Bureau of Construction

SCOP..... : 09 - 004W

CATEGORY.. : CONSTRUCTION
Subcategory : WATER MAINS

SUBJECT: TRUNK WATER MAIN DESIGN CHANGES

Keywords : Trunk Water Main, Valves

APPROVED:

Associate Commissioner, Richard Zetterlund, P.E.

Supersedes..... : N/A
Supplements..... : 08-011
Sheet..... : 1 of 1

Issue Date..... : September 17, 2009

Trunk Water Main Designs are reviewed and approved by DEP in the design phase. Therefore, any reductions in trunk water main size via reducers or manifolds proposed in the construction phase, other than those shown on the original design drawings, require DDC Design and/or DEP approval.

This policy is to be reviewed with the field staff at preconstruction and critical phase meetings.
