

Guidelines for Aquatic, CPR, and First Aid Certifications

Bureau of Child Care
2016

NYC

Health

Bureau of Child Care

Health Certifications & Qualifications

The Department requires that camp operators employ staff who are properly trained and possess valid certifications for the appropriate First Aid and CPR courses for their respective titles (i.e. Health Director, Aquatics Director, etc.) **prior** to receiving a permit to operate.

Your permit can be denied or revoked, resulting in a closure of your camp and/or being fined, if:

- All certificates are not on-site and readily accessible during your camp's inspection.
- Trainings or certifications are discovered to be falsified, unapproved, or invalid.

How to get certified...

Below is a partial list of organizations recognized by the New York State Department of Health as offering approved trainings for camp personnel. Please contact them via phone or on the web to obtain the schedule of trainings nearest you.

FIRST AID CERTIFICATIONS

(Advance First Aid)
for NYS Children's Camp Staff

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

Subpart 7-2 of the State Sanitary Code requires the health director, other staff specified in section 7-2.8, and certain camp trip and activity leaders¹ to possess valid certification in first aid. The courses listed below have been accepted by the Department as being equivalent to or exceeding first aid course standards specified in Section 7-2.2(m). Some medical personnel may possess training and experience that is equivalent to or exceeds this certification requirement. A résumé or list of qualifications should be submitted to the local permit-issuing official for evaluation.

Acceptable certifications for camp CPR staff are listed on the Fact Sheet titled [Cardiopulmonary Resuscitation \(CPR\) Certification for NYS Children's Camps and NYS Bathing Facilities.](#)

Accepted Courses	
(First Aid certifications are valid for the time period specified by the provider, but may not exceed three years from the date of course completion.)

CARDIOPULMONARY RESUSCITATION (CPR) CERTIFICATION

for NYS Children's Camps and NYS Bathing Facilities

Fact Sheet – March 2016

(Go to www.health.ny.gov to view the most current certification list)

The New York State Sanitary Code (SSC) requires certain staff to possess a valid two-rescuer CPR certification in a course accepted by the Department as providing an adequate level of training as follows:

Children’s Camps (Subpart 7-2 of the SSC) - CPR certification is required for the health director and other staff specified in sections 7-2.8 and 7-2.11(a)(5), aquatics director, lifeguards, and certain trip and activity leaders¹.

Swimming Pools and Bathing Beaches (Part 6 of the SSC) - CPR certification is required for all lifeguards (Supervision Levels I, IIa, IIb).

CPR CERTIFICATIONS ARE VALID FOR 1 YEAR FROM THE DATE OF CERTIFICATION, REGARDLESS OF EXPIRATION DATE ON CARD

¹ A trip leader of a camp trip that includes an activity where emergency medical care is not readily available or an activity such as wilderness hiking, rock climbing, camping, horseback riding, bicycling, swimming and/or boating shall possess or be accompanied by staff who possess certification in a course listed on this Fact Sheet.

An activity leader of an activity on the camp property where other CPR certified staff is not readily available shall possess or be accompanied by staff who possess certification in a course listed on this Fact Sheet.

CAMP AQUATICS DIRECTOR

for NYS Children's Camp Bathing Facilities

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

A camp aquatics director must oversee all swimming activities that occur at swimming pools and bathing beaches operated as part of a children's camp. This person shall supervise lifeguards and other required staff during swimming activities and implement the camp safety plan. The camp aquatics director must:

- be at least 21 years of age
- have a minimum of:
 - one season of previous experience as a camp aquatics director at a New York State children's camp; or
 - two seasons of previous experience consisting of at least 12 weeks as a children's camp lifeguard which had more than one lifeguard supervising it at a time; or
 - 18 weeks of previous experience as a lifeguard at a swimming pool or bathing beach, which had more than one lifeguard supervising it at a time.
- hold an accepted and current cardiopulmonary resuscitation (CPR) certificate as listed on the Fact Sheet entitled "Cardiopulmonary Resuscitation (CPR) Certification for NYS Children's Camps and NYS Bathing Facilities"
- annually review and document the review of the camp's safety plan for swimming
- possess current certification in a training course for lifeguard supervision and management as described below:

