Good evening,

I am the proud principal of PS 151Q for the past nine years. PS 151q is located in Woodside. A large majority of my school's population lives in the Woodside Houses. Council Member Caban represents my school but not the Woodside Houses directly across the street from my school. It would make much more sense if the Council Member represented my school as well as the Woodside Houses since this is the same population. Thank you for your consideration.
