(This is a brief description of what you might do in this position and does not include all the duties of this position.)

THE SALARY:

The current minimum salary is \$39,329 per annum. This rate is subject to change.

HOW TO QUALIFY:

You may be given the test before we verify your qualifications. You are responsible for determining whether or not you meet the education and experience requirements for this examination prior to submitting your application. If you are found "Not Qualified," your application fee will not be refunded and you may not receive an Admission Notice or score. (For more information see Exam Site Admission section.)

You will **not** receive credit for education which you obtain after January 31, 2020 or experience which you obtain after the end of the Application Period (April 21, 2020).

EDUCATION AND EXPERIENCE REQUIREMENTS:

1. A four-year high school diploma or its educational equivalent **and**
 - (a) one year of satisfactory full-time experience performing clerical, typing, or secretarial work; **or**
 - (b) one year of satisfactory full-time experience dealing with the public, including the obtaining of information from persons; **or**
 - (c) the successful completion of 30 college semester credits from an accredited college or university; **or**

READ CAREFULLY AND SAVE FOR FUTURE REFERENCE

The education requirement must be met by January 31, 2020. The experience requirement must be met by the last day of the Application Period (April 21, 2020).

The high school diploma or its educational equivalent must be approved by a State's Department of Education or a recognized accrediting organization. If you were educated outside the United States, you must have your foreign education evaluated to determine its equivalence to education obtained in the United States. You will receive instructions from the Police Department during the pre-employment screening process regarding the approved evaluation services that you may use for foreign education.

If your experience was on a part-time basis working less than 35 hours per week, you will need to convert your part-time experience to full-time experience using the formula below. Once you have determined your full-time experience equivalent, use this amount to answer questions about your experience.

(number of hours worked per week/35) x (number of months worked)

For example, if you worked at a job for 21 hours per week for 12 months, you would make the following calculation: $21/35 \times 12 = 7.2$ months.

You will not receive credit for education which you obtain after January 31, 2020 or experience which you obtain after the end of the Application Period (April 21, 2020).

Education and experience will be investigated by the Police Department during the pre-employment screening process.