Acceptable Lifeguard Supervision and Management Courses	
(Certifications are valid for the time period specified by the provider, but may not exceed three years from the date of course completion.)	
Provider	Certification Title
<p>American Red Cross (ARC) Lifeguard Management (LGM) certifications:</p> <ul style="list-style-type: none"> – As of 1/1/14, LGM is only offered online. In-person testing is required and obtained through ARC Lifeguarding Instructors that are ARC Authorized Providers. – Certification expiration date is based on the LGM certificate, not the in-person testing certificate date. – Cards issued prior to 1/1/14 without an expiration date can be accepted for three years from date of issuance. 	<ul style="list-style-type: none"> ➤ Lifeguard Management – certifications issued after 12/31/13 must be accompanied by a separate certification indicating in-person testing session. ➤ Lifeguarding Instructor
<p>Boy Scouts of America</p>	<ul style="list-style-type: none"> ➤ Aquatics Instructor, BSA
<p>New York State Department of Environmental Conservation</p>	<ul style="list-style-type: none"> ➤ New York State Lifeguard Management
<p>YMCA Aquatics Management and Aquatics Management Trainer certifications are no longer offered:</p> <ul style="list-style-type: none"> – Certification in Aquatics Management remains valid for three years from date of certification, but no later than 12/31/2018. – Certification in Aquatics Management Trainer remains valid for two years from date of certification, but no later than 12/31/2017. 	<ul style="list-style-type: none"> ➤ Aquatics Management ➤ Aquatics Management Trainer

An Aquatics Director may not perform lifeguard duties unless currently certified as a qualified lifeguard, or assess swimming ability unless currently certified as a progressive swimming instructor (see corresponding Fact Sheets available at www.health.ny.gov or from your local health department).

**Level III and IV Aquatic Supervision Staff
CARDIOPULMONARY RESUSCITATION (CPR) CERTIFICATIONS
For NYS Bathing Facilities**

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

Level III and IV Aquatic Supervisory Staff are required to possess an American Red Cross (ARC) CPR or equivalent (except when staff is employed at bathing facilities that are part of a temporary residence or campground). As a result of changes in ARC’s curriculum, the code standard “Community CPR” is no longer taught. Acceptable certification equivalents are listed below.

CPR certifications are valid for 1 year from the date of certification, regardless of the expiration date shown on the card.

Accepted Courses	
CPR certifications listed on the Fact Sheet entitled “Cardiopulmonary Resuscitation (CPR) Certification for NYS Children’s Camps and NYS Bathing Facilities” exceed the requirements for Level III and IV CPR courses and are acceptable.	
Provider	Certification Title
American Heart Association	➤ Heartsaver CPR AED
American Red Cross	➤ Adult CPR/AED with Pediatric CPR ➤ Adult and Pediatric CPR/AED ➤ Adult and Pediatric First Aid/CPR/AED
Emergency Care and Safety Institute	➤ Adult, Child, Infant CPR ➤ Adult, Child, Infant CPR/AED
EMS Safety Services, Inc.	➤ CPR (course title – CPR/AED for Community Rescuers; card must indicate that Adult CPR, Child CPR, and Infant CPR were taught)
Medic First Aid Cards must be accompanied by a “Successful Evaluation Certificate” which indicates that the individual has passed written and performance evaluations.	➤ Medic First Aid Basic and Medic First Aid Infant and Child Supplement (both certifications required) ➤ Medic First Aid CarePlus CPR (card must indicate that Adult, Infant, and Child Skills were taught)

AQUATIC CERTIFICATIONS for NYS Bathing Facilities

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

Standards for aquatic/lifeguard certifications are contained in New York State Sanitary Codes (SSC) Subpart 6-1, Section 6-1.31, Swimming Pools; Subpart 6-2, Section 6-2.20, Bathing Beaches; and Subpart 7-2, Section 7-2.5(g), Children's Camps. When the SSC requires "lifeguard supervision" or a "qualified lifeguard" at a bathing facility, an approved lifeguard certification SPECIFIC to the type of bathing facility is required.

NOTE:

- **All lifeguards must possess separate cardiopulmonary resuscitation (CPR) certification in an approved course listed on the NYS CPR fact sheet unless otherwise indicated in the below table. All CPR certificates are valid for 1 year from course completion, regardless of the expiration date noted on the card.**
- Lifeguard certifications shall be valid for the time period specified by the certifying agency, but may not exceed a consecutive three-year period from course completion. Multiyear lifeguard certifications that include CPR require a CPR certification each year.
- Children's camp lifeguards must be at least 17 years of age, except;
 - A maximum of 50% of the required lifeguards on duty may be 16 years of age;
 - Lifeguards for wilderness swimming must be at least 18 years of age.
- Supervising lifeguards must possess at least Supervision Level IIb certification, be at least 18 years old, and have at least 2 seasons of lifeguarding experience.

