OVERVIEW

The Department of Cultural Affairs (DCLA) is pleased to announce the Fiscal Year 2021 Cultural Development Fund (CDF) for nonprofit New York City arts and cultural organizations. The CDF Application consists of two parts:

- An online form to be completed and submitted on the DCLA website no later than 11:59pm on Tuesday, February 18, 2020.
- Required Supplemental materials that must be received by 11:59 pm on Tuesday, February 18, 2020.

Remember: a complete Application that is eligible for funding must include Supplemental materials that have been received by the February 18th deadline. There will be no exceptions to this deadline, and organizations that fail to meet either the online Application deadline or the received-by deadline for Supplemental materials will be ineligible for funding in FY21. Consult page 29 of the instructions to determine your required Supplemental materials.

HARD COPY SUPPLEMENTAL MATERIALS

In an effort to make the process for delivering supplemental materials more equitable and accessible, please note some changes to DCLA’s procedures from past years:

- As always, Applicants are strongly urged to submit Supplemental materials in advance of the deadline via either:
  - HAND DELIVERY to the Department of Cultural Affairs offices at 31 Chambers Street during our regular business hours (9am – 5pm) on weekdays prior to the deadline. Please be directed to Reception in room 201 on the 2nd floor.
  - MAIL, taking into account that the documents must be RECEIVED BY February 18.

DCLA will consider proposals in every cultural discipline and from every area of New York City for services that take place within the five boroughs and within the City’s Fiscal 2021 (July 1, 2020 – June 30, 2021). Funds will be awarded based on a competitive review by a panel that includes peers in the field as well as representatives of the City’s elected officials.

The fundamental requirement for all proposals is that they represent a cultural activity of recognized quality that is accessible to the public. Funded services can be as different as the organizations providing them, but they will all have a common commitment to public service and public participation.

Types of services for which DCLA will award funds: The following are examples only of the kinds of services that DCLA has funded, and by no means represent the entire range of possible services:

- **Public Access:**
  - Programs for culturally underserved populations
  - Lecture-demonstrations and workshops
  - Open rehearsals
  - Maintenance and subsidies of low admission prices
  - Free or discounted activities or events
  - Subsidized venue rentals for rehearsal or performance space

- **Creation of new work and/or restoration of existing work, for public presentation within the fiscal year**

- **Educational programs in public schools or at other sites**

- **Community-based arts activities**

- **Services that assist New York City’s artists and arts organizations**

- **Training programs for artists and arts educators**

Organizations must propose one project at a minimum and no more than five projects for support in their Application.

However, if funded, the organization is expected to carry out all of the projects for which support is requested, regardless of the award amount received from DCLA.

ELIGIBILITY REQUIREMENTS

Applicants must be:

- Nonprofit arts and cultural organizations with a primary administrative address and operations in any of the five boroughs of New York City;
  - We determine an organization’s primary administrative address by reviewing submitted documentation, including forms 990, 501c3 letter, and SMU DataArts reports, as well as publicly available documentation such as organization websites.
  - If your materials do not meet these requirements, your application will be considered ineligible for this Fiscal Year. Future applications may be considered eligible once all residency requirements are satisfied.

- Incorporated as a nonprofit in New York State as of the organization’s Fiscal Year ending in 2018
  - Organizations whose incorporation dates are in their FY19 or FY20 will not be eligible to apply during this cycle. In this case, organizations must wait until they have a two-year history to apply.
  - Organizations whose incorporation filings were outside of NYC will be required to submit a Certificate of Foreign Authority from the NYS Department of State.

- Compliant with annual State and Federal filing requirements for nonprofit organizations, including Charities Bureau filings;
• In possession of a Federal Employee Identification Number (EIN) unique to the organization;
• Currently certified tax exempt under Internal Revenue Service Code Section 501(c)(3). Incorporated nonprofits without 501(c)(3) status may apply using a fiscal conduit that is incorporated in New York State and approved by DCLA;
• Able to demonstrate at least two years of cultural public service in New York City prior to applying for DCLA funding, as substantiated by the required financial documents and proof of programmatic activity for the organization’s Fiscal 2019 and 2020.

