The New York City Department of Health and Mental Hygiene hereby announces that the above-referenced solicitation, which was originally issued on September 18, 2019, is **cancelled**.

Get on New York City's mailing lists for everything you sell.

If you haven't done so already, submit a **NYC-FMS Vendor Enrollment Application**. You can access it on-line at www.nyc.gov/selltonyc or request an application by calling (212) 857-1680. For most procurement, NYC agencies are required to send out notices of contracting opportunities to all, or a random sub-set, of the vendors on established mailing lists (called Bidders Lists) which are open to all interested vendors.
