

COVID-19 Is Not Over. Get Vaccinated Today!

More contagious COVID-19 variants, such as the delta variant, continue to spread and are more likely to cause severe illness.

Even if you already had COVID-19, you should still get vaccinated to strengthen your protection. Getting vaccinated helps protect you against reinfection.

Free in-home vaccinations are available for all New Yorkers 5 and older, especially you! Go to nyc.gov/homevaccine to sign up or call 877-VAX-4NYC (877-829-4692).