Applicants cannot be:
• Individual artists (DCLA provides funds to arts councils in all five boroughs for regrants to individual artists as well as arts organizations);
• Organizations receiving funding through DCLA’s Cultural Institutions Unit (CIGs);
• Organizations that have not complied with DCLA’s previous reporting requirements.

Proposed services cannot include:
• Activities taking place outside New York City’s five boroughs;
• Activities taking place outside the City’s Fiscal 2021 (July 1, 2020–June 30, 2021);
• Fundraising events and receptions;
• Construction or renovation of facilities, including the purchase of equipment;
• Activities funded by a City Council Initiative administered by DCLA (e.g., CASA, CTC, Cultural Immigrant Initiative, SU-CASA, Anti-Gun Violence);
• Religious activities or programs with religious content.

DCLA does not routinely fund:
• Programs of City, State or Federal public agencies;
• Libraries or degree-granting institutions, including schools, colleges, and universities. Organizations that are closely affiliated with such institutions should contact DCLA prior to submitting an Application, and may be asked to provide additional information. These Applicants will be examined on a case-by-case basis to determine eligibility.
• Organizations with a primary mission other than arts and culture. Organizations such as social and/or multi-service, educational, or religious organizations, for which cultural activity is not a primary purpose, will be considered eligible only if they have a longstanding record of successful delivery of arts and cultural services. Panel placement for such organizations will be determined by the cultural component of their Fiscal 2018 operating income. Such organizations will be asked to provide the following in order to be considered eligible:
  o Proof, in the form of Supplemental materials and a Previous Years’ Activities list, of a longstanding commitment to and history of cultural activity with demonstrated in-depth programming of artistic quality that is accessible to the general public; and
  o Written documentation regarding annual filing exemptions, if applicable.

All Applicants are encouraged to contact the Program Services Unit with questions pertaining to eligibility well in advance of the February 18, 2020 deadline.

PROPOSAL PROCESS

Any arts or cultural organization interested in receiving funding from the Department of Cultural Affairs during Fiscal 2021 (July 1, 2020 - June 30, 2021) must complete the online Application form and submit hard copies of the Supplemental materials. The Application form must be submitted online no later than 11:59 pm on February 18, 2020. Hard copies of the Supplemental materials must be received in our offices no later than 11:59pm on February 18, 2020. Fax or email submissions cannot be accepted.
Upon submission of the online portion of the Application, organizations will receive automatic confirmation of submission and a unique Application number via email. If you did not receive this confirmation email, your Application has not been successfully submitted. Once the required Supplemental materials are received by DCLA, Applications will be reviewed for completeness and organizations will be sent confirmation of their completeness status as soon as both portions of the Application have been processed. Program Specialists will confirm status 2-4 weeks after the submission has been received.

Every Applicant must complete a Cultural Data Profile (CDP), administered by SMU DataArts (formerly known as the Cultural Data Project). After completing the online Data Profile with financial and programmatic information for Fiscal 2018, organizations will be required to generate, print and submit the DCLA CDF Funder Report with the Supplemental materials. Applicants are advised to complete their Cultural Data Profile as soon as they have finalized their financial documents for any fiscal year. For more information about SMU DataArts, visit www.culturaldata.org. Please Note: The CDF Funder Report is generated from the Cultural Data Profile, but is a separate document. If you have questions about this contact the SMU DataArts Support Center at 877-707-3282 or help@culturaldata.org.

All organizational, financial, and programmatic qualifications listed below must be met by any organization seeking CDF funding:

**Organizational Qualifications:** Applicants must:
- Meet the eligibility requirements noted above;
- Demonstrate fiscal responsibility and administrative competence;
- Be of recognized quality in the discipline within which it operates for the service being proposed.

