INSTRUCTIONS

I. PENALTIES You will be subject to the penalties described below unless you correct and certify the correction of violations by the dates indicated on the front of this Notice of Violation(s). **If the violations are for Heat, Hot Water, or Illegal Devices, you will be subject to penalties if you do not correct them by the date indicated on the Notice of Violation posted at your building.**

CLASS A violations (non-hazardous) \$10-\$50 each
CLASS B violations (hazardous) \$25-\$100 each, plus \$10 per violation per day
CLASS C violations (immediately hazardous)

- Heat and hot water violations:
 - \$250-\$500 dollars per day for each violation from and including the date the notice is posted at the building until the date the violation is corrected
 - \$500-\$1000 per day for each **subsequent** violation at the same building during the same and/or the next calendar year from the initial violation or, in the case of § 27-2029(a), during the same and/or the next period of October first through May thirty-first from the initial violation.
 - Illegal Device on a central heating system: \$25 per day (from the date that the violation was posted on the building until the illegal device is removed) or \$1000, whichever is more;
- All other class C violations for buildings with 5 or fewer units: \$50 per violation per day
- All other class C violations for buildings with more than 5 units: \$50-150 per violation plus \$125 per violation per day

II. HOW TO CERTIFY

- a. Online (Non-Lead Violations only): Login to NYC.GOV/HPD and click on the *eCertification* link. You will be required to enroll once for each building for which you wish to use electronic certification. After your valid enrollment is received you will be able to immediately begin certifying violations electronically.
- b. Manual Submission: The AGENCY copy must be hand delivered or postmarked on or before the Certification Date provided on the Notice of Violation(s) and be properly completed in order for your certification to be valid.
 1. Complete and sign the Certification of Correction form on the back of the AGENCY copy and have your signature notarized.
 2. Return the AGENCY copy to the office of the Division of Code Enforcement in the borough in which the building is located by registered or certified mail, return receipt requested, or in person.

FALSE CERTIFICATION IS A CRIME! THE HOUSING MAINTENANCE CODE PROVIDES FOR A FINE OF UP TO \$1000, IMPRISONMENT FOR UP TO A YEAR, OR BOTH, FOR WILLFULLY SUBMITTING A FALSE STATEMENT.

III. HOW TO REQUEST A POSTPONEMENT You may request that the Department extend the date to correct violations if there are valid reasons why you cannot complete the work within the time frame. These requests may be sent to the Postponement Unit, Division of Code Enforcement, 100 Gold Street, 4th floor, New York, NY 10038. Such requests must be received before the required correction date and include: the building address, a copy of the Notice of Violation(s), the reason for making the request for a postponement, and documentation supporting your claim that you have taken all necessary steps to complete the work on time. You will be advised in writing regarding the approval or denial of your postponement request.

IV. IF A VIOLATION IS MARKED "*Surface May Contain Lead-Based Paint*"

The area affected by a non-lead violation includes a painted surface. Unless XRF testing establishes that the paint on that surface does not contain lead, the law presumes that the paint is lead-based paint. HPD may issue a separate violation for a lead-based paint hazard. You should read HPD's "Guide to Local Law 1 of 2004 Work Practices," which describes the work practices and worker training required to make repairs safely, before correcting the non-lead violation. If you do not use mandated work practices, the law may prevent you from certifying correction of the lead-based paint hazard violation. **If the non-lead violation is a Class "C" violation, you must use mandated work practices to the extent practicable to address any immediate danger.** Call 311 or go to HPD's website, www.nyc.gov/hpd, for additional information about lead-based paint hazards.
