Community engagement in this process is critical, as the path forward relies on continued support for this vision. The City is leading a public review process to engage people who are detained, staff, families, service providers, attorneys, advocates, community members, and neighborhood groups to ensure that the voices of New Yorkers from all communities can help shape the plan. Through this process, concerns about design and neighborhood impacts will be heard and taken into account. To receive updates and view information on community engagement please visit:
