

**ARTICLE 139**  
**PUBLIC TRANSPORTATION FACILITIES**

**§139.01 Definition.**

Public transportation facility means any vehicle, airplane, carrier, platform, station, terminal or other structure or premises used for or in connection with the transportation of the public.

**§139.03 Sanitary standards.**

A public transportation facility shall be kept in a clean and sanitary manner for the protection of the health of the public and employees. Dry dusting or dry sweeping is prohibited.

**§139.05 Littering prohibited.**

No person shall litter or otherwise create a nuisance or insanitary condition in or on a public transportation facility.

**§139.07 Smoking prohibited.**

- (a) Except as otherwise provided in subsection (b) of this section, no person shall smoke or carry an open flame or a lighted match, cigar, cigarette or pipe in or on a public transportation facility.
- (b) The owner or person in charge of a public transportation facility may designate special areas in which smoking is permitted unless otherwise prohibited by the Fire Department or by other law.
