How to Get an FDNY Certificate of Fitness

A valid Certificate of Fitness is required for operators to conduct summer camps in New York City. One employee at a summer camp program must hold a **Certificate of Fitness for Fire Alarm Systems and other Related Systems**, also called “S-95” as well as a **Certificate Fitness for the Fire Drill Conductor – “F-07/W-07”**. The NYC Fire Department issues Certificates of Fitness by providing written examinations to applicants. This Certificate is valid for three years, and must be renewed by the expiration date through payment of the renewal fee to the Fire Department. For more information, see the [FDNY Certificate of Fitness FAQ](#) Brochure, visit <http://www.nyc.gov/fdny> or call (718) 999-1988 or (718) 999-2504.

New York State Sex Offender Registry

Article 13-B of the Public Health Law requires children’s Summer Camp operators to determine whether an employee or volunteer is listed on the NYS Division of Criminal Justice Services Sex Offender Registry. Operators must complete checks of the Registry prior to the day the employee or volunteer starts work at the camp. Operators must conduct these checks for all employees and volunteers each year prior to their arrival at camp. This law applies to all children’s Summer Camps (day, traveling day and overnight) and to all prospective employees and volunteers at the camps, regardless of their job title/responsibilities or employment status (full or part-time). For more information about the Division of Criminal Justice Services Sex Offender Registry, call (518) 457-3167 or visit http://www.criminaljustice.ny.gov/nsor/800info_cdsubmit.htm.

Health Academy

Summer Camp programs that prepare and serve food on site, must have a supervisor of food preparation and service complete the 15-hour *Food Protection Certificate* course. To register for the 15-hour course, visit <http://www1.nyc.gov/site/doh/business/health-academy/food-protection-online-free.page>. If food is catered by a permitted or licensed establishment, or if food is transported to a camp from the NYC Department of Education’s Summer Feeding Program a supervisor must have completed the 4-hour *Soup Kitchen and Summer Camp Workers* food protection course.
