Mosholu (Parkway) was once home to a river and vibrant diverse community - that has sadly been chopped up and sliced away slowly over the years. The parkway/Mosholu should NOT BE the literal line in the sand separating us from our neighbors and friends along the former river's path in Bedford Park and below. Keep us together and not separated in oddly drawn districts - who don't represent our past history and legacy (of Norwood & Mosholu). – Armando "AJ" Ramos - Lifelong Norwood Resident
