To Who it May Concern,

Please allow this to become part of the testimony for the Redistricting Public Hearing:

We are respectfully requesting that the NYC Council boundaries be ONLY Boro Specific.

Staten Island has excellent Council People that we can assure you have their hands full with all of our Island's issues.

It would be unfair to us, as Taxpaying Citizens, and to other boroughs to have to split time for other areas.

Staten Island is extremely unique in just our lack of infrastructure alone. Trust us, we keep our Council Representatives extremely busy.

Thanking you in advance for your time & consideration of our testimony, I am,

Respectfully yours,
Dee Vandenburg, President