Camp Trip Swimming Program Safety Certifications for NYS Children’s Camps

Fact Sheet – March 2016

(Go to www.health.ny.gov to view the most current certification list)

When swimming is conducted during a camp trip to an aquatics facility that is supervised by qualified lifeguard(s), the camp must supply one additional lifeguard or a staff member possessing training in Children’s Camp Swimming Program Safety for each 75 campers at the swimming activity (See Aquatic Certification Fact Sheet for a list of qualified lifeguard certification). A camp supplied lifeguard or staff trained in swimming safety is not required for aquatic amusement park activities that allow only one or two patrons in the water at a time and the activity water depth does not exceed chest deep for non-swimmers.

The following courses have been accepted by the Department as meeting or exceeding course standards for training in Children’s Camp Swimming Program Safety specified in Section 7-2.11(a)(4)(iv)(a) of the State Sanitary Code:

Provider	Certification Title*
<p>American Red Cross (ARC) Lifeguard Management (LGM) certifications:</p> <ul style="list-style-type: none"> – As of 1/1/14, LGM is only offered online. *Certifications are valid for the time period specified by the certifying agency, but may not exceed a consecutive three-year period from course completion.

**NYS Bathing Facilities
Supervision Level III Aquatic Staff Certification
Required for Instructional Activities**
(Not applicable to Children’s Camps)

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

The New York State Sanitary Code (SSC) requires Supervision Level III staff to possess aquatic injury prevention and emergency response certification when assisting required lifeguards (Supervision Level IIa) during instructional activities, in accordance with Section 6-1.23(a)(6) of Subpart 6-1 of the SSC. Instructional activities include, but are not limited to, learn-to-swim programs, physical education classes and swim team practices. One Supervision Level III staff must be provided for each required lifeguard engaged in instructional activities.

Accepted Courses	
(Certifications are valid for the time period specified by the provider, but may not exceed three years from the date of course completion.)	
Provider	Certification Title
American Red Cross (ARC) – As of 1/1/14, Lifeguard Management (LGM) is only offered online. In-person testing is required and obtained through ARC Lifeguarding Instructors that are ARC Authorized Providers. – Certification expiration date is based on the LGM certificate, not the in-person testing certificate date. – Cards issued prior to 1/1/14 without an expiration date can be accepted for three years from date of issuance.	➤ Lifeguard Management – certifications issued after 12/31/13 must be accompanied by a separate certification indicating in-person testing session.
East Aurora Union Free School District	➤ East Aurora Union Free School District Level Three Aquatic Supervisor Course
Buffalo Public Schools	➤ Second Set of Eyes

In addition to the training, Level III Aquatic Supervisory staff must:

- Be a minimum of 18 years;
- Possess a current American Red Cross Community Cardiopulmonary Resuscitation (CPR) or equivalent certification, not to exceed one year;
- Possess competencies as specified in Section 6-1.31(c)(1)(iii) of the SSC.

Learn-to-Swim Programs for NYS Children's Camps

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

Subpart 7-2 of the State Sanitary Code allows non-swimmers to enter water that is chest deep or greater when participating in a learn-to-swim program that has been determined to use a supervision protocol which protects campers from injury or drowning. The following programs have been determined to be acceptable:

Acceptable Programs*
American Red Cross
Boy Scouts of America
Orchard Park Recreation
PADI
Starfish Aquatics
YMCA

- Instructors must possess current certification as a progressive swimming instructor (PSI) in the program being utilized to teach swimming.
- Qualified lifeguards must supervise learn-to-swim programs. A PSI may not perform lifeguard duties unless currently certified as a qualified lifeguard (see "Aquatic Certification" fact sheet) and he/she is not concurrently performing teaching duties.
- A Buddy System and Board System (or equivalent) of supervising and checking bathers must be implemented during all swimming activities including learn-to-swim programs.

*Children's camps may utilize learn-to-swim programs that are not listed above to teach swimming at camp; however, non-swimmers must be restricted to water that is less than chest deep at all times.

PROGRESSIVE SWIMMING INSTRUCTOR* *for NYS Children's Camps*

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

A progressive swimming instructor is required to assess the swimming ability of each camper prior to allowing the child to participate in aquatic activities.

