Introduction

Welcome to the Hunts Point Community Resource Guide. Inside you'll find many free and low cost resources for families in and near Hunts Point. Below are important hotlines and descriptions of each section of this guide. Programs may change. For the most recent version of this guide, visit nyc.gov and search for *Hunts Point Resource Guide*.

24-Hour Helplines and Hotlines

Domestic Violence Hotline: 800-621-HOPE (4673) or 311

Provides information on emergency shelter, counseling, legal assistance and benefits available by area. Translation is available in 179 languages.

New York Foundling Parent Helpline and Crisis Nursery: 888-435-7553

Provides crisis counseling and intervention, linkages to community-based support services, emergency childcare, parenting support and information. Helpline is available 24 hours a day, seven days a week.

LifeNet Mental Health and Substance Use Helpline: 800-LIFENET (800-543-3638)

For information, referrals and crisis assessments for mental health, alcohol or substance use, LifeNet is a free and confidential helpline available 24 hours per day, seven days per week. Available in many languages.

Section Descriptions

After School Programs

After school programs provide academic and recreational activities for children and adolescents. Programs operate after school hours or in the summer.

Art Programs

Art programs offer children and families classes and training in music, dance, theater and visual arts.

Domestic Violence Services

Domestic violence services for families include referrals to emergency shelters, temporary assistance with child care, counseling and other services.

Early Care and Education

Early care and educational programs for young children include Day Care and Child Care Services, Early Intervention, Head Start, Universal Pre-Kindergarten, Early Care and Education and Living for the Young Family through Education (LYFE) programs. Early care and education programs are free or low cost.

Family Support

Family support programs include home visiting for pregnant women and new mothers, foster care preventive services, nutrition, child support and mediation as well as resource centers that offer emergency childcare, classes for parents and children, support groups and counseling.

Financial Services and Jobs Assistance

Financial services and job assistance programs offer employment search assistance, legal services and financial empowerment programs.

Food Pantries, Soup Kitchens and Farmer's Markets

Food pantries, soup kitchens and farmer's markets are places to obtain food for you and your family. Select Farmer's Markets take Electronic Benefit Transfer (EBT) cards and/or Food Stamps.

Legal Services, Advocacy and Entitlement Access

Legal services include free and low cost help and counsel to families about housing, public assistance, income taxes, immigration, child abuse and HIV.

Libraries

Libraries offer computer and Internet access as well as programs for children and families. Contact your nearest library for a schedule of activities.

Mental Health Services

Mental health services include outpatient and inpatient care for children, adolescents and adults. Programs offer confidential assessments, short- and long-term counseling, psychotherapy, family therapy and mental health treatment. For up-to-date information about mental health programs, search the New York State Office of Mental Health website at bi.omh.ny.gov/bridges/index.

Primary Care Providers and Clinics

Primary care includes pediatric care, adult medicine and women's health.

Substance Use Services

Substance use services for adolescents and adults include inpatient and outpatient care and crisis, residential and methadone programs. For up-to-date information about substance use programs, search the New York State Office of Alcoholism and Substance Abuse Services website at oasas.ny.gov/providerDirectory/index.cfm?search_type=2.

After School Programs

After school programs provide academic and recreational activities for children and adolescents. Programs operate after school hours or in the summer.

Family Support

Family Support programs provide a variety of support services to families. Programs include peer support groups for parents and caregivers of children with social and emotional challenges, nutritional education, parenting classes, family counseling, respite care, preventive services to help prevent children from entering foster care, support to reunite parents with children who are placed in foster care, and home visiting programs for pregnant women and new mothers.

The New York Foundling

24-Hour Parent Helpline and Crisis Nursery

Contact: 888-435-7553

Description: Provides crisis counseling and intervention, linkages to community-based support services, emergency childcare, parenting support and information. Helpline is available 24 hours a day, seven days a week.

Home Visiting

Home visits enable parents and families to meet with a qualified health care provider in their home to discuss any concerns and questions they may have, share information and help find services their family might need to stay healthy.

Urban Health Plan

Community Health Worker Program

1070 Southern Boulevard

Contact: 718-542-5555 x 3114

Website: urbanhealthplan.org

Eligibility: None

Cost: Free

Areas Served: South Bronx

Languages: English, Spanish

Note: Home visiting program offers families education on a variety of topics including prenatal and postpartum care, nutrition, pediatric care, family planning, immunizations, asthma management and the promotion of positive health behaviors. Community health workers provide advocacy and service coordination as well as referrals and follow-up for needed health services.

Family Support

New York City Department of Health and Mental Hygiene

Newborn Home Visiting Program South Bronx

485 Throop Avenue, 2nd Floor

Contact: 646-253-5700

Website:

nyc.gov/html/doh/html/dpho/dpho_newborne.shtml

Eligibility: For all mothers who give birth at Lincoln Hospital (in Bronx) regardless of age or immigration status.

Cost: Free

Areas Served: South Bronx

Languages: English, Spanish

Note: Home visiting program provides parents of newborns information on key health and insurance topics, screening and referrals for health and social problems, and assessment of the home environment for safety and health hazards. Can also provide a free crib if needed.

Nurse Family Partnership

Visiting Nurse Service of New York – Bronx

1200 Waters Place

Contact: 718-536-3789

Website:

nursefamilypartnership.org/first-time-moms

Eligibility: Must be a first-time mother, enroll while pregnant and meet the income requirements

Cost: Free

Areas Served: South Bronx

Languages: English, Spanish

Other Services: None

Note: Home visiting program for mothers starting during pregnancy and continuing through the child's second birthday.

Urban Health Plan

Mothers and Maternal Awareness Program (M.A.M.A)

1065 Southern Boulevard

Contact: 718-542-5555 x 3151

Website: urbanhealthplan.org

Eligibility: First time expectant mothers in their second or early third trimester and their partners

Cost: Free

Areas Served: South Bronx

Languages: English, Spanish

Other Services: Urban Health Plan Services

Note: Home visiting program consists of six weekly sessions. Classes cover good nutrition and exercise, fetal development, signs of labor, newborn care, how to choose a pediatrician, postpartum visits and what to expect, as well as birth control options after delivery.

Preventive Services

Preventive programs provide free services for families with children under 18 at risk of being placed in foster care. Preventive services for families are designed to help children remain safe in their homes and to help families in crisis.

Cardinal McCloskey

Preventive Service Programs
