

Resources for Employee Vaccination

- The NYC Health Department has developed tools that be used to promote influenza vaccination. Click here to view and access these materials.
<http://www.nyc.gov/html/doh/flu/html/public/posters.shtml>
- The Centers for Disease Control and Prevention (CDC) developed this toolkit with materials, information and strategies to help businesses and employers to establish promotional activities for employee vaccination.
http://www.cdc.gov/flu/pdf/business/Toolkit_Seasonal_Flu_For_Businesses_and_Employers.pdf
- The CDC has also materials you can use to promote vaccination.
