Potential LTCP Alternatives

**Maximize Flow to WWTPs**

- Increases CSO capture and treatment

**Ecological Enhancements**

- Reduces runoff, improves water quality

**Sewer System Modifications**

- Captures more CSO

**Pumping Station Expansion**

- Conveys additional CSO to WWTP

**Sewer System Optimization**

- Maximizes flow to plants

**Green Infrastructure**

- Captures and reduces stormwater runoff

**High Level Storm Sewers**

- Eliminates CSO

**Storage Tunnels and Tanks**

- Captures and treats CSO
