Shelter Performance Ranking
FY 2014 Q1 (July - September 2013)**

The Performance Incentive Program - the PIP - holds shelter providers accountable on four primary indicators: permanent placements, recidivism, 9-month stayers, and long-term stayers placed (clients who have been in shelter for two out of the past four years). Providers returned over 9,000 clients to permanent housing in the community in FY 2013.

We congratulate our top ten performers this quarter:
