CERTIFICATE 23888

RESOLVED That the Design Commission, having considered designs for the construction of the esplanade, Phase II, East River Waterfront from the Battery Maritime Building (south of Broad Street) to Wall Street, Manhattan, submitted by the Economic Development Corporation and Department of Small Business Services, represented by exhibits 5467-CG, CH, CI & CJ of record in this matter, hereby gives to the same unanimous final approval with the understanding that the perforation pattern of the fence will be revised to match the pattern developed for Pavilion A (see 5467 CC-CF). The Commission notes its concern that the portion of the esplanade from Pier 11 to Wall Street, which provides a critical connection between Phase I and Phase II, is only included in the contract as an add-alternate, and consequently, there will most likely be a small, but significant visual gap between the two phases.

Final approval is conditioned upon commencement of work before April 26, 2012 and submission of a minimum of three (3) 8" x 10" color archival-quality photographs of the completed project.
