EDUCATION AND EXPERIENCE REQUIREMENTS:

1. A baccalaureate degree from an accredited college or university, including or supplemented by 24 semester credits in accounting, including one course each in advanced accounting and auditing and four years of satisfactory full-time professional accounting or auditing experience, at least 18 months of which must have been in an administrative, managerial, or executive capacity or supervising a staff performing accounting or auditing work; or

(number of hours worked per week/35) x (number of months worked)
For example, if you worked at a job for 21 hours per week for 12 months, you would make the following calculation: 21/35 × 12 = 7.2 months.