The following courses meet the certification requirements as specified in Section 7-2.5(f) of Subpart 7-2 of the New York State Sanitary Code:

Accepted Courses	
Provider	Certification Title
American Red Cross (ARC)	➤ Water Safety Instructor
Boy Scouts of America	➤ Aquatics Instructor, BSA
Canadian Red Cross	➤ Water Safety Instructor
Orchard Park Recreation	➤ Western New York Swimming Instructor ➤ Western New York Swimming Instructor Trainer
PADI	➤ PADI Swimming Instructor – certifications must indicate specialty program training in both Stroke and Swim School
Starfish Aquatics Institute	➤ Starfish Swimming Instructor – certifications must indicate specialty program training in both Stroke and Swim School
YMCA	➤ YMCA Swim Lessons Instructor

*A progressive swimming instructor may not perform lifeguard duties unless currently certified as a qualified lifeguard (see "Aquatic Certifications" fact sheet) and the individual is not concurrently performing instructional duties.

EPINEPHRINE AUTO-INJECTOR PROGRAM CERTIFICATIONS for NYS Children’s Camps

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

Section 3000-c of Public Health Law permits children’s camps to establish an epinephrine auto-injector program to stock and allow specially trained camp staff to use an epinephrine auto-injector device to treat life-threatening allergic reactions (also known as anaphylaxis). Please refer to the Department of Health Fact Sheet entitled “[Epinephrine Auto-Injector Use by Children’s Camps](#)” for more detailed information about establishing an epinephrine auto-injector program at a camp.

To participate in an auto-injector program, children’s camp operators must develop, sign and implement a collaborative agreement with an emergency health care provider (physician or hospital) who will oversee the camp’s program. The camp’s emergency health care provider should determine which of the following approved courses will be used to train camp staff.

Courses require annual recertification.

Provider	Certification Title
American Red Cross	<ul style="list-style-type: none"> ➤ Epinephrine Auto-Injector Training ➤ Anaphylaxis and Epinephrine Auto Injector
Lifesaving Enterprises	<ul style="list-style-type: none"> ➤ Epinephrine Auto-Injector Training
New York State Department of Health Bureau of Emergency Medical Services*	<ul style="list-style-type: none"> ➤ Training Program Outline for Unlicensed or Uncertified Personnel to Administer Epinephrine by Auto-Injector in Life-Threatening Situations

*The Bureau of Emergency Medical Services (BEMS) does not provide training to camp staff; however, their approved training curriculum is available for use by the camp’s emergency health care provider (EHCP) or individual designated by the EHCP to provide the training to camp staff. BEMS curriculum is available from the BEMS Operations Unit at (518) 402-0996 or at <http://www.health.ny.gov/professionals/ems/pdf/epitraining.pdf>. Additionally, BEMS Policy Statement on Epinephrine Auto-Injectors is available at <http://www.health.ny.gov/nysdoh/ems/pdf/11-08.pdf>.

QUALIFIED SWIMMING POOL WATER TREATMENT OPERATOR COURSES AND CERTIFICATIONS

for Operation of NYS Swimming Pools and Recreational Aquatic Spray Grounds

Fact Sheet – March 2016

(Go to www.health.ny.gov to view most current certification list)

A qualified swimming pool water treatment operator is required to maintain pools larger than 3,000 square feet in surface area, or pools disinfected using gas chlorine and all recreational aquatic spray ground facilities.

Qualified swimming pool water treatment operator certifications shall be valid for the time period specified by the certifying agency and must be maintained current.

The following are adequate courses of instruction regarding the safe and effective operation and maintenance of pool treatment equipment as specified in Section 6-1.2(l)(2) of Subpart 6-1 and Section 6-3.2(e) of Subpart 6-3 of the New York State Sanitary Code:

Provider	Certification Title
American Swimming Pool and Spa Association	Licensed Aquatic Facility Technician (LAFT) Certificates indicating completion of an online or hybrid LAFT course are not acceptable .
National Recreation and Park Association	Aquatic Facility Operator (AFO)
National Swimming Pool Foundation	Certified Pool/Spa Operator (CPO)
Starfish Aquatics Institute	AquaTech
YMCA	Pool Operator on Location (POOL) ¹

¹The Pool Operator on Location course is no longer offered. Existing certifications are valid for five years from the date of certification.