**Financial Requirements:** Based on its Operating Incoming for the Fiscal Year ENDING in 2018, the organization must provide the following financial documentation:
- Under $50,000: FY18 IRS 990-N Postcard** and Signed SMU DataArts Annual Report;
- $50,000 or over but less than $250,000: FY18 IRS 990;
- $250,000 or over but less than $750,000: FY18 IRS 990 and FY18 Independent Accountant’s Review (IAR);
- $750,000 or over: FY18 IRS 990 and FY18 Audited Financial Statement.

** Note that while the IRS will accept the 990-N e-postcard, the NY Charities Bureau does not accept the 990-N for its annual reporting purposes. An organization in this position should consider filing a Form 990-EZ with the IRS to avoid issues with its Charities Bureau filing.

In some instances, DCLA may require an audited statement from organizations with lesser budgets. Any organization that can claim exemption from required financial documentation must submit written evidence of such along with their Supplemental materials.

Please Note: If the mailing address on any of the financial documentation is outside NYC, the organization must also provide a letter confirming that the organization is located in NYC and explaining the reason for the discrepancy.

**Program Qualifications:**
- Each proposed project must include as a principal goal a demonstrable cultural activity of recognized quality that is accessible to the public;
- The proposal must be clearly stated and contain measurable goals that can be evaluated during and at the end of the award term;
- Proposals must be within the organization's artistic/cultural, administrative and fiscal capabilities;
- Project budgets must include diverse financial resources. DCLA cannot fund more than 50%
of each project budget. A funding mix that includes foundation and corporate support, other
government support, private contributions, cash, and earned income (where appropriate) is
desirable;
- The projects you propose should serve the public or your constituency, not the applicant
organization (do not request support for expenses that are essentially general support or
internal capacity building): it will be your public services that the panel will evaluate.
However, if awarded funding, as long as those services are delivered as described, the
organization can use its CDF funding to cover any operating costs (such as staff salaries,
space rental, etc.) other than capital expenditures, fundraising, or government advocacy
efforts.
- Artists’ fees should be of a level consistent with a professional wage.

PANEL REVIEW PROCESS

CDF Applications will go through a competitive panel review during spring 2020. All organizations
will be evaluated based on the organizational and programmatic qualifications stated earlier in
these Guidelines. If the proposal is from a previously funded organization, past grant performance
is also considered.

Panels evaluate each Application as a whole including all projects proposed, and funding
recommendations are based on the entire Application, not on individual projects. Panels do not
review past Applications, so be sure to include relevant information about previous activities in the
appropriate places in the current Application.

DCLA Funding Priorities and Organizational Criteria: First and foremost, DCLA requires that
all CDF-funded projects be accessible to the public. The participants or audiences you serve –
whether the general public, students, arts professionals, seniors, or another audience particular to
your organization’s programs – must be able to access your programs within New York City during
the FY21 grant period. In addition to this public access requirement, each panel will review
proposals with the following funding priorities and organizational criteria in mind:

PRIORITIES FOR FUNDING (projects should meet one or more)
DCLA has identified these as the focus of CDF support. An applicant’s proposed services need not
meet all of the priorities listed, but the panel will expect the project(s) to align with at least one.
Note that these priorities are not themselves prioritized, and the examples given below each are
not all-inclusive:

Artistic Dialogue
- Forum for new or previously created works to be presented
- Support of critical dialogue
- Works that engage multiple genres or disciplines

Audience Development
- Outreach to new audiences
- Increased access to programming
- Cross-cultural programming

Preservation
- Of New York City’s rich cultural heritage
- Of the cultures of New York’s diverse populations
- Of historic artifacts or sites relevant to New York City
- Of reference materials and documentation of a discipline

Public Access
- Breadth or depth in delivery of programming
- Non-traditional audiences
- Free arts programming
Education
• Ongoing and/or sequential arts programs for children, youth or other targeted audiences
• Cultural activities in schools, including programs that are curriculum related
• In-school artists’ residencies
• Arts programs for children at cultural organizations

Services to the Field
• Services to the creative community
• Professional training within a discipline
• Maintenance of entry-level avenues
• Support for the creation of new work
• Services to organizations serving a discipline
• Services in support of institutional stability and development

ORGANIZATIONAL CRITERIA (organizations should demonstrate all)
The panel evaluates an organization’s potential to realize its project/s according to the following criteria. The applicant demonstrates evidence of these criteria by providing a high level of detail throughout the proposal. The panel will look to the organization’s Application to demonstrate the ability to meet the criteria listed.

