Majors:

Architecture / Architectural Technology / Landscape Architecture / Construction Engineering / Construction Technology / Construction Management / Electrical Engineering / Civil Engineering / Structural Engineering, including Bridge Design / Mechanical Engineering / Engineering Technology / Sustainability / LEED / Building Information Modeling (BIM)

Some positions require a valid driver's license.

Please bring ten copies of your resume.

When:
Friday, March 18,
2016
9:00 A.M.–3:00 P.M.

Where:
DDC Headquarters
30-30 Thomson
Avenue Atrium
Long Island City, NY
11101

The Department of Design and Construction (DDC) builds many of the civic facilities New Yorkers use every day. As the city's primary capital construction project manager, we provide communities with new or renovated structures such as firehouses, libraries, police precincts, courthouses, and senior centers.
