Dear Redistricting Committee,

Please accept this petition to integrate my neighborhood to City Council District 30 of Queens.

My community is made up of mostly single and two family homes, closely matching what is found in District 30 represented by mostly resident homeowners.

We feel more bonded to this district. My family and neighbors do their grocery shopping at the local Stop and Shop as well as provide for other needs at Home Depot in Maspeth, BJ's in Middle Village and Atlas Park in Glendale. My family and I have doctors and dentists in these neighborhoods. Juniper Park is our destination for summer events and exercise which all makes us feel a part of the culture. Some in our community take their kids to Juniper for organized sports.

The proposed addition to District 30:

We are surrounded by these natural boundaries: From the current District border on the west, following the north border of Grand Ave east to Simonson St. following down the middle of Simonson north up to Queens Blvd. , back to the current border of District 30 along the south side of Queens Blvd.

Please see the attached diagram.

Thank you for your consideration.

Best Regards,

John Schaffer