Organizational Capacity and Responsibility
• Reliability
• Accountability
• Professionalism
• Fiscal Stability

Impact
• On the recipients of the service
• On the field

Excellence
• Artistic
• Organizational

Uniqueness of the Service
• To the discipline, community, neighborhood, and/or the City

Recommendation of funding is based in part on the level of detail and clarity provided in the Application, as well as an evaluation of the organization’s track record in presenting similar projects.

An organization with an operating income or cultural budget of $250,000 or less in its Fiscal Year ending in 2018 will be reviewed by a borough-specific panel comprised of representatives from the field as well as a designee of the City Council and of the Borough President. The panel will be charged with considering all the services proposed by the applicant organization, including those services being provided in boroughs other than the primary borough designated by the applicant. As required by volume, Applications may be further sorted by discipline within the borough.

An organization with an operating income or cultural budget of greater than $250,000 in its Fiscal Year ending in 2018 will be reviewed by a discipline-specific panel comprised of representatives from the field and a designee of the City Council. Where volume requires, Applications may be further grouped or sorted. Applicants in this category will be eligible for multi-year funding, and those that are not recommended for CDF support in Fiscal 2021 will be eligible to apply for funding again in Fiscal 2022.

Organizations with a primary purpose other than arts and culture will be placed into panel based on the operating income for the cultural component of their activities for the Fiscal Year ending in 2018. DCLA staff may contact an organization to confirm or suggest changes to an organization’s selected borough and/or discipline.

FUNDING LEVELS

Each applicant should request what it believes is an appropriate level of DCLA support for each project; DCLA uses the composite figure of requested funding to measure need in the field. The incremental levels below are used by the panel to determine award size, but factors such as the total cost of the project exclusive of in-kind support, the organization’s total operating budget and
other sources of support anticipated for the project are considered. DCLA cannot fund more than 50% of the total cost of a project, and funding seldom approaches that percentage. Panels consider request levels when evaluating an organization’s administrative capacity.

To be considered for funding, the “Total Request Amount” must be greater than or equal to the minimum level for your organization’s budget category, as specified below.

**For Organizations with a Fiscal 2018 operating income of $250,000 or less:**
Awards will range between $5,000 and $50,000 at the following increments:

- $5,000 ● $7,500 ● $10,000 ● $12,500 ● $15,000 ● $17,500 ● 
- $20,000 ● $25,000 ● $30,000 ● $35,000 ● $40,000 ● $50,000

Please note that total project cost(s) must be $10,000 or more in cash to qualify for the minimum award. Organizations with projects costing less than $10,000 are encouraged to apply directly to their local arts council regrant program. All funding is for one year with no guarantee of renewal.

**For Organizations with a Fiscal 2018 operating income of greater than $250,000:**
Awards will range between $15,000 and $300,000 at the following increments:

- $15,000 ● $25,000 ● $35,000 ● $50,000 ● $65,000 ● $80,000 ● 
- $100,000 ● $125,000 ● $150,000 ● $175,000 ● $200,000 ● 
- $225,000 ● $250,000 ● $275,000 ● $300,000

Please note that total project cost(s) must be $30,000 or more in cash to qualify for the minimum award.

Organizations with operating incomes over $250,000 in Fiscal 2018 will be eligible for multi-year support. Organizations receiving multi-year support based on their 2021 Application must comply with DCLA’s annual reporting procedures in order to receive funds in 2022 and 2023. Support in Fiscal 2022 and 2023 is contingent upon funds available and may reflect decreases or increases to DCLA’s Fiscal 2022 and 2023 budgets.

