Dear Applicant :

Please be advised that your application for a DEC permit(s) is complete and a technical review has commenced. Notice and the opportunity for public comment is required for this application. Enclosed is a Notice of Complete Application for your project. Please have the Notice published in the newspaper identified below once during the week of 06/29/2020 on any day Monday through Friday.

NEW YORK DAILY NEWS
4 New York Plaza
New York, NY 10004

or any paid, local newspaper that is circulated weekly and available in Brooklyn

On the Notice of Complete Application, that information presented between the horizontal lines, on the enclosed page(s) should be published. Do not print this letter or the information contained below the second horizontal line. Please request the newspaper publisher to provide you with a Proof of Publication for the Notice. Upon receipt of the Proof of Publication promptly forward it to this office. You must provide the Proof of Publication before a final decision can be rendered on your application. You are responsible for paying the cost of publishing the Notice in the newspaper.

Notification of this complete application is also being provided by this Department in the NYSDEC Environmental Notice Bulletin.

This notification does not signify approval of your application for permit. Additional information may be requested from you at a future date, if deemed necessary to reach a decision on your application. Your project is classified major under the Uniform Procedures Act. Accordingly, a decision is due within 90 days of the date of this notice unless a public hearing is held, which may extend this time frame. If a public hearing is necessary, you will be notified.

If you have any questions please contact me at the above address or phone number above.

Sincerely,

Caitlyn P Nichols

Application ID: 2-6107-00858/00003

Permits(s) Applied for: 1 - Article 15 Title 15 Long Island Well Temporary Dewatering
1 - Article 17 Titles 7 & 8 Industrial SPDES - Surface Discharge

Project is located: in KINGS COUNTY

Project Description:

The Department has made a tentative determination to approve this application for a new permit for a proposed withdrawal and discharge of up to 1,728,000 gallons per day of treated groundwater into Coney Island Creek (Class I) from a treatment system that includes pH adjustment, sedimentation, filtration and carbon adsorption at the applicant's project site located in the Coney Island area of Brooklyn. The applicant proposes to operate a temporary construction dewatering and groundwater treatment system to facilitate reconstruction of storm sewers and sanitary sewers in various city streets, including: Hart Place, West 16th Street, Neptune Avenue, and Surf Avenue. Pumped and treated groundwater is to be directed to an existing NYCDEP storm sewer which discharges to Coney Island Creek via NYCDEP Outfall ID CI-664.

Requests for a legislative (public statement) hearing must be sent in writing to the DEC contact person below by the comment deadline. The Department assesses such requests pursuant to 6 NYCRR Section 621.8.

The draft permit and fact sheet may be viewed and printed from the Department website at:

<http://www.dec.ny.gov/permits/6054.html>.

Refer to this application by the application number listed above and SPDES Number NY0277053.

Availability of Application Documents:

Filed application documents, and Department draft permits where applicable, are available for inspection during normal business hours at the address of the contact person. To ensure timely service at the time of inspection, it is recommended that an appointment be made with the contact person.

This project is subject to the Department's Environmental Justice Policy and an enhanced public participation plan has been prepared and accepted as a component of application completeness. As part of the plan, a document repository has been established near the project area that contains application and project related materials. Information on the repository location and other outreach components of the plan is available from the identified DEC contact.
