number(s), previous mailing and/or email address, and your new mailing and/or email address

CHANGE OF NAME AND/OR SOCIAL SECURITY NUMBER:

Use the Data Correction Form and follow all instructions for changing your name and/or social security number with DCAS. The following link will provide you with the DCAS Data Correction Form: <https://www1.nyc.gov/assets/dcas/downloads/pdf/employment/dp148a.pdf>

THE TEST RESULTS:

If you pass the multiple-choice test and meet the minimum requirements, your name will be placed in final score order on an eligible list, you will be given a list number and you will be notified by mail of your test results. The eligible list determines the order by which candidates will be considered for appointment. If you meet all requirements and conditions, you will be considered for appointment if your name is reached on the eligible list. Once a list has been established, it will typically remain active for four years. To learn more about the civil service system go to:

http://www.nyc.gov/html/dcas/html/work/civilservice_1.shtml.

SPECIAL ARRANGEMENTS:

Make-up Test:

You may apply for a make-up test if you cannot take the test on the regular test date(s) for any of the following reasons:

1. compulsory attendance before a public body;
2. on-the-job injury or illness caused by municipal employment where you are an officer or employee of the City;
3. absence from the test within one week after the death of a spouse, domestic partner, parent, sibling, child or child of a domestic partner where you are an officer or employee of the City;
4. absence due to ordered military duty;
5. a clear error for which the Department of Citywide Administrative Services or the examining agency is responsible; or
6. a temporary disability, pregnancy-related, or child-birth-related condition preventing you from taking the test.

To request a make-up test, contact Administration, Customer, and Exam Support in person or by mail at 1 Centre Street, 14th Floor, New York, NY 10007, as soon as possible and provide documentation of the special circumstances that caused you to miss your test.

ADDITIONAL INFORMATION:

Selective Certification for Driver License:

If you have a motor vehicle Driver License that is valid in the State of New York, you may be considered for appointment to positions requiring this license through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this license. Follow the instructions given to you on the day of the multiple-choice test to indicate your interest in such Selective Certification. Your Driver License will be checked by the appointing agency at the time of appointment. **If you are appointed through Selective Certification, you must maintain your motor vehicle Driver License for the duration of your employment.**

Selective Certification for Grade 3A Operator Certificate:

If you possess or expect to obtain certification as a Grade 3A Operator of Public Sewage Treatment Plants by the New York State Department of Environmental Conservation ("NYS DEC") within eighteen (18) months of appointment as a Stationary Engineer (Electric), you may be considered for appointment to positions requiring this certificate through a process called Selective Certification. [Note: The training, education and experience requirements for certification as a Grade 3A Operator may be obtained by calling the NYS DEC at (518) 402-8545 or (718) 482-4900, or by visiting the NYS DEC website at www.dec.ny.gov]. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this certificate in the Wastewater Treatment Plants, in the Bureau of Wastewater Treatment, operated by the NYC Department of Environmental Protection. Follow the instructions given to you on the day of the multiple-choice test to indicate your interest in such Selective Certification. **This Certificate must be maintained for the duration of the assignment.**

At the time of appointment, the appointing officer will review your education and experience to determine whether you currently possess this certification or will be able to complete the requirements for the Grade 3A Operators Certificate within a maximum of 18 months from the appointment date. If it is determined that you do not currently possess this certification and will not be able to complete these requirements within this time period, you will not be qualified to be appointed to such positions and your name will be removed from the Selective Certification List. However, your name will remain on the general list for Stationary Engineer (Electric). Additionally, if, during the life of the eligible list established for this examination, you become qualified for this Selective Certification, you may request to have your name restored or added to the Selective Certification.

In order to successfully complete the probationary period, qualified applicants appointed from this Selective Certification must, by the end of the probationary period, complete all requirements for certification as a Grade 3A Operator. The probationary period for this position is one year; however, appointees who have not completed all requirements for the certificate by the end of the one year probationary period will have their probation extended for six months. Appointees who have not completed all requirements for the certificate by the end of eighteen months will be terminated.

Selective Certification For Special Experience:

If you possess two years of Wastewater Treatment experience, you may be considered for appointment to positions requiring this experience through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this experience in the Wastewater Treatment Plants, in the Bureau of Wastewater Treatment, operated by the NYC Department of Environmental Protection. Follow the instructions given to you on the day of the multiple-choice test to indicate your interest in such Selective Certification.

Selective Certification For Special Education:

If you possess a Bachelor's Degree in electrical, civil, or mechanical engineering or electrical, civil, or mechanical technology, you may be considered for appointment to positions requiring this education through a process called Selective Certification. If you qualify for Selective Certification, you may be given preferred consideration for positions requiring this education in the Wastewater Treatment Plants, in the Bureau of Wastewater Treatment, operated by the NYC Department of Environmental Protection. Follow the instructions given to you on the day of the multiple-choice test to indicate your interest in such Selective Certification.

The above Selective Certification requirements may be met at anytime during the duration of the list. If you meet this requirement at some future date, please submit a request by mail to: DCAS Bureau of Examinations - Exam Development Group, 1 Centre Street, 14th Floor, New York, NY 10007. Please include the examination title and number, your social security number, and the Selective Certification you are requesting on your correspondence.

Application Receipt:

You will be emailed a receipt immediately after you have applied for the examination. If you do not receive this receipt, check "Junk", "Trash", or "Spam" folder for the primary email linked to your Online Application

System (OASys) account. If you are unable to locate the email, you can view a summary of the notification email to you on your OASys Dashboard, then Notifications. If you are still unable to find the email, please email DCAS via the Contact feature available in OASys with a description of the issue and include the Exam # and your Profile # located on your Profile page. While on your Profile page, check that the email addresses you provided are correct and/or updated.

Promotion Test: A promotion examination for this title is being held for eligible City employees. The names appearing on the promotion list will be considered first in filling vacancies.

PENALTY FOR MISREPRESENTATION:

Any intentional misrepresentation on the application or examination may result in disqualification, even after appointment, and may result in criminal prosecution.

The General Examination Regulations of the Department of Citywide Administrative Services (DCAS) apply to this examination and are part of this Notice of Examination. They are posted at nyc.gov/dcas and copies are available at the DCAS Computer-based Testing & Applications Centers.

The City of New York is an Equal Opportunity Employer.
