**DOC STATEMENT ON INDICTMENT OF INMATES IN ATTACK ON CORRECTION
CAPTAIN**

Attribute to DOC Commissioner Cynthia Brann: “Each of these inmates is accused of playing a part in the unprovoked assault of a Correction Captain on Thanksgiving Day, and they are all now facing charges that can lead to additional jail time. We will never tolerate any assault on our officers. As demonstrated by these indictments and arrests, anyone involved in such an assault will face consequences. We would like to thank our Correction Intelligence Bureau and the Bronx District Attorney’s office for expediting this case.”
