

DOC Marches For Babies in this year's 2016 march of dimes® Walk

The Department of Correction participated in March of Dimes Walk for infant health on April 24, hoping to meet or exceed the more than \$22,000 it raised for the cause in 2015. The march, which went from Manhattan's Upper West Side through Central Park to the Lower East Side, supports programs and research to prevent birth defects, premature birth and infant deaths. The Department has raised more than \$18,000 so far for the March of Dimes in 2016.
