

Sometimes the medicine becomes the problem

DO YOU TAKE OPIOID PAINKILLERS such as **Vicodin[®]** (hydrocodone/acetaminophen), **OxyContin[®]** (oxycodone), **Percocet[®]** (oxycodone/acetaminophen)?

ARE YOU:

- + Taking more than prescribed?
- + Taking drugs not prescribed for you?
- + Having trouble controlling your use?
- + Taking amounts that make you confused or sleepy?
