

# Center-based (Group) Child Care and Summer Camps

## Contact List

The Health Department has four borough office locations to provide assistance for child care providers in applying for or renewing a permit. Walk-in hours at all offices are Tuesday through Thursday, from 9 a.m. to 4 p.m., or by appointment. Language interpretation services are available free of charge. **New applicants** should visit [Child Care - Information for Operators](#) and review the application requirements before contacting one of the offices below.
