Special Insert: Guide for Completing the Online Examination

This online examination consists of the following sections:

- Application, including the Notice of Examination and payment of fee
- Employment/Work Experience
- Licenses, Certificates, and/or Registrations
- Survey

There are detailed instructions online for each of these sections, so make sure that you read these instructions before you begin to fill out each section. In addition, the **Overview and Frequently Asked Questions (FAQs)**, which are accessible throughout the examination process, contain valuable information about the online examination process and civil service procedures governing examinations. This guide is a brief summary of some of the items found in these instructions.

1. **Prior to Applying for the Examination:** This examination requires all candidates to meet the License and Registration Requirement listed in the **HOW TO QUALIFY** section on page 1 of this Notice of Examination (NOE). All candidates **must** meet the following:

License and Registration Requirement: By the last day of the application period, you must have a valid license and current registration to practice as a Physical Therapist in New York State. If you do not meet the License and Registration Requirement, you will be found **NOT QUALIFIED** and your application fee will not be refunded.

2. **Completing the APPLICATION:** You **must** complete the application and examination by midnight, Eastern time, of the last day of the application period. **Your application is not complete until you pay the Application Fee.** If you do **not** complete your application, which includes payment of the application fee, there will be no record that you applied for the examination. Once you complete your application, you will be automatically directed to the **Online Education and Experience Test**, where you may save your license and experience.

3. **Completing the ONLINE EDUCATION AND EXPERIENCE TEST:**

A. Completing the EMPLOYMENT/WORK EXPERIENCE section: For each job you list you must fill out in detail all of the information requested. Part-time experience will be pro-rated according to the following ranges:

35 hours per week or more = 100%

34 hours per week or less will be pro-rated as a percentage of a 35 hour work week.

For each job, you must select the tasks you performed from the tasks listed in the dropdown menu.

(I) Experience as a licensed New York State Physical Therapist in a school setting: In order to receive credit for experience as a licensed New York State Physical Therapist in a school setting, for each job you must select at least **eleven (11)** tasks from the tasks listed under Task Category #0100.0000. For example, if you select ten (10) or fewer tasks from Task Category #0100.0000, the job will **not** receive credit.

(II) Experience as a licensed New York State Physical Therapist in a setting other than a school: In order to receive credit for experience as a licensed New York State Physical Therapist in a setting other than a school, for each job you must select at least **eleven (11)** tasks from the tasks listed under Task Category #0200.0000. For example, if you select ten (10) or fewer tasks from Task Category #0200.0000 for a job, you will **not** receive credit.

B. Completing the LICENSES, CERTIFICATES, AND/OR REGISTRATIONS section: Fill out the information requested. Select *A license and current registration to practice as a Physical Therapist in New York State* from the drop-down menu. On the line labeled *Original Date of Issue* you must enter the date your license was originally issued, **not** the date you renewed your registration. Only experience gained **after** the original date of issue of your New York State license will receive credit. Since the date of issue of your license predates the renewal date of your registration, you would be potentially lowering your score if you entered the renewal date of your registration rather than the original date of your license. **Additional credit is granted only for experience acquired after having received a New York State Physical Therapist license.**

The General Examination Regulations of the Department of Citywide Administrative Services (DCAS) apply to this examination and are part of this Notice of Examination. They are posted at nyc.gov/dcas and copies are available at the DCAS Computer-based Testing & Applications Centers.