**CITY BUDGET PROCESS & DISCRETIONARY or MEMBER ITEM SUPPORT**

Each year, the Mayor issues a Preliminary Budget in January as one of the first steps in the City’s annual budget process. The Preliminary Budget contains proposed allocations for each agency, including the Department of Cultural Affairs, listed in summary form. Following public hearings before the City Council and the Borough Presidents, the Mayor’s Executive Budget is issued in late April. Thereafter, additional public hearings are held before the City’s elected officials. The final budget is then adopted by the City Council in June, signed into law by the Mayor and certified by the Comptroller and City Clerk.

During the Adoption process, members of the City Council may designate cultural organizations for support. Such support, known as **discretionary or Member Item support**, is usually allocated through DCLA’s budget when it is for cultural activities. Discretionary allocations are for one year only. **Organizations seeking or receiving City Council discretionary support in Fiscal 2021 must submit a CDF Application by the February 18, 2020 deadline**, unless for FY21 they will be in a renewal year of a multiyear CDF grant. In addition, organizations must submit a Discretionary Funding Application on the **City Council website** by February 18. The project(s) for which such discretionary support is sought must be the same as those in the CDF Application. Contact the Council Member in the district where you are providing services to learn about the additional requirements that apply to this funding.
Organizations awarded discretionary support at Adoption for the provision of cultural services will be notified of this funding in their Fiscal 2021 award letters. These discretionary allocations will be incorporated into the applicant organization’s Fiscal 2021 CDF grant Agreement. Funds will not be disbursed until the City’s budget has been reconciled and the Agency has confirmed that the organization is compliant with City requirements.

Note that DCLA also administers several separate City Council Initiatives – including Cultural After-School Adventures (CASA), Cultural Immigrant Initiative, and other initiatives designated by the Council. To be eligible for any of these specific initiatives, an organization is required to submit a complete FY21 CDF Application by the February 18, 2020 deadline as well as the Discretionary Funding Application on the City Council website by February 18. These initiative-funded projects may not overlap with any CDF-funded activities.

**GRANT ADMINISTRATION AND LEGAL GUIDELINES**

When an organization is allocated funds, DCLA prepares a grant Agreement with the organization based on the proposal for public service submitted by the organization. A person from the organization who has signatory authority then signs the grant Agreement. All groups receiving City support through DCLA must comply with all pertinent City, State and Federal legal requirements, and DCLA will notify organizations separately of particular, applicable regulations. In addition, every funded organization should comply with the following requirements:

**Insurance:** Funded organizations that receive grants of over $100,000 are required to carry Commercial General Liability (“CGL”), Workers Compensation, and Disability Benefits insurance, and to specifically name “the City of New York, including its officials and employees” as an additional insured (CGL policy and Additional Insured Endorsement only). Such funded organizations are required to submit upon request certificates of insurance for such policies, a certification of insurance broker or agent (CGL policy only), and an additional insured endorsement (CGL policy only). **Note:** Such a funded organization’s CGL policy naming “The City of New York, including its officials and employees” as an additional insured must be in effect for the entire grant term, July 1, 2020 to June 30, 2021. By submitting an Application for a Cultural Development Fund grant, the Applicant, if funded by a grant of over $100,000, agrees to comply with this requirement, unless a written waiver is provided by the Commissioner.

**Americans with Disabilities Act Compliance:** Every funded organization is expected to comply with the Americans with Disabilities Act (ADA), passed in 1990.

**CREDIT**

All programs, brochures, flyers, posters, announcements or similar matter relating to services funded by DCLA are also required to include, in a legible manner, in appropriate type size and without abbreviation, the following statement: “This program is supported, in part, by public funds from the New York City Department of Cultural Affairs, in partnership with the City Council.”

All funded organizations are required to use DCLA’s logo; upon notification of an award, groups may request the logo on DCLA’s website: [https://www1.nyc.gov/site/dcla/about/logo-request-form.page](https://www1.nyc.gov/site/dcla/about/logo-request-form.page). Please Note: DCLA’s logo was updated in FY18. Funded organizations are required to use the updated logo.

