

Dear \_\_\_\_\_:

The Health Department is working with patients who have asthma and their landlords to fix pest and mold problems in the home. Bring this card to your healthcare provider and ask for this service.

Questions? Call 646-632-6023

---

Estimado(a) \_\_\_\_\_:

El Departamento de Salud está trabajando con pacientes asmáticos y sus arrendadores para resolver los problemas de plagas y moho en el hogar.

Lleve esta tarjeta a su médico y pregunte por este servicio.

¿Preguntas? Llame al 646-632-6023

## **Dear Health Care Provider:**

This patient has asthma and would benefit from a home assessment to address pests, mold, and conditions conducive to pests and mold as part of the NYC **H**ealthy **N**eighborhoods **P**rogram.

Visit [nyc.gov/health](https://nyc.gov/health) and search “**HNP**” for more information about this service.

**Questions?**

**Call 646-632-6023 or email NYCHNP@health.nyc.gov**
