

Get Continuing Education (CE): PrEP and PEP Action Kit for Women #SS4109

PROGRAM DESCRIPTION:

The PrEP and PEP Action Kit for Women is designed to provide clinicians with the background and resources needed to support informed discussion of biomedical HIV prevention with their patients and to assist in the incorporation of biomedical HIV prevention into their clinical practice.

OBJECTIVES:

At the conclusion of the session, the participant will be able to:

1. Describe how to take a thorough sexual history
2. Describe the current sexually transmitted infection (STI) screening practices for sexually active patients according to CDC guidelines
3. Discuss current recommendations for post-exposure prophylaxis (PEP) and pre-exposure prophylaxis (PrEP) to prevent HIV infection

FACULTY/CREDENTIALS:

Dr. Oni Blackstock, MD MHS, Assistant Commissioner, Bureau of HIV/AIDS Prevention and Control, New York City Department of Health and Mental Hygiene

Dr. Julie Myers, MD MPH, Director of HIV Prevention, Bureau of HIV/AIDS Prevention and Control, New York City Department of Health and Mental Hygiene

ORIGINATION DATE: October 14, 2018

RENEWAL DATE: October 14, 2020