In addition to the logo and credit line stipulated, any printed list of contributors to a program or service funded by DCLA is required to include the “New York City Department of Cultural Affairs” in the applicable alphabetical and/or contribution category list.
PAYMENT

Every grant Agreement includes a payment schedule that is based on the services provided and associated costs. Most organizations will receive up to 80% of the total award as an initial payment once compliant with City funding requirements.

Funds will not be available until after the start of FY21, when the City’s budget is adopted. Notification of the outcome of the funding process will be sent after the start of the grant period. All funded organizations are expected to move forward with their projects regardless of the dates of notification and first disbursement of funds.

Final payment is based on submission and agency approval of a Final Report which includes an online form as well as supporting documentation. If the City budget demands, reductions may be taken against final payments.

Every organization must report on its use of public funds provided by DCLA according to a schedule established by and on the reporting forms required by the agency. Organizations that do not comply with reporting requirements in a timely manner may lose current-year funding and be ineligible for future funding.

While Applicants must apply for project-related public services (rather than general operating support), funds received can be allocated to any operating costs (such as staff salaries, space rentals, etc.) other than capital expenditures, fundraisers, or government advocacy efforts, as long as the projected services have been delivered as described.

PERFORMANCE EVALUATION

Because DCLA awards public funds, the expenditure of those funds is required by law to be monitored to assure funds are being spent in accordance with the terms of the grant Agreement. DCLA bases its evaluation of performance on the quality and timeliness of the documents submitted, as well as on site visits and program reviews. Information regarding upcoming activities should be provided to the Program Services Unit on a regular basis and Program Services staff should be extended an invitation to view the work. Organizations may also be required to provide additional information after the Application has been submitted. The organization’s prior performance record may be a determining factor when considering future funding.

APPEAL PROCESS

Any organization considered for competitive support may contact the Program Services Unit for an explanation of funding awarded, or to find out why a proposal was declined. If, following a conversation with the appropriate DCLA staff, an organization believes it meets the criteria for appeal, the organization may submit a written appeal. Organizations have 21 days from the date of the notification letter to request a conversation; after the conversation, organizations must submit an appeal within 10 business days. The organization’s appeal must set forth the reason why the organization believes reconsideration is appropriate. The grounds for reconsideration are:

**Non-presentation of information**: Information available in the proposal prior to the deadlines set for panel review was not presented and might have altered the outcome of the decision; or
**Misrepresentation of information:** Information known prior to the deadlines set for panel review was not appropriately presented and, if presented differently, might have altered the outcome of the decision.

Failure to respond to appeal procedures will invalidate the appeal.

Appeals are reviewed by the Commissioner who will attempt to render a final decision within 45 days of receipt of the final appeal. The Commissioner’s determination is final and will be sent in writing to the organization making the appeal.

**LEGISLATIVE NOTIFICATION**

We urge each organization to keep its elected and appointed representatives in City government informed of its activities. The City Council, the Borough Presidents, and other elected officials are critically important to the process of funding cultural organizations. In addition, each of the 59 Community Boards plays an advisory role both in the City budget process and in the coordination of municipal services. Since organizations are offering municipal services through their proposals, and since DCLA’s budget is established through the same process as that of all City agencies, DCLA suggests that copies of this proposal be given to the Council persons, Borough Presidents, and District Managers of the Community Boards representing the districts and boroughs that the organization serves. Contact information for all elected officials can be found on the City’s website, [www.nyc.gov](http://www.nyc.gov).

**FURTHER QUESTIONS**

Inquiries regarding the funding process are answered at seminars conducted by DCLA. Applicants are strongly urged to attend a seminar, especially if the organization is a new applicant, submitting an Application after being on a renewal cycle, or if a new staff member will be working on the Application. If you are unable to attend, please note there will be a live stream of one of our seminars and the recording will be available on our website. Further inquiries can be made by contacting the Program Specialist to whom your organization has been assigned, or by calling the Department of Cultural Affairs’ Program Services Help Desk at (212) 513-9381.
